

IS YOUR NUMBER UP?

Spring should be arriving soon and the Granby S.A.L.T. Council is ready to begin their house numbering program, "Is Your Number Up"?

If your house number has been damaged by the harsh winter weather or has disappeared now is the perfect time to order a new sign.

A visible house number is important for our Fire and Police Departments to reach you in the case of an emergency.

To order your house number, please call the Senior Center at 467-3239, or complete the coupon below and mail to the Senior Center. Your sign will be installed by officers of the Granby Police Department. The suggested donation is \$10.00. Checks are made payable to the:
