

ANNUAL REPORT
TOWN OF GRANBY
MASSACHUSETTS

FOR THE YEAR ENDING DECEMBER 31ST, 2016

Martin Merrill

1930-2016

Martin Merrill attended his last Personnel Board meeting one month before he died. We all knew he had been fighting lung cancer for over a year, but there was no evidence of the battle at our meeting. Martin was a tough man, physically and mentally. Personally, he was a kind man, a good friend, and great citizen. He served his friends and our town, and helped countless people not just with their cars, but also their lives while mentoring more than a few people of later generations.

More recent arrivals to Granby may not have known Martin. For most of his life, he owned Dressel's Service Station, which once sold gasoline as well as repaired cars. Dressel's was a social hub in Granby, and was a place to hear the latest town news as people stopped in to shoot the breeze. The station was open six days a week and Sunday mornings when there was always a group of people who picked up the Sunday paper and stayed for conversation.

The times have changed over the years. Our town is bigger now with no universal social hub these days. The buildings are different too. He went to elementary school in the Town House building, the Historical Association Museum on the Congregational church property. Martin then went to middle school at Kellogg Hall, then attended and graduated from South Hadley High before attending and graduating from American International College in 1951. He then joined the army, attended Officer Candidate School and was stationed in Alaska where he and his wife Jeanne lived for two years. He continued to serve in the Army Reserves until 1964 where he rose to the rank of Captain.

Martin had a college degree and military experience, but he chose to return to Granby. When he came back, he built a house where he brought up his six children. He was living in the same home when he died.

At the age of 16, Martin began working as a volunteer firefighter. The fire department relied on volunteers in those days. Fire response strongly depended on men (and it was all men in those days) who lived and worked in town. If there was a fire in town, Martin left work to fight it. There was a red phone in his house dedicated only to fire calls. He volunteered on the fire department until 1977, the last 13 years a Deputy Fire Chief.

During the Vietnam War, Granby was home to many Air Force families. With husbands off to war, wives and children were left behind. Many of the wives depended on Martin to maintain their cars and recommend people or businesses that could help fix problems in their homes.

On March 12, 1975 the original Dressel's Service Station was destroyed in an overnight fire. The community rallied around donating thousands of dollars, and providing professional and unprofessional help to rebuild the station that now stands on Route 202, testimony to the community, its affection and respect for Martin.

Martin was also very active in the American Legion and the Lions Club where he was the first recipient of the Citizen of the Year Award.

Granby flies flags on the telephone poles along Route 202 from Memorial Day to Veteran's Day. It was Martin's idea and he worked it out with his life-long friend George Mugnier who owned the Granby Telephone Company and supplied the trucks and workers to do the work. In addition to these flags, Martin was instrumental in having "Welcome to Granby" signs installed at both ends of Route 202.

Written by Albert Bail with help from Mark Bail and Jeanne Merrill

Water fowl.....	47
Game birds	18
Turkeys.....	15
Rabbits.....	11
Pidgeons.....	26

Respectfully submitted,

Thomas Flebotte, Animal Inspector

BOARD OF ASSESSORS

The Assessors' Office is located in the former Granby Telephone Co. building located at 215B West State St. and our telephone number is 467-7196. Keri-Ann Wenzel has worked in the Assessors' Office for more than 8 years and is the current Assistant Assessor. The office is normally opened Monday through Thursday 9AM to 3PM and Friday 9AM to Noon.

The Board of Assessors' are required to value all real estate property at market value based on sales during the past two years. We value personal property owned by businesses. To this end, we visit all properties which have taken out building permits and contract the services of Bishop & Associates to verify values with the State Department of Revenue for certification.

The total Assessed values for FY 2017, which began on July 1, 2016 is \$619,588,635, of which \$7,621,828 represents new growth. New Growth comes from building permits, cyclical inspections and additional personal property. Residential Values are \$567,795,214, Commercial & Industrial Value is \$30,042,120, and Personal Property Value is \$21,751,301.

On December 5, 2016, the Board of Selectmen held its annual Tax Rate Hearing and voted to adopt a single tax rate of \$18.10 for FY17. Documents that reflect the Town's Tax Levy can be viewed in our office.

The Board of Assessors' are required to complete inspections of all properties on a cyclical basis of every nine years. While completing the inspections to ensure we are current, we are also taking digital photos of the property and are adding this information to our database.

The Board of Selectmen approved an agreement for a Solar PILOT agreement on 1/9/17, which the Board of Assessors will help administer, as the Town will receive revenue from solar installations on property owned by Westover Development Corp and leased by Kearsarge Corp. The Board of Assessors' are responsible for verifying the size of the installations as well as the impact the revenue has on the Tax Levy.

You are invited to visit our office and review your property record card to make sure we have all the correct information about your property.

Respectfully submitted,

William D. Porter III, chair

Gregg A. Leonard, clerk

Frank A. Hudgik

BOARD OF HEALTH

The purpose of the Board of Health is to address and protect the public health of the community. In accordance with the laws and regulations of the Commonwealth of Massachusetts, the Board oversees the design of subsurface waste disposal systems and soil percolation testing (310 CMR 15.000, Title V), the operation of restaurants and retail food establishments (Article X), compliance with human habitation standards (Chapter II). Additionally, the Board supervises the Town's Animal and Plumbing Inspectors.

SMOKING: The Board continues to focus on protecting the public from the dangers of smoking and breathing second hand smoke. The Town is a member of a Mt. Tom Tobacco Control Coalition that does vendor training and conducts tobacco regulation enforcement checks to ban tobacco sales to youth.

HOUSEHOLD HAZARDOUS WASTE DAY: In September, the Board of Health held a Household Hazardous Waste Day in conjunction with the Town of South Hadley at their DPW site on Industrial Drive in South Hadley. This enabled Granby residents to dispose of materials that are harmful to the environment. The amount collected was from 35 residents.

The Granby Fire Department once again offered their services to conduct the bi-monthly blood pressure-blood sugar screenings without cost to the town.

LANDFILL: The Board continues to receive monitoring and inspection reports from Waste Management. Waste Management, under the direction of the Massachusetts Department of Environmental Protection, will continue to be responsible for the post closure operation of the landfill for at least the next fifty years.

The Board of Health is a member of the Hampshire Emergency Preparedness Coalition and received grant funding in the amount of \$894.00. This grant contributed to the purchase of a second emergency kit for staff and an Emergency Preparedness Guide booklet that is available to residents.

SOIL PERCOLATION TESTS AND DISPOSAL WORKS
SEPTIC DISPOSAL CONSTRUCTION PERMITS: The Board inspected 25 repaired septic systems and 17 new septic systems.

The Board witnessed 43 perc tests for new systems and 2 deepholes for perc test extensions.

FEES COLLECTED BY THE BOARD OF HEALTH

39 - Plumbing Permits	\$3990.00
42 - Disposal Works Permits	\$6350.00

BOARD OF SELECTMEN

As the result of the Annual election, the Board of Selectmen welcomed Steven Chojnacki replacing Mary McDowell who served three terms. The Board wishes Mary well and thanks her for her service to the Town. The Board then re-organized with Mark Bail being elected chairman and Louis Barry serving as clerk.

School Building Project. Building a new school is not a short or simple process. The Massachusetts School Building Authority (MSBA) must approve each step in the process. Estimates are developed and peer reviewed at set intervals before requests for bids are sought. Contractors and subcontractors are preapproved before bids are awarded. Three general contractors that were prequalified were Fontaine Brothers, J&J Construction and Hutter Construction. Fontaine Brothers came in with the lowest bid at \$23,595,000. The School Building Committee (SBC) recommended awarding the bid to Fontaine Brothers, which the Board of Selectmen did. The SBC addition and renovation to East Meadow School finally began in February. A formal

groundbreaking ceremony is planned for later in the year when the weather improves.

New Fire Chief. Fire Chief Russ Anderson left Granby for the Southwick Fire Department, where he follows in the footsteps of his father and brother who both served as fire chiefs in Southwick. The Board first appointed a committee to review the position's job description and to make recommendations of qualifications for a new chief. The Board then appointed a search committee, which narrowed down the number of job candidates to three. The Board interviewed all three candidates, and following Town Administrator Chris Martin's recommendation, hired John Mitchell as Fire Chief. Chief Mitchell was formerly the Fire Chief for Barnes Airport. The Board would like to thank Deputy Chief Bruce Carpenter and retired Holyoke Fire Department Chief Chris Reynolds who handled interim chief duties.

Police Lieutenant. Several years ago, upon the retirement of Lt Norm Renaud, the Board chose to make two additional Sergeant positions instead of filling the lieutenant slot. This worked well throughout our transition to a new Chief of Police. As police departments continue to professionalize a clear chain of command is necessary. Every year due to new laws and mandates, there is a need for more administration. Upon recommendation of the Chief of Police and the Police Advisory Board, we re-established the lieutenant's position this year. By eliminating one sergeant's position and replacing it with a lieutenant's position, we established a clear cut chain of command without adding manpower. The lieutenant will pick up some administrative duties but will also continue with performing the duties he did as a Sergeant. The Town's Police Advisory Board met and endorsed Sergeant Kevin O'Grady, a long time veteran of the Department. He was subsequently unanimously promoted by the Board.

PILOT Agreement. This year the Town entered into an agreement with KEARSAGE, a company that is installing solar panels on WMDC property in Town. State Law allows towns and companies such as these to enter into PILOT (Payment In lieu Of Tax) agreements. In brief this allows the town to negotiate with the company an annual payment spread out over 20 years, instead of receiving a tax payment which would rapidly decrease yearly due to depreciation. Town meeting authorized the Board of Selectmen to negotiate the agreement and in a separate vote, to accept the agreement that was negotiated. The Town entered into five PILOT agreement worth \$7,085 each. Over their life span, the agreements will net the town \$708,500.

Aldrich Hall Demolition. After years of back and forth with the Granby Historical District Commission (GHCD) over the demolition of Aldrich Hall, the Board consulted with Town Counsel Ed Ryan about legal alternatives. Massachusetts law prohibits the demolition of a building in the local historical district without approval of the GHCD; however, GHCD documentation of process, as well as the recollection of Board members, strongly suggests that the GHCD failed to comply with Massachusetts General Law itself. After some deliberation, the Board instructed Town Counsel to pursue a legal remedy. He is currently collecting the evidence needed to present to the court.

Granby Veteran's Memorial. The Board was proud to approve the design and location of the Granby Veteran's

Memorial. The Memorial was originally to be sited at the corner of Route 202 and North Street, but the placement proved to be costly due to an excess of ledge. The Memorial will now be sited farther down North Street at the end of the lower parking lot. Some woods will be cleared for the placement. The new site eliminates the need for a staircase or walkway up the hill to front of the lot. In future years, the lot can be developed into a small park. The Board would like to thank the Granby Veteran's Memorial Committee, the Friends of the Granby Memorial, and particularly Architect Jim Sowell who has volunteered countless hours designing and presenting the memorial.

Commonwealth Community Compact. Under this program with the State, the Town has contracted with Pioneer Valley Planning Commission (PVPC) to look into the development of a regional building inspections program. The PVPC has looked at the Franklin County Council of Governments model and met with various communities regarding this program. They have developed a document which is currently being reviewed by the Town before release and submission to the State.

Stephen A Chojnacki, Member

BUILDING DEPARTMENT

The Granby Building Department is committed to providing guidance, in the permitting process and inspections, to the residences and contractors wishing to work in the Town of Granby. It is this Department's utmost priority to ensure the life and safety of Granby residents and visitors within homes, businesses and public facilities. The Department's principal activities involve the enforcement of building codes and town ordinance by means of plan review and the oversight and inspection of construction, alteration, repair and demolition within the Town of Granby. Together, these codes regulate the construction and occupancy of buildings and structures and control the use, location and density of land and buildings within the Town of Granby.

Electrical

Mr. Art Courchesne, Jr., Mr. Bruce Pelletier, and Mr. Richard Rosazza are the Town of Granby's part time Electrical Inspectors. Together, these gentlemen perform the inspection and

enforcement duties required by the Massachusetts Electrical Code. There were 191 electrical permits issued in 2016 with a total of \$18,890.00 in permit fees collected.

Gas

Mr. Fred Marion and Mr. George Fotopoulos are the Town of Granby's part time gas inspectors. Together, these gentlemen perform the inspection and enforcement of the Massachusetts State Fuel Gas Code. There were 37 gas permits issued in 2016 with a total of \$2,000.00 in permit fees collected

Building

In 2016, the Building Department processed 286 Building permits with a total of \$89,234.00 in permit fees collected. The increase can be mostly attributed to commercial solar farms on East St.

In Summary

Combined, the total number of permits processed in the Department was 514. The total amount of fees generated was \$108,324.00

During 2016 building permits were issued as follows:

<u>Permits Issued</u>	<u>Quantity</u>	<u>Estimated Value</u>	<u>Permit Value</u>
Business - Addition	1	\$1,330,000.00	\$13,300.00
Business - New			
Business - Renovation	2	\$27,500.00	\$ 415.00
Decks, Porches	6	\$28,405.00	\$ 505.00
Demolition	5	\$23,825.00	\$ 250.00
Garage Addition	11	\$353,279.00	\$ 3,341.00
Insulation	30	\$97,894.00	\$ 1,500.00
Doors	6	\$18,969.00	\$ 300.00
Pool	8	\$136,497	\$ 550.00
Roofing, Siding, Windows	22	\$239,641	\$ 1,340.00
Siding	8	\$158,017.00	\$ 718.00
Widows	16	\$140,494.00	\$ 875.00
Single Family - Addition	9	\$343,300.00	\$ 2,681.00
Single Family - New	7	\$1,415,770.00	\$ 9,908.00
Single Family - Renovation	17	\$340,652.00	\$ 2,991.00
Residential Solar	82	\$2,107,359.00	\$14,650.00
Commercial Solar	5	\$4,702,440.00	\$32,917.00
Stoves, Fences	18	\$69,037.00	\$ 660.00
Annual Inspections	26		\$ 1,805.00
Totals	286	\$11,574,343.00	\$89,234.00

In closing I would like to take this opportunity to thank the Town Administrator the Board of Selectmen and the residents of Granby for giving me the opportunity to serve the Town of Granby as their Building Commissioner. I look forward to continuing to work together with the other departments, Board Members and Elected Officials to provide a quality serves to the residents of Granby.

Respectfully Submitted,

Steven G. Reno,

Building Commissioner & Zoning Enforcement Officer

CABLE ADVISORY COMMITTEE

Your Granby Cable Television Committee, working under the Board of Selectmen as statutory cable license Issuing Authority, completed the negotiation of a new ten year contract with Comcast in 2014. We were able to secure capital equipment

funds, which will allow GCAM, Inc. to improve their services and operation of our two Granby public, educational and governmental channels. We will continue to monitor Comcast for their adherence to the contract. Any comments, concerns or issues from Granby Cable TV subscribers should be directed to: GCAC c/o Granby Board of Selectmen 10B West State Street Granby, MA. Please note we have no authority regarding telephone or internet services.

Respectfully submitted,
Lawrence J. Pietras, Chair
Teresa Lajoie
Gary Benson
Emre Evren
Heather Ruel

COMMISSIONERS OF BURIAL GROUNDS

In the year 2016 the Commission conducted eighteen (18) burials of which seven (7) were cremations. In addition eight (8) lots were sold, and eight (8) foundations were poured for monuments,

Due to the dry conditions in the summer of 2016 the need to mow was greatly reduced giving the Commissioners extra time to straighten stones in the older section of the cemeteries that were leaning or falling.

Respectfully Submitted,
Kevin Brooks
Ronald Harrop
Gordon Landry

COMMISSIONERS OF TRUST FUNDS

By law, all cities and towns must provide a method to manage trust funds given or bequeathed to the town or its inhabitants. The donor may request the funds to be used for certain purposes or under certain conditions. As a result, some funds are used only for the library, cemetery, or other specific purposes. Two funds are designated to provide scholarships to graduating high school seniors. This past year's recipients were:

Abbie E.C. Lathrop Scholarship
Nicole Garreffi- University of Massachusetts in Amherst

Alta M. Smith Art Scholarship
Carly Lacoste- Tulane University in Louisiana

Other funds are available to help residents, particularly the elderly, who are in need and may not be receiving any other assistance.

Requests are personal, confidential, and handled discreetly.
Respectfully submitted,
Albert H. Bail
Albert E. Bessette
Barbara Hauschild
Cathy A Leonard

CONSERVATION COMMISSION

The Granby Conservation Commission's primary function is to administer the State of Massachusetts Wetland Protection Act Regulations (310 CMR 10.00, effective October 24, 2014) and to educate the public on wetlands protection and preservation. Our

goal is to protect the eight interests of the Act which are private and public water supply, groundwater protection, pollution prevention, flood prevention, prevention of storm damage, land containing shellfish, wildlife habitat and fisheries. As part of the administration and enforcement of the act, the Commission has the authority to regulate activities in, and adjacent to environmental resource areas such as, but not limited to: stream banks, wetlands, floodplain, and rare species habitat. Such activities include, but are not limited to new construction, demolition, dumping and/or stockpiling of materials, earth removal, well installations, new installations or repair of septic systems, percolation testing, tree clearing, breaching of beaver dams and lowering or diversion of surface or subsurface waters. Many of these activities require filing permit applications with the Commission as well as with other town offices and boards.

The year 2016 has been a very busy and productive year for the Granby Conservation Commission. The Commission held 24 public meetings, reviewed 3 Notice of Intents, reviewed 9 Requests for Determination of Applicability, two Enforcement Orders and conducted over 30 site inspections

The Commission consists of seven voting members and any number of associate members. If you are interested in becoming an associate member please contact the Selectmen's office. A list of all current members, with contact information is available at the Town Hall. The Commission holds regularly scheduled public meetings on the 2nd and 4th Tuesdays of each month unless otherwise posted

COUNCIL ON AGING

The Council on Aging is committed to enhancing the lives of senior citizens, age 60 and older through services, programs and activities that educate, assist and advocate on behalf of the elderly.

The Council on Aging remains focused on the goal of meeting the needs of Granby's senior citizens and continues to join with various local agencies to provide information and referrals to Granby's growing senior population.

The Council on Aging continues to enhance the town budget with additional funding from the Formula Grant.

Identifying and meeting the health needs of Granby's elder community continues to be a priority. On site foot care and twice monthly blood pressure screenings conducted by the Granby Fire Department EMS and monthly hearing clinics are ways of completing this. Tai Chi, Healthy Bones and Balance (formally Osteoporosis exercise) and Ballroom Dance classes are provided through the Council on Aging weekly. Bone density screenings provided by Health New England and talks on healthy eating from WestMass ElderCare were also offered this year.

Meeting the nutritional needs of Granby’s senior community is accomplished through the daily Senior Lunch Program and the monthly Brown Bag Program. The Food Pantry at the Senior Center is sustained solely on the generosity of donations. The Food Pantry provides much needed support to over 43 seniors and families living in Granby, plus weekly donations of bread are available to all those who visit the Senior Center. During the summer the Senior Center delivers bags of fresh produce to seniors’ compliments of WestMass ElderCare. The Turkey Basket Program provides a complete Thanksgiving meal to residents and they are delivered the week of Thanksgiving along with baskets donated by the Granby PM Club. These are made possible by collaboration with local businesses, residents and donations made to the COA throughout the year. During the Christmas holiday season, complete ham dinners are delivered to households, again thanks to support from the community.

Recognizing the need for a strong social network the Council on Aging has weekly card games, watercolor paint & coloring classes, stamp club, a quilting group, a veteran’s group, an introduction to social media class, as well as monthly movies. The Center also hosted a question and answer legal forum presented by the Hampden County Bar Association as well as tours of local assisted living facilities. There is a monthly lunch trip away from the Senior Center that allows for those who are usually homebound to get out and enjoy themselves.

One of the most valuable services that the Senior Center has to offer the senior population of Granby is its transportation program. Unlike many surrounding town’s senior centers, we have the ability to travel out of town for appointments. This greatly increases medical and shopping opportunities to our residents. We are also fortunate enough to be able to offer our seniors an exact pick up time instead of a 2 hour window. We are able to offer this helpful option because we operate the program using our own vehicles. In April, we received the new Ford Transit Connect Van. It was an instant hit for all those who utilize our transportation program.

Collaborating with other Town departments continues to be an asset to the Center. The annual police/senior picnic, brought to us by the SALT council is always successful and allows for advertisement of the house numbering program and drug take back program that the council and police department offer.

The Senior Center offered a continental Veteran’s appreciation breakfast on November 10th this year to honor all those who have served our country. Breakfast was followed by a presentation from the Friends of Granby’s Veterans on the memorial they are in the process of completing. This successful event drew a crowd of over 60 to the Center.

The Outreach Program is available to all residents of Granby. Whether a resident needs referrals for themselves or a family member is seeking help with federal and state benefit applications, the Outreach Program can help. The Senior Center is also fortunate to have a S.H.I.N.E (Serving the Health Insurance Needs of Everyone) volunteer. Our volunteers are trained and certified by the Executive Office of Elder Affairs and both are knowledgeable in many health insurance plans, including Medicare Part A, Part B, and Part D; Medigap insurance, Medicare HMOs, retiree insurance plans, prescription drug programs, Medicaid, Medicare assistance programs and other programs for people with limited resources. Our volunteers

are able to make home visits and provide phone consults to Granby residents any time during the year. This is especially helpful during the Medicare Open Enrollment period each year.

The Center is now fortunate to be able to loan out medical equipment (walkers, commodes, tub chairs etc.) to those in need. This program benefits those who only need the equipment temporarily. Buying these items out right can be costly.

The Friends of Granby’s Elderly, Inc. continue to provide social events such as the Ice Cream Social, the Summer Picnic, and bus trips to Tanglewood. They also provide the Senior Center with monthly cakes to celebrate the birthdays of those attending the Senior Lunch Program.

The monthly newsletter, “The Granby Senior News”, is mailed to over 850 households and emailed to an additional 150 residents. The Newsletter informs residents of the daily lunches and the diverse activities that the Center is offering.

The Council on Aging Executive Board of Directors, comprised of 12 dedicated volunteers, lends support to the Council on Aging staff. The Council on Aging Board members are:

- Donna Kmelius-Chair*
- Beth Isabelle-Vice-Chair*
- Robert Camus-Vice Chair*
- Lillian Camus-Secretary*
- Cynthia Custeau*
- Barbara Hauschild*
- Bill Kmelius*
- Cecilia LaPorte*
- Joyce Polverini*
- Lynn Trompke*
- Gail Roy*
- Carol Zebrowski*

The volunteers of the Council on Aging continue to be our most valuable asset. This dedicated group can be found helping in the kitchen, assembling newsletters or putting together the Brown Bags. In total they donated over 2,926 hours of free time to the Granby Senior Center in 2016.

The hardworking staff at the Council on Aging remains dedicated in their mission to provide excellent service to the senior population. They are as follows:

- Jessica Langlois, Senior Services Director*
- Kimberly Myers, Activities Coordinator/Nutrition Site Coordinator*
- Deborah Legrand-Wellman, Outreach Worker*
- Robin Oey, Receptionist*
- Drivers: Ralph Blanchard, Richard Gaj, Gerry Gennari*

The Council on Aging provides many essential services to Granby residents. Each and every contact is registered as a unit of service and recorded for state and local funding purposes. Listed below is a sample of the key services.

PROGRAMS	UNITS OF SERVICE
Transportation (Lunch/Medical/Exercise/Misc.)	1,001

Health & Wellbeing Clinics (Foot Care/Blood Pressure/Hearing Programs & Activities (Educational/Exercise Classes/Trips/ Weekly Activities)	303
Outreach Program	3,930

Non-Senior:	12
Social Gatherings (Celebrations/Dining Out/Movies)	912
Meals Served	4230
Home Delivered Meals	8382
Food Pantry Visits	249
Food Delivery Programs (Brown Bag, Turkey Baskets, Produce Bags, Farmer's Market, Christmas Ham)	433
Phone Calls	4396
SHINE	76

Respectfully Submitted,
Jessica Langlois, Senior Services Director

COUNTY COUNCILOR

The Hampshire Council of Governments (HCOG) is comprised of 15 Hampshire County towns. As a member town, Granby pays annual dues of \$2,317.80. HCOG is funded primarily through fee-for-service programs, not taxes nor grants. The mission of HCOG is to offer member towns programs and services that combine the best practices of government and the private sector in support of municipalities, non-profits, and businesses. To accomplish our mission, HCOG focuses on providing programs and services that improve life in Hampshire County by providing our member towns and their residents' economies of scale typically available only to larger cities.

In FY 2016, Hampshire Council of Governments generated \$8,678,235 in revenue. Revenue is generated from rental of the Northampton courthouse; Administrative fees and accounting services; the purchasing cooperative; and, electricity and solar services. In addition, HCOG generated \$386,133 in grants. Hampshire Power accounted for \$7,852,864 in revenue; 90% of total revenue.

Hampshire Power is HCOG's most important source of revenue. Hampshire Power provides fixed rate electricity supply to municipalities, non-profits and businesses; and is the only non-profit energy supplier in Massachusetts. By far the largest portion of Hampshire Power's revenue comes from Community Choice Aggregations, where a town chooses Hampshire Power as the electricity provider for all residents and businesses for a specific period of time. Hampshire Power currently has 17 towns and cities under Community Choice Aggregation contracts, representing over 90,000 metered entities. Customers can monitor their usage online through MeterGenius, a technology partner.

Hampshire Solar is a partnership between HCOG and Nexamp. Through Nexamp's community solar program, town residents and businesses can sign-up for net metering credits, which saves the subscriber 15% of the energy cost portion of their electricity bill. Granby residents and businesses can unsubscribe at any time and there is no cost to subscribe.

HCOG also brokers Solar Renewable Energy Credits (SRECs). In Massachusetts, SREC's were created as an economic incentive to adopt solar. Each installation generates SRECs for a period of 10 years from the date the solar array went online. SREC value is determined by supply and demand. For each 1,000kWh of electricity generated from a solar array, 1 SREC is created. SREC's are purchased by electric utilities and suppliers to meet Renewable Portfolio Standards. SREC's are a key component of solar ownership financial return. Most solar owners do not generate the volume of SREC's nor have the contacts to sell their own credits. HCOG bundles SRECs of multiple solar array owners and sells them on both the quarterly and annual SREC market for the maximum amount possible. HCOG's fee-for-service is 5% of the revenue generated. 95% of an owners SREC revenue is returned to him or her. In FY 2016, HCOG brokered 4,215 SREC credits for 782 customers valued at \$1.4 million.

For the past 35 years, Hampshire Purchasing Cooperative has provided the economies of scale necessary for local communities to save on their purchases of goods and services. In FY 2016 the HCOG Purchasing Cooperative purchased over \$9.5 million worth of goods and services, saving it's member towns \$791,000. The Granby Public School system saved \$13,077.25 using the Hampshire Purchasing Cooperative in FY 2016; 5.6 times our annual membership dues. We are exploring the participation of the Granby Highway Department in using the Hampshire Purchasing Cooperative for Highway bids in light of the new state regulations regarding competitive bids.

The Hampshire County Courthouse is owned by the inhabitants of Hampshire County and managed by HCOG. In FY 2016 we generated \$138,933 in rental income for use as a municipal court and law library. HCOG offices are also located in the building. The building is in need of restoration. After completion of an architectural assessment of the building, the Commonwealth awarded HCOG a \$5 million grant for total restoration. To date, \$500,000 has been provided by the state. This money was spent on restoration of the outside steps and portico roof, which were safety hazards.

Other fee-for-services include Hampshire Web and IT, provided in partnership with Paragus IT of Hadley. HCOG also offers a Regional Accounting Program.

HCOG operates the Hampshire-Franklin Tobacco Free Community Partnership, which is funded by the Massachusetts Cessation and Prevention program of the Mass Department of Health.

Our RSVP program links volunteers age 55+ with opportunities to serve in our local communities. RSVP works with more than 650 volunteers and 50 agencies through Western Massachusetts.

The Hampshire County Group Insurance Trust (HCGIT) is a self-insured joint purchase Trust that provides medical insurance to 69 municipal groups in Hampshire, Franklin, Hampden, and Worcester counties. HCGIT currently covers 11,000 active employees, dependents, and retirees. In terms of membership, it is the second largest joint purchase Trust in the Commonwealth. Compared to the state plan rates offered through the Group Insurance Commission (GIC), the Hampshire Insurance Trust offers significantly better benefits at lower rates. In FY 2016, the HCGIT plan saved subscribers \$7.5 million compared to the state

GIC plan. The HCGIT joint purchase insurance Trust allows members to pool their buying power, reducing cost of risk and administration while providing professional management and additional services. Like all insurance plans, the Insurance Trust is under pressure from escalating health costs, especially prescriptions and new treatments. The Hampshire County Group Insurance Trust is not part of HCOG's operating budget.

The Hampshire County Group Insurance Trust had a cash balance of \$7,742,651.91 as of December 2016. The value of the investments portfolio is \$8,585,423.03. CD's have a balance of \$9,487,698.45.

FY 2016 was a successful year for HCOG and FY2017 looks just as promising. Hampshire Council of Governments represents a hybrid model of government, relying almost exclusively on a fee-for-service model to fund its' programs and services. Visit the Hampshire Council of Governments website for more information <http://www.hampshirerecog.org/>

Respectfully submitted,
Joseph Furnia, Granby Councilor

DOG OFFICER

The dog officer received 147 calls this year. 14 unrestrained dogs were picked up. 12 of those were returned to their owners. 2 dogs were unclaimed and were found new homes by a rescue organization.

Residents are encouraged to keep their dogs licenses and identifications on their collars. I also urge owners to microchip their dogs as additional measure to ensure a quick and safe return home in the event they become separated from their owners. Residents are reminded that all dogs must be licensed by April 30, 2017.

Respectfully Submitted,
Gordon A. Landry, Granby Dog Officer

FIRE/AMBULANCE DEPARTMENT

It is the mission of the Granby Fire Department to providing for the safety and welfare of the public through the preservation of life and property. We serve the community with response and mitigation of fire and medical emergencies, natural disasters, hazardous material incidents, public education and other activities by providing prompt, professional service.

The Granby Fire Department is a combination career/paid on-call department consisting of a full time fire chief and four (4) full time firefighter/Emergency Medical Technicians (EMTs), two (2) of which are on duty from 6:00 am until 6:00 pm along with 33 on-call firefighters and EMTs. The on-call firefighters respond to all fire calls, regardless of the hour or day. The on-call EMTs cover the evening ambulance shifts from 6:00 p.m. to 6:00 a.m.

In February of 2016, Fire Chief Russell Anderson informed the Town that he would be accepting the position of Fire Chief for the Town of Southwick. Since that time, the Granby Fire Department has been operating under an Acting Fire Chief while awaiting the selection and appointment of a permanent replacement. As of the writing of this report, we are excited to learn that the Board of Selectman will be interviewing three

candidates, and anxiously await the time where we can begin working with our next Chief.

In September of 2016, the fire department took delivery of its new ambulance. The department wishes to thank the residents of the community for their overwhelming support of the purchase of the vehicle. This new, state of the art ambulance will serve the community for several years to come.

The fire department received several grants during 2016. We received nearly \$7,000 in grants to fund education programs for Student Awareness of Fire Education (S.A.F.E.) and Senior S.A.F.E. A grant through the Department of Fire Services funded the purchase and installation of a new commercial washing machine and dryer for cleaning contaminated fire gear and clothing. Over \$40,000 was received for the purchase of a state of the art cardiac monitor which was installed on the new ambulance. Lastly, a grant was received providing matching funds towards the purchase of a floating fire pump.

2016 was another busy year for the ambulance department with increased emphasis on public education throughout the town. Lieutenant Pandora performed opioid awareness training to all students in Grades 8-12. The department participated in 19 blood pressure clinics with the Council on Aging providing blood pressure monitoring for nearly 200 senior citizens. In November, 20 members of the school staff received CPR training. To further enhance the quality of our EMS services, we have engaged an outside company to perform monthly quality control of all ambulance responses and patient care. I'm happy to report that we continue to receive feedback that our EMT's are providing excellent service and high quality care.

Training is conducted on the first and third Monday of each month. In addition to the in-house training, firefighters attend a variety of specialized fire and EMS trainings and many have obtained nationally recognized certifications. The department would like to recognize firefighters Gagne, Lempke, and Masse for completing additional firefighter training through the Hampshire County Fire Defense Association. Lieutenant Stefanowicz completed training and certification as a Live Fire and Flashover Instructor. Lieutenant Yvon completed Incident Safety Officer training. Captain Randall completed Chief Officer III training and is now Pro Board certified to the level of Fire Officer III.

The fire department continues to experience challenges with maintaining a deep roster of active firefighters and EMTs. Being an on-call firefighter or EMT requires hundreds of hours of training, while also competing with career, family, and other organizations for time. During 2016, we were fortunate to maintain our roster by recruiting new members, however the demands of work and family often leaves us under-staffed and relying on mutual aid response from neighboring communities. To anyone considering becoming a firefighter or EMT, please stop at the Public Safety Complex to learn more about the opportunities within the fire department.

During 2016, the call volume remained consistent with prior years. We continue to experience 66% of all fire and EMS related emergencies between the hours of 6:00 am — 6:00 pm.

The Fire Department reminds all residents to inspect and test their smoke and carbon monoxide detectors on a regular

basis and replace batteries every six months. Smoke detectors should be replaced every ten years; carbon monoxide detectors should be replaced every five to seven years, depending on the manufacturer. Please contact the fire department with any questions regarding the placement or operation of smoke and carbon monoxide detectors.

In closing, I would like to recognize the retirement of firefighter Raymond Sawyer and thank him for his 34 years of dedicated service to the Granby Fire Department. The contributions of the Sawyer family are greatly appreciated.

Respectfully submitted, Captain George Randall IV
Fire and Ambulance personnel responded to the following calls:

Fire, Rescue, and Related Calls

Motor vehicle crash:	6
Carbon monoxide alarms:	22
Fire/smoke alarms	70
Fires in a structure	8
Brush fires	9

Motor vehicle fires	4
Mutual aid	2
All other calls for service	83

Total Fire calls 204

Emergency Medical Calls

Fire Department Standby	47
No Transport	229
Basic Life Support	74
Advance Life Support	324

Total EMS Calls: 674

In addition to calls for emergency services, the fire department provides fire prevention inspections and permitting. In 2016, the following inspections were performed by fire department personnel:

Above ground storage (LPG)	27
Certificate of compliance	89
Oil burner inspections	42
Oil tank inspection	7
Tank truck inspections	13
Seasonal Burning Permit	123
Smoke detector installation	4
CO detector installation	8
Residential plan approval	18
Underground storage	3

GRANBY 250TH CELEBRATION **COMMITTEE**

Granby's 250th Celebration event is coming very quickly. The committee has been busy organizing events for the year that would last for a year before the ending of celebration on June 10th 2018.

We are trying to raise money to fund this event. We had created t-shirts to sell, car stickers and we will create a collectable coin. We have a Miss Granby contest with a dinner

and a Granby ball with music and entertainment, barn quilting tour, an autumn event, a winter festival and hoping for more.

The celebration ends with a great display of floats and music at our 250th town parade.

We also have George Randall creating a historic book of our town.

This committee was created to celebrate a great historic mile stone for our town. It will be 250 years since we have receive a sign charter from the Commonwealth of Massachusetts. We are organizing a parade to honor this occasion.

We are looking for anyone who would like to offer any time to help organize or any ideas for the parade or just want to help the day of the parade. We want to plan different events throughout the year to commemorate

We have sent out a letter to the community for request of assistance in many different areas and to make aware of the event. We also place information on social media. We will be trying to create events/fundraisers to help raise funds for the parade.

GRANBY CHARTER DAYS COMMITTEE

Granby Charter Days – June 10 -12, 2016

Granby Charter Days is an annual town event held to celebrate the signing of our town charter. It is not a Charter Days Committee event. A committee is appointed by our Board of Selectmen to plan and organize events for the 3-day weekend in June. Ideally the committee should consist of **9–10** sworn-in Board members who meet monthly from September to June leading up to the event on the second full weekend of the month.

Also needed are associate members and numerous volunteers willing to give a few hours of their time that weekend to help with the set-up and where needed, especially for parking vehicles. Currently there are only **4** committee members who will create, organize, and work at one of the largest events in our town. We have 2 associate members who will work the entire weekend as well. This is **not** enough. This committee organizes all the entertainment from the bands to the exhibits, is responsible for the publicity, putting up signs throughout town, roping off the area, lining the parking lots along with numerous other tasks, including vendor details and conflict resolutions prior to and during the event to ensure a safe environment and as smooth an operation as possible during the 3-day event. Trash clean-up at the food vendors' area and the rest of the park is done each day before, during, and after the event. The list goes on and four people cannot be everywhere at once; nor continue to manage this function alone. Some of us use our vacation or personal time from our workplace every year for this event. We need more people and new ideas to help organize our town event. Without it, Granby Charter Days will go the way of the dinosaurs and cease to take place.

Charter Days 2016 was almost cancelled due to a lack of volunteers. Fortunately, a few families finally stepped up to assist us and thus many visitors were on hand Friday night to watch the truck pulls while the children enjoyed endless rides with the discounted purchase of the rides bracelet. Attendees had venues ranging from listening to numerous bands; vendors selling their wares; a great assortment of foods provided by AB Concessions; carnival rides and games; militia encampment; a petting zoo; an outdoor classroom on gators, turtles, and other reptiles; and special events each day. Saturday opened with a scrumptious pancake breakfast prepared by our very own GPD – a great way to start the day! The Granby Boy Scouts once again did a wonderful job of running the popular fishing derby. The oxen pull saw an increase in size and is always a fun event for those involved. Unfortunately, Mother Nature wasn't cooperative this year, and due to heavy downpours in the afternoon, we had to cancel our biggest event of the night – fireworks display. We contemplated doing them on Sunday evening but were informed the forecast of high winds would prohibit the launch of fireworks. In spite of the high winds which wreaked havoc with some vendor booths and cut short the helicopter rides, Sunday was a sunny day and people were able to enjoy the tractor pulls, display of antique tractors along with the usual activities of rides, music, and food. While that was the official end of Charter Days weekend, we still had to reschedule the fireworks display, which meant additional planning. September 16, 2016 was chosen in conjunction with Dinofest to create a true community gathering. There was music and food, ending the night with what we are told was the best display seen in a long time, in spite of getting a late start due to some technical difficulties with the set-up. It was a wonderful September evening to conclude the extension of Granby Charter Days 2016.

A shout out from a very tired committee – special thank you to all of our sponsors for their generosity, without your support, this town event could not happen. Thank you to all of our volunteers for all the hard work you have done to make this event function. We cannot be a success without you – THANK YOU!!

Thank you to our town officials and all town departments in assisting on another great year, because without your support this event would not be a victory every year. An endless thank you for the support from the Charter Day's committee members and their families, without the dedication of the members throughout the year and the weekend of this event, it would not be a success. Next year's event will be held on June 9 – 11, 2017.

Respectfully Submitted,
Richard Gaj Sr., Chairman
Micheline Turgeon, Co-Chairman
Linda Fish, Treasurer
Elizabeth Cebula, Secretary

GRANBY ENERGY COMMITTEE

The Energy Committee scheduled a Level I Energy Assessment of all the Granby owned buildings with National Grid at no cost to the Town. The actual Assessment was performed by Guardian which is a National Grid "Partner".

- a) The Committee reviewed the Guardian Assessment Report.
 - i) The Guardian Report's Data lacked substance.

- ii) The Guardian Report's Data was inaccurate.
- b) The Energy Committee contacted National Grid about the concerns with the Guardian Report.
- c) National Grid authorized another Level I Energy Assessment at no cost to the Town of Granby. Additional Level I Energy Assessments –
 - i) Company cancelled – Stated they had too much of a workload = No Report
 - ii) Energy Conservation, Inc. – Never completed Assessment = No Report

These type of Assessments are "Free" and arranged through National Grid thus you get what you pay for = Not much.

Conclusion - *Not an effective way to evaluate municipal buildings and plan energy strategies and/or improvements.*

Recommendation – *Granby Energy Committee recommended to the Town Administrator and the Board of Selectmen to schedule a Level II Energy Assessment and they agreed.*

(1) MA DOER authorized the use of existing Granby Green Community Funds as payment for the Level II Energy Assessment.

(2) MA DOER has provided list of their approved Level II Energy Auditors

(3) A Level II Energy Assessment has been scheduled for FY2017 and will be paid for with Granby's Green Community Grant Funds = No Cost to the Town's Taxpayers.

Jay Joyce - Chairperson,
Granby Energy Committee Members
Bill Shaheen,
Mark Vincelette,
Lenny Haflich,
Maria LaFleche.
Jeffery Skelskie

GRANBY HISTORICAL COMMISSION

Members: Cindy Gaspari, Meg Lacasse, Terry Lajoie

We still have two openings on the commission as our two highly qualified nomination submissions, with extensive historical experience given their career choices, were not appointed without explanation. It is very difficult to accomplish all the Commission is responsible for without a full membership to the commission. We would welcome any interested parties to send us a note if you would like to join us.

The Historical Commission has the same goals as every year prior; we would like to continue the Survey of historic buildings inventory identified by the Massachusetts Historical Commission study done in 2005. There are approximately another 75 buildings to be researched and documented for filing in the State building inventory. If the building owners of historic homes not yet surveyed would like to help with the research on the architecture and cultural history of their property, please contact us.

With the 250th anniversary year fast approaching, history of the Town is what the celebration is all about. We are still trying to assemble a series of maps from historic surveys to depict the settlement patterns around the town of Granby starting back prior to the Town's 1768 incorporation as a town. If there are

parties that would like to help fund or sponsor one of the map purchases, please contact us.

Respectfully submitted
Terry Lajoie, Chair GHC

GRANBY HISTORIC DISTRICT COMMISSION

The Granby Historic District Commission was reorganized August 4, 2016. The Commission presently consists of Robert Camus – Chairperson, Lori Meister – Vice Chairperson, Kathleen Morris, Dave Carmen, and Steve Nally, with Lisa Petraglia and William Johnson as alternate members. Lillian Camus – Recording Secretary

The purpose of the Historic District is to preserve and protect, within the district, the distinctive characteristics of the buildings, sites and areas in recognition of architectural significance to the history of the Town of Granby and to maintain and improve these settings.

The Commission reviewed past and current issues brought before the District. Action was taken on one application submitted within the District.

The Historic District Commission continued the review and updating of guidelines and processes within the District.

Historic District Commission meetings are the first Thursday of each month. The meetings are open to the public and involvement by town residents is welcomed and encouraged.

Respectfully Submitted,
Robert Camus, Chairman

GRANBY HOUSING AUTHORITY

The Granby Housing Authority, organized on June 4, 1970, owns and maintains 4 colonial style buildings located at Phins Hill Manor, which consist of 52 one bedroom units and 4 wheelchair accessible units for the elderly and handicapped. Also owned by the housing authority are 12 family units on Amherst Street, Hillside Heights of Granby. These consist of 6 duplex units housing 6 three bedroom units, 5 two bedroom units and also one 2 two bedroom handicap unit. Also maintained by the housing authority is a duplex home in South Hadley which consist of 2 two bedroom units.

The regular meeting of the Authority is held on the second Thursday of each month at 6:30 PM in the community room. The meetings are posted at the Town Clerks office and also at the authority.

The Authority's election of Officers was held at their annual meeting on July 2016. The officers were elected as follows: Chairman George Knight – Vice Chair – Michael Buckley – Treasurer – Cynthia Gaspari – Assistant Treasurer Joseph Furnia and member – James Sowell. The Executive Director, Nancy Brown is appointed as the Contract Officer.

Respectfully submitted,
George Knight, Chairman
Mike Buckley, Vice-Chairman
Cindy Gaspari, Treasurer
Joseph Furnia, Assistant Treasurer
James Sowell, Member
Nancy Brown, Executive Director

HIGHWAY DEPARTMENT

Unlike last year, this year we started the year with a relatively mild winter. We were out plowing and sanding less than 20 times last year. This is well below average and significantly below the previous winter season. Due to the low number of winter storms we had to deal with, our department was able to perform tree work and roadside mowing throughout much of the winter season.

The lack of snow also enabled us to catch up on long overdue maintenance projects such as painting trucks and sanders. We replaced many rotted structural members on the all season body on T-9. We also repaired and put back into service an old sander body mounting it on one of our 550 Fords. This is a smaller truck with four-wheel drive giving us new capabilities to negotiate hills in ice storms and the maneuverability to work around cars stuck on the hills.

As required under our Storm Phase 2 discharge permit with the EPA, we have cleaned over 400 catch basins this year. We were able to erase the back log and our cleaning schedule is now up to date.

Our Department had a very busy construction season this year. First we reconstructed Green Meadow Lane. Approximately 2220 feet of roadway was reclaimed, regraded, and repaved. Next we reclaimed the parking lot at the Council of Aging /Town Hall. This project involved regrading and repaving. Once these projects were finished, we placed asphalt levelling shim coats on Ferry Hill Road and South Street between Ferry Hill Road and East Street. The levelling was done in order to prepare for the Hot in place asphalt recycling process. The Hot in place was then followed by a new Rubber chip seal. The Hot In place and rubber chip process was performed on 8900' of road.

After these projects, the Highway Department then started working on the first 4700' of Harris Street. Harris Street was reclaimed, regraded and repaved with a 2 inch asphaltic concrete wearing surface. We also removed ledge to improve grades and sight distance in several areas.

In addition to the above larger projects, the Department also worked on many smaller projects. We paved a small deteriorated section on Aldrich Street between Mill Lane and Amherst Street. We repaired catch basins on East Street, Smith Ave and Batchelor Streets.

We also worked on repairs to the generator at the West Street Cemetery pump station. Mice nested inside the generator head and shorted out the windings in the generator. We had to completely disassemble the generator and send it out to be rewound. A significant amount of the labor was done in-house in order to reduce the total cost by reducing the number of hours required by contracted generator repair technicians. The generator service technicians cost \$140/hr. Our crews performed a lot of the work at a fraction of this cost. We reassembled the entire unit and only brought the generator tech back to perform initial startup and testing. Contrary to widespread public opinion and perceptions, it is not always cheaper to out-source work. Some work can be done much more cost effectively and efficiently in-house.

As mentioned in last year's annual report, the amount of "chapter 90 money" (State aid for local road reconstruction projects) was expected to be cut by one third from last year. This

in fact did happen due to budget constraints at the State level. We discuss this problem every year. The pavement conditions of our local roads continue to degrade due to insufficient funding of road maintenance. This reduction in state aid money is quite discouraging because we rely on this as our primary funding source to perform the majority of the pavement reconstruction projects.

Our computerized pavement management system and data from surveys of other cities and towns indicate that funding of 2 to 3 times the current "Chapter 90 Program" amount is needed every year to keep the roads at a level Pavement Condition Index. Funding at present levels does not allow us to repair the roads at the same pace at which they are aging and falling apart. It is altogether too easy politically to cut this area in the budget because the results are not realized until quite some time in the future. Eventually, we will all pay the price for this short sightedness because it is a well-documented fact that deferring preventative maintenance on the roads shortens their life expectancy and results in significantly increased overall maintenance costs in the future.

The Highway Department continues to perform our normal routine maintenance duties. These include road patching and maintenance, roadside mowing and tree trimming, lawn mowing at the parks and schools, catch basin cleaning and inspections, storm drain and sanitary sewer maintenance, street sweeping, vehicle repairs and general maintenance.

This past year, our Department responded to over 200 complaints by residents. These include anything from trash dumped on the roadsides, tree removals, to pothole complaints. Thanks to our dedicated employees, we were able to respond to these and complete all of the other projects mentioned above.

As always, we continually strive to do as much as possible with the resources that are available. These limitations often prohibit us from being able to respond to non-critical items as promptly as everyone would desire. Therefore, we once again ask for your patience and understanding on these matters.

Respectfully Submitted,

David Desrosiers, P.E., Highway Superintendent

LIBRARY TRUSTEES

Library Hours:

Tuesday, Wednesday, and Friday from 10:30 a.m. to 5:30 p.m.

Thursday from 1:00 p.m. to 8:00 p.m.

Saturday from 10:30 a.m. to 1:30 p.m.

Director: Jennifer Crosby Grant

Youth Services Librarian: Janice McArdle

Cataloger/Circulation Assistant: Jeanne Crosby

Website: <http://www.granbylibrary.com>

The Granby Free Public Library is chartered to serve the educational, recreational, cultural and informational needs of the townspeople. These needs are addressed by acquiring current bestselling materials, popular reading, periodicals, audiobooks, CDs, DVDs, videogames, kits, etc. Total holdings are 39,656. The Library is open five days a week for a total of thirty-one hours weekly.

The Library is a circulating member of Central/Western Massachusetts Automated Resource Sharing, Inc. (C/WMARS),

a library consortium dedicated to efficient resource sharing and rapid access to information. Through seventeen public access computers, patrons can search for materials in the library using an online catalog. The C/WMARS catalog is available online through <http://bark.cwmars.org>. For those hard-to-find titles not available from C/WMARS, patrons can search the new Massachusetts Commonwealth Catalog at <https://commonwealthcatalog.org>. The C/WMARS Digital Catalog is available for users to download eBooks, audiobooks, and videos to their media devices such as iPods, Nooks, Kindles, PC, tablets, E-Readers, smartphones, and more online at <http://digitalcatalog.cwmars.org>. The Library is also part of the new Commonwealth eBook Collections program which has been developed to improve access and resource sharing options for eBooks and audiobooks in Massachusetts. This provides patrons with access to more electronic content through Axis 360 and Biblioboard.

The Library offers free wireless internet access to all patrons throughout the building. This allows patrons to use their own internet ready devices in the library. Patrons may also access Ancestry Library and HeritageQuest Online through the library's public access computers. This is a paid subscription service that allows full access to both genealogy databases to patrons free of charge. The Library also has a subscription to the Daily Hampshire Gazette newspaper.

A new music CD collection was started late in 2016 with the addition of an extra row of shelving in the Library's Great Hall to support growing media needs of the community. The Library's website was redesigned for easier access to information and more user-friendly elements. The Library is also advancing its reach to the community through social media by maintaining a Twitter account along with the Friends of the Granby Library's Facebook page and Friends email listing.

The Library offers black and white photocopying at twenty cents per copy. Students with homework assignments are allowed to make up to five photocopies free of charge. Printouts can also be made from computer workstations at a cost of twenty cents per black and white copy and fifty cents per color copy.

The Library continued to offer an array of adult programming throughout the year including a monthly Book Group, weekly Scrabble group, and two "In-Stitches" knitting groups for knitters of all ages. Throughout the year the knitting groups hosted a series of "plarning" workshops in which they used recycled plastic bags to crochet sleeping mats for local homeless. Other programs included a yarn swap and Holiday Knit and Basket Sale. The Library hosts "Quilters Retreat Days" and the "Round Robin Quilt Group" monthly. In March, the Library, along with the quilting group, hosted a Quilt Exhibit which displayed gorgeous quilts for a two week period in the Community Room of the Library, attracting visitors from all over Western Mass.

Through the month of April, the Library hosted Mark Chester's well-received photography display entitled, "The Baystate: A Multicultural Landscape." In the past year, the Library also offered yoga classes by Laurie Cameron, a pastel workshop with Greg Maichack, Organic Gardening and Edible Plants workshops by John Root, as well as an author talk by local author Tommy Shea, author of "Dingers: The 101 Most Memorable Home Runs in Baseball History."

The Library made great use of its community space by also hosting a Holiday Items Tag Sale, Book and Bake Sale in April as well as a new week-long Book Sale in September. During the month of April, the library hosted multiple movie nights showing PBS documentary, "Frontline: Being Mortal." The Library also hosted two popular "Death Café" evenings to explore death and dying. The Library hosted a successful outdoor Plant Sale for the first time on library grounds in May.

An Adult Summer Reading Program is held each summer which provides incentives for adults to boost their reading in the summer months. During the summer months, a series of yoga classes were hosted by Heidi MacEwan from Total Body Yoga & Pilates Fitness Studio, an acoustic night of music was presented by Bruce Mandel, and the Adult Summer Reading Program was wrapped up with a night of bingo.

In the fall months, the School for Psychic Studies of Indian Orchard hosted a wildly popular series of programs including "An Interactive Look at the Tarot," "Introduction to Psychic Skills," and "Moved by Spirit." Other fall programs included Seed Saving presented by Moonlight Turtle Lodge and Sugar Blues by health coach Natalie Leveault. Many of the Library's events are made possible by the Friends of the Granby Library, Local Cultural Council support, and by the dedication and talents of many local patrons and volunteers.

The Granby Free Public Library has meeting space available for use by any local non-profit group or organization by reservation. The Local History Room seats up to six people while the Conference Room seats up to fourteen comfortably. Both rooms can be reserved during open library hours when not in use by Library groups. The Community Room accommodates up to sixty people and can be accessed during and after library hours per the Library's policy. There are links to the library's Community Room and Meeting Room Use Policies and Reservation Applications on the website. The Library's meeting room spaces were used over fifty times in 2016.

A wide array of children's programs including Preschool Storytimes, Playgroups, Lego Construction Days, Doodle and Bead Art and Winter Bingo were very popular in the winter and spring. In February two new 4H groups began meeting at the library biweekly. School vacation weeks were full of fun activities for all ages including a puppet show, "Fairies of the Seasons" (Talking Hands Theatre) funded by the Collaborative for Education. An American Girl Tea Party, a yearly favorite, was also held in February.

In May, the library dedicated their Dinosaur Track Case filled with fossils and dinosaur tracks that were generously donated by Kornell Nash. The case is located in the Children's Room and contains excellent examples of fossil and dinosaur tracks found in Granby along with descriptions of dinosaurs that created the tracks. Jack Marcy, Connecticut Valley Mineral Club President, presented Coin and Stamp Collecting meetings and monthly Rock and Mineral Club meetings throughout the summer. The Connecticut Valley Mineral Club also contributed to the Dinosaur Track Case and presented the library with a rock and mineral collection titled "Significant Rocks and Minerals from Massachusetts."

Summer activities had the goal of promoting reading to help students of all ages maintain reading skills while on break from school. This year 610 youth took part and 74 tweens and teens

participated in the teen portion of the program. The Friends of the Granby Library and the Massachusetts Library System sponsored the Library's Summer Reading Program, providing funding for great incentive prizes and programming. The Granby Local Cultural Council provided funds for "The Reading Olympics" with Jungle Jim. Weekly activities included story and craft times, Storywalks, Lego building, Kid's Yoga, Art Days, and Bingo. A Stuffed Animal Sleepover Party was held. Teens photographed the stuffed critters during their sleepover. A roller skating party and finale added to the fun.

While working with the Collaborative for Educational Services, funded by the Massachusetts Department of Early Education and Care, the library received grant money for a well-attended visit from the Forest Park Zoo on the Go, a series of early childhood music and movement classes, a collection of parenting books and educational early childhood toys and puzzles for the library Program Room. A hugely successful Collaborative-run Playgroup was held every Wednesday and Friday (as of March, twice-weekly groups) throughout the whole year. During Playgroup, children played, engaged in early literacy activities, shared a snack and had fun with stories and songs at circle time. The Collaborative for Education also presented several parenting workshops and a Parent Support Group.

The Library continued its collaboration with all three Granby Public Schools, MacDuffie School and Granby Preschools and embarked on a Senior Reach-Out Readers program. Senior volunteers brought library storytimes to Granby Preschool locations; weekly at West Street School and bi-weekly at Alphabet Soup.

Teen programs this year included weekly Teen Knitting on Saturday mornings, Teen Zentangle, a Pizza Party with a Kirkus Book Reviewer, creating ornaments and more. A Granby Jr./Sr. High School bus has a stop at the library after school. Library teens have a Granby Library Teen Page on Facebook. A new monthly Bookworms Book Group for youth ages 8 -12 years began. The group reads, discusses and does book based crafts. Youth came in costume for a popular Halloween version of Bingo. The yearly Gingerbread House Making workshop was held in the Community Room so more children could attend. A Polar Express Movie Pajama Party in December ended the year on a festive note.

The Library continued to enhance its space with items purchased from the library wish list, a list of items that were unfortunately cut from the Library's construction project in order to keep the cost of the entire project manageable, using the Green Library Incentive awarded from the Massachusetts Board of Library Commissioners for reaching LEED Certified status in 2015. This year the Library has added child height tables and chairs as well as a child height, six-person computer table with custom chairs and three additional patron access computers for the Children's Room. The Library purchased media shelving, folding tables for the Community Room, hanging hardware for artwork and quilts, book trucks, a monitor and laptop for the Conference Room, display signage, a magazine display, and reading garden items. The Granby Free Public Library now truly serves as a community center that is visited daily by 75 to 150 patrons to satisfy their educational, recreational, and informational needs.

The Trustees and Friends of the Library realize that libraries are never finished and count on the generosity and support of the community to continue the library's success. The Friends of the Granby Library continue efforts to raise money to provide for growing technology, furnishing, and program needs in order to provide the library's patrons with services that unite and foster a sense of community. The Library Trustees would like to thank the Friends of the Library and the Granby Community Partnership Council for their continued support. In addition, the Trustees would like to give special thanks to the staff and volunteers. It is their loyalty and dedication that make it all possible.

During the past year, the library has returned to the town \$630.33 in fines collected.

MT. HOLYOKE RANGE ADVISORY COMMITTEE

The mission of the Mount Holyoke Range Advisory Committee (MHRAC) is *"to evaluate the Mount Holyoke Range issues and to inform and advise the member towns and the MA Division of Conservation and Recreation (DCR) regarding issues and concerns at the Park"*. The aforementioned member towns are Amherst, Belchertown, Hadley, South Hadley and Granby, each having land that abuts or is within the Mount Holyoke Range.

The committee's history began in the late 1960's when, in 1966, a federal law was passed instructing the U.S. Dept. of the Interior to investigate the feasibility of a Connecticut River National Recreation Area. In 1968, the U.S. Dept. of the Interior, consistent with the 1966 mandate, proposed the Connecticut River National Recreation Area which included a Mt. Holyoke Unit comprising some 12,000 acres...85% of which

was private land.* Public opposition to the National Park Service (NPS) proposal grew and thus, in 1970, the MHRAC was formed to review the federal proposal. It was chaired by (then) State Senator John Olver of Amherst.

Currently, DCR is an agency under the cabinet level agency of the MA Executive Office of Energy and Environmental Affairs (EOEEA). DCR's commissioner is Leo Roy; EOEEA's secretary is Matthew Beaton. The MHRAC represents five of the communities within the designated Mt. Holyoke Complex, located in the Mountain District, Western Region.

Today, there are new issues with which our communities need to be made aware. Funding for our state parks comes from two different accounts. One account (reduced in 2016) funds state parks and recreation facilities; the other allows the DCR to retain a certain amount (increased in 2016) collected through parking and access fees. More recently, parking has become an issue for the Range. Accessibility to trails, some leading to the Summit House atop Mt. Holyoke need environmental, as well as physical, social and financial concerns to be considered before any parking area is finalized and these take time. The other issue has to do with the lack of adequate numbers of park personnel to supervise and care for the vast area of trails as well as the physical structures at the Summit House and the Notch Visitors' Center. There may be times when, due to lack of personnel, the park may have to be closed. Add to that the concerns for the wildlife and the endangered species that are often at risk due to, in some cases, a lack of understanding or education in those matters; in others, the lack of respect for rules, put there to protect the area.

Cherish our mountain range, its history, its geology, its wildlife and its overall beauty. You are encouraged to become a part of the MHRAC by submitting your name to the Granby Selectboard. The term of office is an appointment for one year. Meetings are held on the third Thursday for the months of Mar. - June and again from Sept. - Nov. at the Notch Visitors' Center on Route 116, Amherst, at 6:30 p.m.

PARKS OVERSIGHT AD-HOC COMMITTEE

In the past year, the Parks Oversight Ad Hoc Committee has accomplished many goals within Dufresne Park utilizing up-to-date- park management practices and the many talents of the park committee members. Much needed support was provided by the Board of Selectmen and other Town Departments.

The park was active for the year 2016. In addition to hosting the annual Charter Day event in June, and rain date of September 17, there were 7 rentals for the small pavilions and 13 rentals for the large pavilion, along with 5 rentals for the horse rings, 2 Friends of the Elderly Free Concerts, 2 trail rides and the use of the ballfields for various youth and adult sport leagues, for the period of April 2, 2016 through November 6, 2016.

During the year the Committee continued updating the electricity projects and putting electrical lines underground.

For year 2016, we would like to submit the following fiscal report.

Balance Forward January 1, 2016		27265.53
Revenue:		14869.00
Park Deposits		4307.00
Expenses:		
Returned Deposits	5636.00	
Electricity	1197.34	
Capital Project-Electricity	5542.52	
Electric Repairs	29.76	
Plumbing Repairs	9.60	
Waste Removal	445.00	
Building Repairs/Maintenance	57.75	
Payroll	1153.04	
Water Testing/Permit	1006.09	
Ski Trip-Softball	3646.00	
Supplies	141.47	
Ending Balance December 31, 2016		27576.96

PERSONNEL BOARD

This year we received the products our consultant delivered to us. The consultant created new job descriptions by meeting with the employees and tentatively rating each job. Once we received the descriptions, we met with the department heads to review them for accuracy. That task has been accomplished.

We also received the results of a survey of salaries for employees in towns in our region. This allowed us to compare the salaries of our employees to those in the other towns.

We also received his proposal for a new classification pay scale based on his survey and his system for doing it. Our discussion led us to believe that his plan was both complicated and currently premature. Thus, as we are writing this report we are discussing possible changes to our current system.

Respectfully Submitted,
Albert H. Bail, Chairperson
Richard Beaulieu, Member
Bryan Hauschild, Member
Charlotte Mugnier, Member
Wayne Wilson, Member
Martin Merrill, (deceased)
Denis LaFleur, Associate
Christopher Martin, Ex officio

PLANNING BOARD

Following is the Planning Board's submission for the 2016 Annual Town Report.

The Granby Planning Board's ordinary business of the year included 21 meetings, signed 8 ANRs, held 10 public hearings which included 1 Special Permit and 5 Site Plan Reviews.

The Planning Board conducted a Master Plan/Land Use Public Forum to ensure the Town residents have a voice in the future planning of the Town.

The Planning Board has also worked extensively in efforts towards site plan approval for the entire East Meadow School.

Respectfully Submitted,
Glen Sexton, Chair
James Trompke, Vice Chair
Robert Sheehan, Jr., Treasurer
Jay Joyce, PVPC Representative
Pamela Desjardins, Member
Lillian Camus, Recording Secretary

PLUMBING INSPECTOR

During the year 2016, 39 plumbing permits were issued. Fees collected totaled \$ 3999.00. A total of 52 Plumbing inspections were conducted

Respectfully submitted
Frederick C. Marion, Gas & Plumbing Inspector

POLICE DEPARTMENT

The police department continued to stay busy this year. Dispatch logged just over 10,000 calls for service. The number of calls for service increased approximately 10% or 1000 calls over last year. Most of the crime statistics remained relatively level. Drug crimes were significantly decreased but are mostly accounted for by a major case that involved the same suspect in 2015. The number of car crashes increased from 193 to 215. The number of injuries related to those accidents remained similar to 2015.

The department investigated and successfully charged a number of significant cases this year. Cara Rintala was found guilty of murder by a Hampshire Superior Court Jury. This was the third murder trial. The first two trials ended with hung juries. Rintala was sentenced to life in prison for the 2010 murder of her wife. The department also completed an intricate child pornography investigation that involved a suspect who victimized children in several states. That investigation led to the suspect's arrest for multiple charges. That suspect is currently in jail awaiting trial. The department was also involved in a multi-jurisdictional investigation into area business breaking and entering and larceny incidents. The suspect was eventually identified and arrested for breaking into several area car washes. Officers also investigated an after-hours breaking and entering that occurred at a local package store. Alert residents informed responding officers of a vehicle and suspect description. The officer's investigation led to the suspect being arrested later that night in Springfield. Officers also investigated a series of car breaks that occurred in the Route 116 area. The officers were able to locate and arrest a suspect for those crimes. Officers also investigated a fatal all-terrain vehicle (ATV) accident that occurred in Town.

The department continued to actively seek grant opportunities to help pay for services and equipment. Department personnel applied for grants totaling approximately \$322,000 dollars. We were awarded grants in the amount of \$56,000. The source of the grants varies from State 911 Department grants to Highway Safety Department initiatives. All of the grant funds were used to support law enforcement and dispatch activities, training and equipment.

The department replaced all of our portable radios this year. The funding for the upgrade was approved at last year's Town Meeting. The portable radios for all police officers and fire fighters were replaced. The department also purchased a new sport utility vehicle. The vehicle is used on patrol and replaced one of our aging vehicles. One of our oldest vehicles was taken out of service and reassigned to the Building Inspector for continued non-emergency use.

The department continued to remain heavily committed to community policing. We continued our youth summer sports camps. The camps are run by police officers, school staff and students. The camps provide a safe activity for children and allow an opportunity for us to interact with the community in a non-traditional fashion. The school resource officer (SRO) continued to be one of our strongest links to the community. The SRO is assigned to the high school on a full time basis and is always available for students, staff and their parents. The position is probably better described as a community resource officer. The SRO provided the life skills curriculum at the East Meadow School. Life skills has replaced the DARE program. The SRO also provided ALICE (Alert Lockdown Inform Counter Escape) training for all school staff.

The SALT committee (Seniors and Law Enforcement Together) continued to meet this year. The SALT group continued to organize the long standing tradition of the annual picnic. This year the group recognized Sheriff Robert Garvey with the Frank Hudgik Public Safety Award. Sheriff Garvey retired this year after faithfully serving our county for over 30 years. His accomplishments and contributions to public safety in our area are countless. We wish him the best in his retirement. The SALT committee's house numbering program was also active. One of the most important and effective recent programs that has been fostered by SALT is the department's drug take back box. The prescription drop off box collected over 140 pounds of unused medications this year alone. SALT is always looking for new members. If you or anyone you know is interested in joining the SALT council please call the police station or the Council on Aging.

Police department members were also involved in other community activities such as the COA's coffee with a cop, public safety days at local daycare providers and also at seatbelt and car seat safety days. Our officers also conducted a RadKids class at the high school. Department members continued to volunteer their time on several Town boards and committees.

The department continued its commitment to updating employee's training as well. Several employees attended train the trainer seminars that allowed them to return to the department to provide the department members with required in-service training. One of the department goals was to become more self-sufficient in regards to providing our own in-service training. Detective Barbara Fenn, the department's long time CPR and First Responder instructor, continued to coordinate those training topics for the department. All officers and dispatchers continued to receive mandatory dispatch in-service training as well. The school resource officer attended a week long active shooter trainer seminar. He returned to the department and coordinated a hands on scenario based training for all of our officers at the high school.

The department had a number of personnel changes this year. Long time Patrolman Mark Johnson retired after more than 30 years of service to the Town. Through the years, Mark amassed a file with a large number of commendations for his bravery, professionalism and personal service. His commendations include responses to fatal accidents, violent domestic situations involving firearms, an armed and barricaded suspect in a house and the arrest of a suspect for an armed home invasion just to name a few. While those are some of the incidents he was recognized formally for, I can tell you there are thousands of others where he helped increase the level of safety for residents and just simply made bad situations better for our community. Mark's presence and impact at the department will be missed.

The department mourned the loss of two friends and colleagues this year. Retired Lieutenant Normand Renaud passed away this year. Norm was a member of the department for more than 32 years and retired at the rank of Lieutenant. He impacted the lives of thousands of residents during his time with the department. He received several commendations though out his career. Retired long-time Patrolman Wilfred Merullo also passed this year and will be missed by everyone who knew him. Bill's contributions to public safety in Granby are numerous. His long career was punctuated with an honest and always kind approach to law enforcement. Bill judged no one and was fair to all. Bill's career was also highlighted with numerous commendations for his service.

Part-time Patrolmen Ryan Barthelette and Zach Gilley were hired this year. Both officers were promoted from our Auxiliary ranks.

Residents should know I issued several letters of commendation throughout the year for employees for a number of reasons. Some of those commendations were for work on investigations and response to calls. Several commendations were for life saving actions from both officers and dispatchers.

The department also received numerous letters, calls and offers of support from residents. The past year or so has been a difficult one for law enforcement in our nation. The negative situations that have occurred and been publicized have added to the friction that exists nationally between law enforcement and the communities they serve. I'm proud to say that our residents have always supported us and continued to do so during this trying time. Your support serves as a constant reminder of why we got into this profession in the first place. Thank you for continuing to show you support during this time. It means a lot to our members.

There have been significant changes in the law this year that have changed a number of our practices. The law now provides us the authority to help people who are incapacitated by drugs. Previously, the law only allowed officers to take people into protective custody who were incapacitated by alcohol. The new law was largely championed as a way to assist people who had overdosed on drugs but refused to go to the hospital. The law's impact will significantly improve our officer's ability to keep people safe in these situations.

The other significant legal change was the limited legalization of marijuana. This law will have significant impact on law enforcement and communities as well. Both police departments and communities alike will now be faced with significantly changing how they respond to marijuana situations. The Town

will also have to consider if any regulations restricting the manufacturing, sale or use are desired.

On a number of occasions I have been questioned about the rates of pay that are listed in the annual report. Residents should know the amounts paid to officers include a number of different types of work. The totals include overtime, educational incentive, stipends for special assignments and private duty pay. In some cases, large portions of employee's pay came from sources other than Town funds.

In closing, I'd like to once again thank the community for your support of the department. We take pride in the fact that we are part of the community we serve. It's both an honor and privilege to work in a Town where your efforts are appreciated. We encourage residents to call the department for any reason and especially any time they see something that seems out of order. Please do not hesitate to contact the department whenever you need us. We are available 24 hours a day, 7 days a week. You can contact us by phone, email, on Facebook or by stopping by the public safety complex. We are here waiting for you call.

Respectfully submitted,
Alan Wishart, Chief of Police

Cases currently pending	61
TOTAL NUMBER OF CALLS FOR SERVICE	10169

PUBLIC FACILITIES

I am pleased to present the 2016 report of the Facilities Department. This was the first year of a joint collaborative between the Town and the School department. David Turcotte has worked for the town for over 20 years and we welcomed Patrick O'Hare to our staff in 2016. The year was very successful with many projects being completed. We are excited to work with the building committee, as the new elementary school project is underway. West Street Elementary has received significant attention due to deteriorating system conditions. The septic system and boilers were repaired, and the pneumatic air compressor system was replaced. East Meadow School systems are running well and will receive upgrades with the new building and renovation project. Granby Junior Senior High School continues to require attention to deteriorating systems. Exterior and interior fire doors have been repaired, skylights in the gymnasium were sealed, and the dividing door in the gymnasium was also repaired. We are excited to be participating in a lighting upgrade project that has resulted in 50% of the GJSHS lighting to be replaced with energy efficient LEDs with no cost to the district. The lines in both parking lots were repainted. At the Town Hall/Council of Aging the DPW graded and paved a new parking lot. The Town Facilities department installed a new handicap ramp and had new parking lines painted. All town buildings were put on a new (PM) Preventive Maintenance program to keep the buildings maintained and running efficiently. Town buildings are running well and the facilities department will be making updates to any system that needs repair.

Respectfully submitted,
John Sullivan, Public Facilities Director

SALARIES AND WAGES

The following persons received a salary or wage during the calendar year 2016 for employment with the Town of Granby. It must be noted that those employees with an asterisk (*) after their

name have earned that wage by working for more than one department or in more than one capacity.

PUBLIC SCHOOLS

SCHOOL COMMITTEE AND SUPERINTENDENT'S REPORT

It is a pleasure and honor to serve as your Superintendent of Schools. Throughout my first few months, I have been learning as much as possible about the Granby Schools and Granby community. Granby is fortunate to have dedicated teachers and building staff that are committed to ensuring students feel connected to their school and community. Granby is also fortunate to have significant parent involvement in the schools that strengthen the sense of community and provides a strong foundation for learning. With the approval of Granby voters to fund the new elementary school, the town of Granby has once again established its commitment to supporting the educational needs of its children. It is an exciting time to be in the Granby Public Schools. I am extremely grateful for the warm welcome from everyone and look forward to continuing to develop relationships that focus our collective efforts on ensuring every student, in every classroom, every day meets success, is excited about learning, and is inspired to do great things in the community and beyond. I am also extremely thankful for the support and guidance from Dr. Judith Houle, who served as Interim Superintendent for the period of January through June 2016, which this report highlights. Much of the great work in the Granby Public Schools during the time this report addresses begins with her efforts in having conversations and developing partnerships that supported student needs through developing district capacities.

Granby is fortunate to having a school committee dedicated to continuous improvement in the schools and serving the needs of students. The school committee members are:

Emre Evren, Chairperson

James Pietras, Secretary

Jennifer Curran

Marie McCourt

Deanne Payne-Rokowski

Elementary School Building Project

The town voted to approve the funding necessary for the renovation of the current East Meadow School and the building

of a new addition that will connect to the East Meadow renovation creating one elementary school for Granby. The building committee has remained focused on creating an efficient and effective 21st century, Pre-K through Grade 6 facility for Granby. We are thankful for the committee's thorough review of many aspects of the project, including an art tile wall that students will create for the entryway. The project is on target for a February, 2017 ground breaking. There are six phases to the project, with completion and full occupancy expected by September of 2018. We are excited to become one Granby School campus.

Strategic Plan and New Superintendent Entry

The strategic plan created by the School Committee appointed task force was approved and shared throughout the community. The school district and school committee have organized their work around the new mission and vision in addition to four strategic goals. Action steps were created and are in the process of being implemented.

Our mission statement reflects our core beliefs:

"Granby Public Schools provide a safe and creative environment that empowers all students to be critical thinkers, socially responsible citizens, effective communicators and life-long learners."

Our vision statement reflects what we see as the future of education in Granby:

"The Granby Public Schools' vision is to provide authentic learning experiences that prepare students for success in a global society."

Our four strategic goals will help to get the district closer to that vision over the next three years:

- * Goal #1: Develop and implement Pre-K-12 curricula, supported by authentic learning in all content areas.
- * Goal #2: Granby Public Schools leadership team will exemplify transparency and trustworthiness, and engage with all members of the school district and community.
- * Goal #3: Provide the necessary technology to support curricular needs.
- * Goal #4: Develop modern facilities that support authentic learning environments.

As the district transitions to a new superintendent, we have continued to work as a leadership team and school committee to review and refine the goals and action steps to ensure our focus on the continuous improvement of the district. Our work is collaborative and inclusive, and we are thankful for the tremendous support of community members and their volunteering of time to participate in the task force.

Community Partners Plan

The Community Partners group completed work on developing a comprehensive approach to supporting and addressing the social/emotional development and needs of students. School administrators, social workers, School Nurse Leader, School Resource Officer, Police Chief Alan Wishart, and Fire Chief Russell Anderson, along with representatives from Children First, the Bridge Program in Amherst, and the Becket-Chimney Corners YMCA continued to participate in the group. The plan was approved by School Committee and was implemented throughout the year. A key component of the plan was implementation of PeaceBuilders, a social/emotional curriculum with focused lessons on creating safe, positive

learning environments for all students. In addition, the Structured Learning Center was implemented at the Granby Junior Senior High School with a focus on providing therapeutic supports throughout the day so students meet academic success in school. Through a shared services agreement with Hadley Public Schools, a BCBA (Board Certified Behavioral Analyst) now supports students at the elementary level who require behavioral interventions in order to meet success in school. Unfortunately, due to a lack of grant funding, the Becket Chimney Corners YMCA program was not implemented as planned.

Pupil Services Director

The School Committee accepted the recommendation of the Superintendent and we welcomed Carol Hepworth to the Granby Public Schools as our Pupil Services Director. Carol is an experienced special educator as well as administrator with a focus on ensuring every student reaches their full potential through establishing critical programming for students.

Granby Elementary Schools Principal

We welcomed William Lataille to the Granby Public Schools to serve as principal of both West Street School and East Meadow Elementary School. Bill is an experienced educator as well as administrator serving as principal at the elementary and middle school level as well as serving in as assistant superintendent and business manager in central office administrator roles. This serves the community of Granby well as we begin the merger of two schools into one for the 2018 school year.

Curriculum and Instruction

In keeping with the mission and vision of the district and the strategic plan, curriculum work has continued with curriculum maps being developed in most academic areas. The School Committee adopted the new Science curriculum, and resources were allocated to purchase needed materials and supplies. In addition, a Pre-K curriculum was reviewed, adopted and implemented. Additional review of maps will continue to ensure alignment to Common Core and Commonwealth standards as they are revised. Staff used curriculum days, professional development time, hours of power, and collaborative time to create and implement lessons and assessments aligned to new standards and curriculum maps. The school district implemented a new Computer Science Advanced Placement and Honors class. Students participated in the class, developing new "apps" in addition to standard advanced placement testing and activities.

This is just one example of the work being done to align what is happening in our classroom for student to the strategic plan and mission of the school district.

I am pleased to announce our Pioneer Valley Teachers of Excellence award recipients for 2015-2016:

Barbara Bys

Carolyn Ritter

Emergency Operations Plan

School Committee approved and adopted the Emergency Operations Plan. Throughout the year, safety team meetings at both the district and school levels have been held to review and implement the plan. Several new types of drills have been planned and align to ALICE training. The district has been working to develop off-site reunification plans in the case an evacuation is needed. Partnerships with other districts and the surrounding communities have also been developed. The Granby

Emergency Operations Plan was presented at the joint MASC/MASS (Massachusetts Association of School Committees/Massachusetts Association of School Superintendents). We discussed the development of the plan and implementation phases.

Policy Review

The policy sub-committee continued its work to update and revise school committee policy. Several policies were updated this year with a full policy manual to be completed by the end of 2017. Marie McCourt chaired the committee and Emre Evren serve to ensure that the policy manual is compliant with state and federal requirements which provides clear guidance for the school district.

Respectfully submitted,

Sheryl L. Stanton, Superintendent, Granby Public Schools

GRANBY JR.-SR.HIGH SCHOOL

I am pleased to provide you with this annual town report. The calendar year of 2016 marked a continued period of academic growth once again at Granby Junior Senior High School as new courses were introduced in the Program of Studies. As a school we are very proud of the educational and extra-curricular activities that we are able to offer our students in grades 7-12. As the building principal, I am especially proud of all our students for their hard work and academic accomplishments.

Our school's mission is to promote academic achievement, personal responsibility, and respect within our entire student population. We strive and continue to be committed to the 21st century learning expectations that our students will become critical thinkers, problem solvers, and collaborative learners. In addition to this, we stress academic expectations including active reading, effective communication in writing and speech, promoting listening skills and the display of effective use of research skills.

Granby Junior Senior High School has expanded its programming in Advanced Placement courses, virtual learning opportunities, and social emotional learning. In the fall of 2016, the school implemented a popular AP Computer Science class that has students learning various codes and developing applications. This past year, Juniors and Seniors were able to take part in a virtual learning program offered at the school. Also, this past fall our staff pursued professional development in social and emotional learning as we implemented a new curriculum – Peacebuilders – to all our students that stresses important principles of praising people, giving up put-downs, seeking wise people, noticing and speaking up about hurts people have caused, righting wrongs, and helping others. This along with other initiatives including the Structured Learning and Reflection Centers has helped provide much needed support to all our students.

Granby Junior Senior High School is fortunate to have the continued support of so many school advisories, clubs, and organizations including our School Council, the Parent-Teacher organization, the Parent Advisory Council, the Granby Music Parents' Association, the Boosters' Club, the Lions, and the area's faith-based communities. Also, internally, the school enjoys the support of its many clubs including HOPE, the Student Council, Chorus, Drama, SADD, and the Musings Literary and Art Magazine. I also thank those members of the

school's National Honor Society who promote character, service, leadership, and scholarship to our school community. The welcomed presence of all these entities allow us to instill in our students the values of hard work, pride, respect, achievement and personal responsibility.

The Granby Junior Senior High School also enjoys a close working relationship with a number of town departments including the two elementary schools, the Fire and Police Departments, the Council on Aging, and the Highway Department. The highlight of this coordination was our annual Halloween Trick or Treat festivity that we hosted once again at the school. This annual event is the product of many town agencies coming together to support our youth in the community. I could not be more proud than to see all the dressed up and happy children who came out on October 31st.

The results of 2016 MCAS allow me to report that once again Granby Junior-Senior High School continues to make progress in increasing student scores in the areas of proficiency and advanced. We are committed to constant self-reflection on all aspects of our program. We are continually making changes to improve the delivery of instruction and support to our student body.

The road ahead will be filled with challenges to our school community. This coming spring, our students in Grades 7 & 8 will be tested by the MCAS 2.0 exam for the first time. At the same time, we continue to work on our curriculum alignment with respect to the Federal Common Core mandates.

In 2016, the Junior-Senior High School continued with interscholastic competition. We are especially proud of our Varsity Girls' Soccer team winning the Division III Western Mass Championship. Also, it should be noted that Nolan Hodgins in the sport of wrestling won the Western Mass Championship in his weight category. Any student-based co-and extracurricular activities are guided by faculty and staff and respond to the diverse needs and interests of our school community.

On Saturday, June fourth, commencement exercises were held before an enthusiastic capacity gathering of parents, family, faculty and well-wishers in the Sullivan Gymnasium. Superintendent Dr. Houle, incoming superintendent Ms. Sheryl Stanton, and School Committee Chairperson, Emre Evren, presented our graduates with their well-deserved, hard-earned diplomas. The Class of 2016 sent a total of ninety-two percent of its students on to post-secondary institutions of learning; forty one percent of its graduates went directly to four year colleges and forty one percent to two year institutions of higher learning. College acceptances and financial awards for achievement were granted by local, regional and national institutions of quality.

In closing, I would like to thank the Granby community for your continued support of our schools. I want to assure you that our students continue to receive a top-notch education that will prepare them for their post-secondary needs.

Sincerely,

Jonathan D. Cavallo, Principal

EAST MEADOW SCHOOL

I am pleased to present the 2016 annual town report on the East Meadow School, which currently consists of 174 students in Grades 4-6. Our dedicated, highly qualified, and certified

teachers and staff work collaboratively within our professional learning community so that our Granby students can become positive and productive citizens.

We began the school year by combining the staff of West Street and East Meadow schools for all of our faculty meetings and professional development opportunities in preparation of the opening of the new school in September 2018. We have offered many high quality professional development opportunities to staff as this proves to be the key to improving classroom instruction and student achievement. We have continued to introduce and train so faculty and staff are now able to utilize Google Apps to support their work. Also, we have been using Teach Point, a web-based program that is used to manage the paperwork associated with the Massachusetts Teacher Evaluation System.

Our Title I, RTI (Response to Intervention), and Special Education programs continue to provide quality academic support for students with educational needs. Mrs. Kristen Naglieri provided quality math supplemental instruction for Title I students and students under our RTI program with assistance from our paraprofessionals. We are also fortunate to have volunteers that routinely assist our students and staff during the year.

Our students learned the importance and benefits of giving to others that are not as fortunate as they are through fundraising for others. We collected food and raised funds for *the Granby Food Bank* and the Leukemia Society through Pennies for Patients. Special thanks to our students' parents who assisted with this life lesson of giving to others in need.

East Meadow School has fully embraced the *PEACEBUILDERS* Program. *PeaceBuilders* is a science-based, research-validated character education curriculum and professional development program for grades pre-K to 12. Its essence is a common language - six principles, taught, modeled and practiced. These same principles set behavioral expectations, reduce aggression, and transform the climate and culture of any environment to one which is cooperative, productive, and academically successful. In conjunction with West Street School, we have begun to integrate aspects of the Positive Behavior Interventions and Supports (PBIS) program started last year,, which is a school-wide research-based approach to behavior focused on setting clear expectations and providing the support necessary to enhance the emotional and academic outcomes for all students. We have established a clear set of expectations that are taught and positively enforced throughout the school.

Our students would not have the many educational experiences within and beyond the classroom without the support of the Granby PTO. The PTO also provided funds for assembly programs and provided activities for our students including a kindergarten play date in August, "Bingo for Books".

We renewed our partnership with Florence Savings Bank to bring in a program called "Savings Makes Cents". This program, which is run by Florence Savings Bank in collaboration with parent volunteers, allows students to make deposits to their accounts at school. The goals of the program are to encourage savings habits, promote a positive savings ethic, and to help children think about their savings goals. We really appreciate the parent volunteers who have made this program possible.

The annual Parents' Night was a tremendous success. During this evening event in September, parents are welcomed into the school and informed about the programming at East Meadow. The parents gathered in the cafeteria to meet with the principal and then were afforded the opportunity to meet with classroom teachers and specialists. They heard about classroom expectations and curriculum goals for their students throughout the school year. It was also a great opportunity for the parents of the fourth graders to familiarize themselves and become more at ease at East Meadow. The parents also had an opportunity to meet with teachers during our Parent/Teacher conferences in October. I am pleased to report that we had well over 90% participation during these conferences.

Chorus and band continue to meet before school. The culmination of their efforts was on display at the annual Winter Concert held at East Meadow in January. The chorus sang songs directly related to our PEACEBUILDER theme this year. Thank you to Mr. Williams for all of the hard work that he puts in with the students of East Meadow to make events such as this happen.

In December we held our Annual Holiday Luncheon. This provides families the opportunity to come to school and eat lunch with the students. It is a well-attended event that both students and families look forward to each year.

We continue to work with the building committee and architects on the new building project. The excitement continues to build and we are working hard as one staff, so that we will be prepared for the opening of the new school in late August 2018. We believe that with the continued hard work of the faculty and staff, the commitment of the community, and the resources available in the new building, the new school has the potential to become one of the highest performing elementary schools in the state.

I would like to thank the citizens of Granby for your support of the school budget and to the parents for your support and cooperation each and every school day. I am looking forward to continue working with all of you to help our students reach their maximum potential.

Sincerely,

William Lataille, Principal

WEST STREET SCHOOL

August-December 2016

Our goal for the 203 students in preschool to grade 3 is to provide the children with lifelong skills and knowledge in reading, language arts, math, science, social studies, art, music, physical education, library, and computer skills. We provide the foundation upon which the students' education grows. Our dedicated, highly qualified, and certified teachers and staff work collaboratively within our professional learning community so that our Granby students can become positive and productive citizens.

We had a few changes in staff assignments. Staff who changed assignments included: Mrs. LeeAnne Frank; now our Gr. 3 teacher, Mrs. Leslie Baron, Grade 1 teacher. .

In order to monitor our students' reading skills to help us reach one of our goals that all children are proficient in reading by grade three on their reading MCAS test, we used formative assessment tools. They included the D.I.B.E.L.S. (Dynamic Indicators of Basic Early Literacy Skills) and the Benchmark Assessment System. These assessments provide our teachers with

data to determine the reading needs of students, to select students who need additional instructional support, and to provide the necessary instruction so that all students will have adequate skills for reading comprehension by the end of third grade. Due to a strong correlation between reading and writing, we also assess the students' writing two times a year. In September we began a Benchmark Math Assessment to assess student math skills at each grade level. The assessment provides data for teachers to determine the need for instructional support for students. We are currently piloting a computerized math program to improve student fluency in math facts.

Our Title I, RTI (Response to Intervention), and Special Education programs continue to provide quality academic support for students with educational needs. Mrs. Jettie McCollough provided quality reading supplemental instruction for Title I students and students under our RTI program with assistance from our paraprofessionals. We are also fortunate to have volunteers that routinely assist our students and staff during the year.

The Western Massachusetts Masonic Learning Center Foundation is affiliated with the teachers from Granby and surrounding communities. The Orton-Gillingham approach of clinical reading remediation is for students with dyslexia and/or significant phonological deficits at West Street School. Mrs. Sara McNutt is a certified trainer and coordinator in Granby and supervises for the Western Mass Learning Center. There are students from our district schools who were identified and received individual Orton-Gillingham lessons this year, and our students benefit from the many WSS teachers who have been trained and used many of the O.G. techniques in their classrooms.

We are in the fourth year of implementation of the My Math program by McGraw Hill for all of our students in kindergarten through grade 3 to develop the necessary understanding of math needed to succeed now and in future math instruction. We are currently in the third year of implementation of the English Language Arts program Journeys by Houghton Mifflin for all students in grades kindergarten through grade 3 to develop literacy skills through an integrated model of literacy instruction.

Our students learned the importance and benefits of giving to others that are not as fortunate as they are through fundraising for others. We collected food and raised funds for the *Granby Food Bank* and the Leukemia Society through Pennies for Patients. Special thanks to our students' parents who assisted with this life lesson of giving to others in need.

West Street School has fully embraced the *PEACEBUILDERS* Program. *PeaceBuilders* is a science-based, research-validated character education curriculum and professional development program for grades pre-K to 12. Its essence is a common language - six principles, taught, modeled and practiced. These same principles set behavioral expectations, reduce aggression, and transform the climate and culture of any environment to one which is cooperative, productive, and academically successful. In conjunction with East Meadow, we have begun to integrate aspects of the Positive Behavior Interventions and Supports (PBIS) program started last year, which is a school-wide research-based approach to behavior focused on setting clear expectations and providing the support necessary to enhance the emotional and academic outcomes for all students. We have

established a clear set of expectations that are taught and positively enforced throughout the school.

Our students would not have the many educational experiences within and beyond the classroom without the support of the Granby PTO. The PTO also provided funds for assembly programs and provided activities for our students including a kindergarten play date in August, "Bingo for Books".

We began the school year by combining the staff of West Street and East Meadow schools for all of our faculty meetings and professional development opportunities in preparation of the opening of the new school in September 2018. We have offered many high quality professional development opportunities to staff as this proves to be the key to improving classroom instruction and student achievement. We have continued to introduce and train so faculty and staff are now able to utilize Google Apps to support their work. Also, we have been using Teach Point, a web-based program that is used to manage the paperwork associated with the Massachusetts Teacher Evaluation System.

We continue to work with the building committee and architects on the new building project. The excitement continues to build and we are working hard as one staff, so that we will be prepared for the opening of the new school in late August 2018. We believe that with the continued hard work of the faculty and staff, the commitment of the community, and the resources available in the new building, the new school has the potential to become of the highest performing elementary schools in the state.

We continue to value and appreciate the support of the community and parents as partners in the education of the children of Granby. Thank you.

Respectfully submitted,
William Lataille, Principal

PUPIL SERVICES DEPARTMENT

The Pupil Services Department of the Granby Public Schools, under the supervision of the Director of Pupil Services, is responsible for special education programs and services, English Language Education, and for monitoring school department compliance with various civil rights policies; that includes providing in-service training on topics regarding the school departments' sexual harassment and civil rights policies, as well as addressing complaints. The Director of Pupil Services reviews and processes the application for home school students for the Superintendent's approval, serves as a liaison for homeless students, oversees the preschool and monitors the activities of the School Nurse Leader. The Pupil Services Department furthermore prepares and oversees relevant grants for the school department.

Special Education programs and services provide educational services to students who experience academic difficulty because of a disability; consisting of a developmental delay, or an intellectual, sensory, neurological, emotional, communication, physical, specific learning or health impairment, or any combination of the aforementioned. Children ages three to twenty-one are eligible for special education services consistent with State and Federal Guidelines. In addition to providing for the academic needs of children identified as having a disability, the program provides related services to assist students in making effective educational progress. These services consist of, but are not limited to, psychological services, counseling for school-related issues, occupational therapy, physical therapy, vision/mobility training, and speech/language therapy. Students with special needs are provided educational services in a variety of settings ranging from full inclusion in the regular classroom to out-of-district placements. The school district also provides extended school year services for special education students' preK-12 to prevent substantial loss of previously learned skills and/or substantial difficulty in relearning skills. As of October 1, 2016, there were 129 students (17%) on an Individual Education Program.

The Granby Public Schools Parent Advisory Council has joined the Federation for Children with Special Needs to help us inform, educate and empower our families. We meet monthly to discuss concerns and commendations and this year we have held informational sessions to support our parents in being active partners in their child's education.

The Granby Public School pre-school is an integrated program serving three- and four-year old students with and without disabilities. This program is tuition-free for all students, and we provide both a full-day and half-day option for enrollment.

Another focus of the department is to provide English as a Second Language services to students who are not proficient in

listening, reading, speaking and writing in the English language. We are continuing our participation in the Title III Consortium through the Collaborative for Educational Services. Participating in the consortium provides access to Title III funding that would not otherwise be available to a district with fewer than 100 limited-English proficient students. This grant funds our scheduled Spring Literacy Night and summer tutoring for our English Language Learners.

The school district is a member of the Collaborative for Educational Services. The Collaborative for Educational Services offers a cost effective approach to providing special education services to schools and professional development opportunities for staff.

Each year the Pupil Service Department with the support of the School Committee develops new programs and services to ensure we have a continuum of services to meet the individual needs of our students K-12th grade who have Individual Education Programs. This school year we focused on providing programming to support Social Emotional Learning.

This past year, the Pupil Services Department received \$263,577.00 in entitlement grants. These funds are used to enhance and support the educational programs offered to the children of Granby. State and federal funds are an important component in providing the best educational opportunities to all children who attend the Granby Public Schools. This year we received a new entitlement grant that allowed us to design and purchase transitional assessments to ensure we develop high quality student-centered Transition Plans for students 14 – 21 years of age.

Respectfully submitted,

Carol Hepworth-Director of Pupil Services

HEALTH SERVICES

The Registered Nurses of the Granby School District provide comprehensive health services to both students and staff throughout the school day. These services range from first aid, health and illness assessment, nursing treatment, behavioral/mental health issues, and medication administration.

Our 2016-2016 return-to-class rate was an impressive 94.4% with the Department of Elementary and Secondary Education goal of 85% and the Department of Public Health's of 92%. This was a 1.4% increase from the 93% return-to-class rate from the 2014-2015 school year. As you can see, the Granby School nurses are assessing and treating students, returning them to class as quickly as possible to increase time on learning.

On a daily basis, the nurses keep detailed records of all the health care services provided to each individual student. These services may include medication administration, blood pressure checks, nebulizer treatments, blood glucose monitoring, sling application, eye irrigation, wound care, and the prevention and education of communicable diseases and healthy lifestyle choices. We also have students with life threatening allergies that require epinephrine. Epi-pen training is provided to all staff and bus drivers in the Granby school system every September, mid-year, and as needed. We are also seeing an increase in the number of students with lactose intolerance, the need for gluten free diets, as well as students with diabetes. All of these special health care needs require special accommodations throughout the

school day that the nurse must enforce in order to keep these students safe and ready to learn.

Every year the nurses screen students in certain grades for vision, hearing, height, weight, body mass index, and postural screenings as mandated by the Department of Public Health. This year we began the process of preparing for a new state-mandated screening for substance abuse called SBIRT (Screening, Brief Interventions, and Referral to Treatment), which will be implemented during the 2016-2017 school year at the Granby Jr/Sr High School. All of the Granby School nurses are members of the Health and Wellness Advisory Committee which was chaired by Karen Szlosek-Welch, BSN, RN, NCSN. During the 2015-2016 school year, the Wellness Committee in collaboration with the School Committee, developed and implemented the Narcan policy, allowing intranasal narcan to be placed in all Granby Public schools. The Granby School Nurses also presented with local EMS and Granby Jr/Sr High School staff on the rise of opioid epidemic to the Granby community. The Health and Wellness Committee also began discussing piloting a breakfast program at West Street School, sending surveys to families to complete for feedback.

The nurses have participated in the annual concussion online trainings and have once again become certified in recognizing concussions. The nurses continue their collaboration with the Granby Fire Department/Granby Emergency Medical Services in regards to the maintenance of the four Automated External Defibrillators throughout the three schools. The collaboration between the Granby School Nurses and the Granby Fire Department/Granby Emergency Medical Services continues to grow rapidly as we work together to address the opioid epidemic through education and outreach services.

Please visit the school nurse/nurse leader section of the Granby Public Schools website at www.granbyschoolsma.org to see more on the nursing services being provided in our schools. The overall goal of the Granby Public School Nurses is to continue to work diligently to provide a healthy and safe environment for all students and staff. Thank you for the continued community support.

Respectfully Submitted, Granby School Nurse Leader
Nancy Jenks, BSN, RN, NCSN, AE-C

SCHOOL FOOD SERVICE

As your Chartwells' Food Service Director, I am pleased to present the 2016 School Food Service Department report to the Town of Granby.

The 2015-2016 school year was a difficult year financially. The Granby/Chartwells' food service program served 114,591 meals to the district students and faculty. Our lunch participation remained steady with 58.6% of students having lunch with us every day that is a half of a % less than the previous year. Breakfast participation increased from 9.4% to 10.5%. The School Food Service Department's revenue decreased this year due to the lower enrollment and the economy.

We provided a wide variety of quality, nutritious meals with friendly customer service every day. The year included many successes including increased student participation, greater variety of new recipes, more local fruits & vegetables made available to students, and our engaging staff made the students

their main priority on a daily basis. Every day we are committed to providing a great value to your family.

Chartwells encourages overall good nutrition for all of our customers. Our onsite management team, with the support of Chartwells' registered dietitians and Chefs, provided the tools and technical assistance needed for our school menus to meet and exceed the USDA nutritional guidelines. During the 2015-2016 school year we provided many Nutrition Resources including our Food Focus of the Month, our Simply Good Campaign, and special event activities implemented to encourage students' to eat healthier. Our annual campaign consisted of promotions to encourage eating fresh & local, eating well balanced meals, and following the new USDA Dietary Guidelines for Americans. Our mission is to serve nutritious, well-balanced meals that appeal to students and the school community. Over the year we promoted our nutritionally balanced lunch and breakfast, locally purchased fruits and vegetables, as well as increased variety of your recipes. We included monthly promotions about whole grains, healthy legumes, eating more vegetables and fruits, eating a variety of foods, and being active. We ran a number of events including: Farm to School Week, a breakfast participation promotion involving the Girls and Boys basketball teams, suggestion boxes for new ideas, a National Nutrition Month promotion, and special recipes samples at the schools.

Our food service staff has been crucial in implementing and maintaining the positive changes in nutrition, variety, presentation, freshness, customer service, and atmosphere. Over two thirds of our associates are town residents, a number with children in the school system. All of our staff shares Chartwells' commitment to offering a food service program that provides the freshest, highest quality, nutritious meals and the best service to the students and families of the Granby schools.

We are pleased with the response to the breakfast in the classroom program at East Meadow. The Breakfast Program is designed to deliver convenience for parents and nutrition for students to start their day with a well-balanced meal. Educators and parents know that hungry students can't and don't learn. Students pick up a grab and go breakfast from the Café and enjoy it in their classroom. This ensures that no child starts the school day hungry. The mid-morning break, breakfast program at the Jr./Sr. High has very good participation and the well-balanced breakfast has students prepared for learning.

Granby Public Schools, in partnership with Chartwells K12, is using Nutrislice to publish the school menus to a new interactive website and a free smartphone app! Now our school community can access our menus anywhere, anytime! Please follow the links on the district website or direct at <http://granby.nutrislice.com/>

It is my pleasure to continue the positive relationship between Chartwells and the Granby School System. I truly appreciate the support from the Superintendent, Principals, Faculty, Maintenance Staff, Parents and Students. You make it rewarding to work in the Granby School District.

To learn more about Chartwells, visit our website at www.eatlearnlive.com.

Eat. Learn. Live. Our single-minded commitment is to provide the food and nutrition that fuels your students to succeed in their education, laying the foundation for a long, healthy life. For menus and nutrition information, please visit the Granby Schools' Nutrition Program webpage at:

Sincerely,

Andrew P. Stratton, Director of Dining Services

SCHOOL TECHNOLOGY

I am pleased to present my nineteenth annual school technology report to the townspeople of Granby.

As each school year passes, the importance of technology in the classroom is more evident. Instructional materials that previously consisted of textbooks, workbooks, and handouts, etc. are transitioning to a digital format that can only be accessed with computer technology. Today, students are using technology at an increasing rate for research, collaboration, and the completion of assignments, etc. These changes are not unique to Granby. The use of digital tools for teaching and learning in all content areas is very common and schools are expected to leverage it to help prepare students for college and employment. For these reasons, it is no longer an option for the schools to provide an abundance of technology to the students; it is a necessity.

In the summer of 2016, the Granby Jr. Sr. High School implemented a "portal" for all students that allow them (and their parents) to monitor their academic performance by logging into a secure website. This portal also serves as a Learning Management System (LMS) which is being implemented into an increasing number of courses. The LMS allows teachers to post assignments and online educational activities so that learning extends beyond the physical classroom. The LMS is typical of the digital learning environments used in colleges, so exposure to it in high school will help prepare Granby's students for postsecondary success.

The school department also implemented a managed Google Suite for all students that are enrolled in the Granby Jr. Sr. High School. This provides additional tools for communication between the student and the teacher as well as classroom collaboration tools and online storage, etc. Thus, students can access much of their school related files and complete assignments from any internet accessible computer.

In the summer of 2016, the schools also replaced two computer labs at the high school as well as a significant number of classrooms computers at both the high school and East

Meadow School. All of these computers were donated to the Granby Public Schools. At this time, the Granby Public Schools has more than three-hundred computers on the network and almost 100% of them have been acquired as donations through various organizations, mostly federal agencies. The Granby Public Schools is very grateful for the generosity of these agencies and individuals that help us with donations. Other groups, such as the Granby Parent Teacher Organization (PTO) have provided financial support to finance classroom technology and the school department is very appreciative for their generous assistance.

Despite having this computer equipment, it is not possible for the schools to provide adequate technology for learning solely on donations. More so, the computer network infrastructure in all three schools is overdue for a significant upgrade. The current network does not provide adequate bandwidth for today's online learning activities and limits the number of concurrent users and connected devices, etc. Fortunately for the elementary schools, the school renovation project will provide a new network that will provide a modern infrastructure appropriate to support learning.

However, the high school network will still require a significant upgrade. In order to optimize digital learning, the high school network must be capable of supporting all students concurrently and provide increased bandwidth. Students enrolled in certain courses require continuous access to the internet and the ability to "stream" video content, etc. Likewise, an increasing number of high school students are enrolling in online classes to complete courses not offered in the high school which also requires access to more demanding technology. Thus, the performance of the network is critical and continuous upgrades and improvements are important to support the educational process. At this time, it is uncertain how this will be funded.

Despite these challenges, the school department will strive to provide the best technology with the resources available to assist students with their learning.

Respectfully yours,

David Lukaskiewicz, Technology Coordinator

PATHFINDER REGIONAL VOCATIONAL TECHNICAL HIGH SCHOOL DISTRICT

ANNUAL REPORT 2016

The Pathfinder Regional Vocational Technical High School District Committee presents this report to the citizens of the District. In the November 2016 state elections, incumbents David Droz (Palmer) and Francesco Dell’Olio (Belchertown) and Jeffrey Nelson (Oakham) were re-elected. Thomas Rugani (Warren) retired, resulting in a vacancy for the town of Warren. That position will be filled through a joint meeting between the Warren Board of Selectmen and the Warren members of the Quaboag Regional School Committee. The position of Student Member is also currently vacant but should be filled by the end of January. Michael Cavanaugh and David Droz, both of Palmer, will continue as chairman and vice-chairman, respectively. Lorraine F. Alves will continue to serve as secretary.

CURRICULUM

Based on the most recent MCAS scores, Pathfinder has continued to improve on narrowing the proficiency gaps, showing an increase in the graduation rate and a decrease in the number of dropouts for the school year 2015-2016. However, Pathfinder has been designated as a “Level 3” school by the Department of Elementary & Secondary Education. This designation means that, despite the improvement in MCAS scores, there are subgroups of the student population (e.g., students with special needs; students with disabilities) that have not made sufficient progress toward “Proficiency” as expected by the Department of Elementary & Secondary Education.

As one strategy to increase academic rigor, honors level courses have been added in all core academic areas in the 9th grade programs. In addition to the honors programs, on-line learning has been encouraged to provide additional academic offerings that will ensure students’ continued academic success. Advanced Placement courses have also been added to the Program of Studies for the school year 2015-2016. AP classes offered include: Language and Composition for students in grades 11 and 12; Computer Science; U.S. History; and Calculus. Pathfinder plans to increase its AP offerings to include AP Literature and Composition in the school year 2016-2017.

Students have been given glimpses of major events into our country’s history through the efforts of Shaun Moriarty of the History Department. He has engaged survivors of the Holocaust to share their experiences during that period, and he brought a group of Civil War Reenactors to give demonstrations on a make-shift battlefield outdoors. Most recently, Mr. Moriarty and some senior students were featured on the news for the newest endeavor, *The Pathfinder Penny Project*. Students in the senior

Holocaust and Human Behavior classes are attempting to collect 6 million pennies, to represent the 6 million lives lost in the Holocaust. So far they are making amazing progress toward their goal! The money made will be donated to a Holocaust or genocide-related charity, and some of the proceeds will fund a class trip to the United States Holocaust Memorial Museum in Washington D.C. later this year.

Pathfinder has continued to make advancements in technical offerings as well. All fifteen career areas have adopted the most recent state frameworks. Vocational staff continues to review all areas of the curriculum and participate in professional development opportunities to ensure they remain current in all areas of instruction.

2016 SKILLS USA

Pathfinder is a “Total Participation” school, and all students are registered with both the state and national SkillsUSA organizations. Two years ago, Pathfinder was moved to the District 5, Central District, because of proximity to Bay Path Regional Technical School in Charlton, and also to make room for two more schools that joined the West District Region. This change has resulted in a significantly more competitive environment for Pathfinder contestants.

The District 5 Qualifying Competition was held at Bay Path Regional Technical High School, in Charlton on March 9, 2016. Pathfinder brought 112 students to the event, competing in 30 different areas. The results netted the students 21 medals, including 9 gold, 8 silver, and 4 bronze. Medal winners represented the CAD/Drafting, Machine/Manufacturing shop, Collision Repair/Refinishing, Electrical, Electronics, Cosmetology, Health and HVAC shops.

The State SkillsUSA Competition was held the weekend of April 28– 30, 2016, at the Best Western Royal Plaza, in Marlboro, and at Blackstone Valley Regional Technical High School in Upton. Pathfinder entered 20 students who had qualified at the District level in 8 trade areas, and an additional two students who competed in the Principles of Engineering Technology phase that had no qualifying event. The results netted Pathfinder 1 gold medal in CNC Turning, 1 silver medal in Automotive Refinishing, and 2 bronze medals areas in CNC Milling and Principles of Engineering, respectively. Jordyn McCorkindale, CNC Turning, qualified for the National SkillsUSA Competition held in Louisville, KY, during the last week of June. She earned a 5th place finish.

SELECTED MUNICIPAL AND COMMUNITY PROJECTS:

Electrical:

- Palmer Public Schools: Students completed the installation of a radio transmission antenna.
- Town of Belchertown: Students installed new LED lighting throughout the Belchertown Housing Authority building.
- Palmer Police Department: Students refinished a Ford Interceptor Police emergency vehicle.
- Town of Monson: Students completed the installation of information technology wiring throughout the Monson Town Hall.

Collision Repair Technology:

- Ware Police Department: Students continued to work on the refinishing of Ford Interceptor Police emergency vehicle.

- Warren Police Department: Students began refinishing a military Humvee to be converted to a Police emergency vehicle.
- Palmer Police Department: Students refinished a Ford Interceptor Police emergency vehicle.

Machine Technology:

- Students machined several cribbage boards as donations to non-profit organizations. The students also machined several clocks. Recipients included:

Palmer Public Library

Top Floor Learning, Palmer

Machine Technology “Poker Run” (Pathfinder fundraiser)

Pathfinder Car Show (*Skills USA* fundraiser)

Local Retiring School and Town Officials

Cosmetology:

- Students continued their annual visits to area Senior Centers during which they provided “Spa Days” for seniors. The services they offered included manicures, pedicures, facials, and hair styles. Currently the cosmetology students provide these services in Palmer, Ware, Monson and Belchertown.

Automotive Reconditioning:

- Students provided services for police, highway, fire and water districts.

Horticulture:

- Horticulture students completed the renovation of the Veterans’ Memorial at the Palmer American Legion.

COOPERATIVE EDUCATION PROGRAM

Forty-nine (49) students participated in the school’s Cooperative Education Program which provides opportunities for paid, career-related jobs *in lieu* of attending their vocational classes. In this real work environment, the students enhanced their technical skills, developed interpersonal skills, and experienced valuable lessons in maintaining a balance among their personal lives, school academics, and their jobs. Co-op continues to be an excellent pathway to full-time employment.

A strong effort to work with area businesses and to strengthen Advisory Committees has been a driving force in obtaining cooperative education placements. The school is committed to providing students with this invaluable opportunity and intends to work closely with area businesses to continually expand the program.

STUDENT BODY

Pathfinder's total enrollment was 618 as of October 1, 2016, including the following numbers from member towns: Belchertown 100; Granby 21; Hardwick 20; Monson 97; New Braintree 9; Oakham 15; Palmer 144; Ware 113; and Warren 43. The remaining students were residents of out-of-district communities, the largest number of students coming from Ludlow (16). The 618 figure on October 1st represents a decrease of 1 student overall from the number reported on October 1, 2015.

The Pupil Services Office—which also serves as the Admissions Office—once again received far more applications for the 9th grade openings than the school could accommodate. Transfer opportunities into the 10th or 11th grades were also very limited. Consequently, the school experienced another year of waiting lists for each grade.

In October and November, Pathfinder's guidance counselors visited the 8th graders in member towns to provide an in-depth presentation about Pathfinder's offerings and the application process. On November 23rd eighth grade students from member districts spent the morning exploring Pathfinder's technical offerings. These students participated in an interactive, hands-on experience with staff and current students. On November 30th, a Showcase Night was held for 8th graders and their parents. The event featured a free dinner and a tour of the facility, including a visit to technical areas of interest. Parents and students were offered the opportunity to utilize the newly installed online admission process at both events.

The Pathfinder Chapter of the National Technical Honor Society inducted a deserving group of new and existing members in an impressive ceremony. To qualify, students must have a cumulative G.P.A. of 3.5 or above and exhibit the qualities of skill, honesty, service, responsibility, scholarship, citizenship, and leadership. The induction ceremony is held in early spring so that senior inductees can include this recognition on college, scholarship, and work applications. The Chapter continued the practice of inviting as guests underclass students who had a grade point average of 3.0 or higher and who demonstrated potential for induction into the Society.

At the thirtieth Annual Outstanding Vocational-Technical Student awards dinner sponsored by the Massachusetts Association of Vocational Administrators (MAVA) and the Massachusetts Vocational Association (MVA), Health Assisting Student Mallory Linn, of Ware, was Pathfinder's honoree. Mallory is a remarkable young woman with an unwavering work ethic. She was the top student in her class and had earned a cumulative GPA of 3.95. She had received a myriad of academic and technical awards for excellence and outstanding achievement throughout her high school career. Mallory served as Vice President of her class and was a member of the National Technical Honor Society. After graduation, Mallory planned to attend the University at Buffalo to study pharmacology and toxicology.

Pathfinder's recipient of the M.A.S.S. Academic Excellence Award was Allison Renaud, of Belchertown, who was an exceptional student in the Machine Tool Technology Program. With a cumulative GPA of 3.98 and enrolled in 14 honors classes. Allison was awarded the John and Abigail Adams Scholarship this year based on her excellent MCAS scores. She was a two-year member of the National Technical Honor Society. Allison has been employed by B&R Machine, Inc. located in Ludlow and will continue there after graduation.

In June 2016, the graduating class of 144 students received diplomas and technical certificates at commencement exercises. Forty-three (43) graduates received awards totaling \$17,950 during the ceremony. \$367,250 was made available through scholarships, awards and grants to some of our graduates from the colleges and universities to which they had been offered admission. Once again, state and local organizations and businesses, post-secondary institutions, as well as private individuals, continued to recognize the ability and potential of Pathfinder graduates in the form of generous donations. The school committee, administration-- and particularly the graduates-- are grateful for this support and are especially proud

of the number of awards that have been made to honor the memory of former Pathfinder students and staff members.

PUPIL SERVICES

Under the direction of Nicole Heroux, the Pupil Personnel Department is comprised of both the Guidance and Special Education staffs.

The Department continues to be committed to finding opportunities to offer different pathways to learning so that the diverse ability levels of the students might be accommodated. The Guidance Staff is working on revising the curriculum for College and Career Readiness for students' best interests when it comes to their emotional and educational well-being. A course has been developed in order to help students better prepare for MCAS; each sophomore now takes a year-long Math Prep class.

The Special Education Department strives to address the needs of *all* learners in grades 9-12. Through continued integrated efforts with students, parents, and other student support services, the Department focuses on promoting each student's self-awareness, ability to self-advocate, and sense of self sufficiency. All students admitted to Pathfinder are expected to fulfill the same requirements to receive a high school diploma as in local town high schools, and all students must have access to all academic and vocational programs.

Team chairpersons conducted Team evaluations, annual reviews and re-evaluations for over 157 special needs students. The Pupil Services Department continued to be responsible for approximately 50 students who have 504 Accommodation Plans. Section 504 is a federal civil rights law which requires the provision of reasonable accommodations to students and staff who qualify as disabled under the law.

Work continued on the collaboration between special and general educators. Vocational and academic teachers have been receiving professional development on differentiating instruction and how to work with students with social -emotional needs.

STUDENT ACTIVITIES

In April, Pathfinder presented a College and Career Fair for the students. Over 26 schools, business, colleges, and the military came to introduce themselves and to describe opportunities available to students after graduation. Students in all grades visited this fair.

In the spring, Pathfinder's Cosmetology Department hosted a *Beauty School Battle*. Five vocational schools participated in contests judged by local salon owners in three categories. Pathfinder students performed well, winning in several categories. Pathfinder is committed to hosting this competition in 2017 as well, hoping to add more schools into the mix.

On September 25th, Pathfinder held its 24th Annual Car Show, proceeds from which helped pay the cost of sending students to the annual SkillsUSA competition. This successful show attracts car lovers in all generations.

Automotive Technology students Brandon Kroll and Paul Jones competed in the *Top Ten Challenge* held at Universal Technical Institute in Norwood. The team placed 8th out of 36 entrants during an event that included written, general component knowledge, and hands-on performance.

Carpentry students James Austin, Keanon Decker, and Alden Leidl entered projects in the New England Woodworking Showcase in January. Alden swept the youth category, winning **both** the people's vote and the judges' vote.

On October 1st, the Machine Shop hosted its 9th annual Poker Run to help with the cost of materials and equipment for that program. A fun time was had by all.

Also in October, students and staff participated in the town of Palmer's 300th Anniversary Parade. Various vocational programs came together to build a float that sprinkled seeds and water throughout the parade route.

The Diversity Club has been concentrating on promoting school-wide tolerance and acceptance. Some of the activities included a dance, cookie decorating, and a citrus fundraiser.

For the third year, the Pathfinder hosted a popular and hugely successful Holiday Craft Fair as a fund raiser

Horticulture students participated in the FFA State Convention held at the Sturbridge Host Hotel. They participated in Floriculture, Team and Single Demonstrations, Extemporaneous Speaking and Science Project. They also competed in other Career Development Events held at Technical High Schools throughout Massachusetts. These events/contests included Safe Equipment/Tractor Operation, Forestry, and Turf Management. Attendance at these events was supported by several fund raising activities throughout the year. Pathfinder boasts 100% FFA membership, including students in all four grades.

Pathfinder FFA also organized and hosted the town of Palmer's 300th anniversary Duck Race and built a float for the 300th Anniversary Parade.

Four Blood Drives were held in 2016, two through Bay State Hospital's Mobile Drive, and two through the American Red Cross. A total of 2621 lives were potentially impacted and saved through donations across the four drives.

The Student Council sponsored an exceptionally successful Thanksgiving Food Drive to benefit local families this year. The donations included 64 turkeys and 1403 canned goods.

ATHLETICS

Participation numbers remained consistent with approximately 175 students taking part athletic programs.

Football finished with 36 participants and a record of 2-8.

The boys' soccer had 26 participants with an 11-6-1 record under new coach, Kevin Sloan. The boys qualified for the Division III State Tournament. The girls' soccer team is a young team this year with a promise for the future.

The Golf team with 8 members experienced a stellar year. Co-Captains Jacob Allard and Joe Conkey qualified for the Western Mass. Tournament. Joe Conkey won The Division III Western Mass Individual Title. As a result, Pathfinder qualified for the State Finals for the first time in Pathfinder's Golf History.

Twenty boys and girls participated on the wrestling team. The wrestling team is very active, hosting and participating in many wrestling matches and tournaments throughout the state.

Basketball will return all varsity players for the upcoming season. The girls' team qualified for the Western Mass. MIAA Tournament.

New softball coach Ashley Puls had a committed team of 18. Given that there was no seasoned pitcher, the girls performed admirably, winning 5 games. In 2017 the girls have high hopes.

The baseball team qualified for the Western Mass. MIAA tournament and advanced to the second round. Andrew Roman was selected to participate in the State Coaches' Junior Select All-star game which was held at Bentley University, and from

that game he qualified to play against the Connecticut Junior select team.

The cheerleading squad has increased in size, and their feisty spirit was contagious throughout both the football and basketball seasons.

GRANTS, DONATIONS AND CONTRACTS

Source	Amount	Acquisitions/ Products
Title 1	\$139,194	Retain Title 1 ELA instructor; Instructional Technology, Summer Transition Program, Supplies

DSAC Grant	\$12,267	DSAC supported trainings In-House Learning;
TOTAL	\$597,035	

SPECIAL PROGRAMS

The Summer Youth Enrichment Program was revived in 2016 after not being offered in 2015 because of the school wide- roof replacement project. Because of the lapse, intensified advertising and an early enrollment discounted rate were instituted to remind the public. The program was a huge success with over 125

different students selecting 190 different program slots-- over 60 children a week!

Parent and student satisfaction with the Youth Enrichment Programs has been extraordinary. Many students return to the program several times and express regret when they become too old to participate. It serves as an excellent introduction to Pathfinder and its environment.

Pathfinder offered two summer school programs designed to enable students to recover credit needed for their promotion or graduation. Academic summer school ran during the month of July for four weeks, with students being expected to log the equivalent of 40 hours per course. Overall, students from 14 schools (including Pathfinder) completed 129 online courses. While vocational related theory courses were offered during July (where students would fulfill 20 hours per course), no students required this program, and therefore it did not run this summer.

FACULTY AND STAFF

Currently the Pathfinder staff consists of 44 vocational teachers, 25.5 academic teachers, 1 teaching assistant, 1 part-time athletic trainer, 9 special education teachers, 3 counselors, a psychologist, a library-media specialist, a speech & language pathologist, a behavioral specialist, a nurse and 9 paraprofessionals. The school is managed by the Superintendent and a group of 7 professional administrators as well as a full-time grants coordinator. The support staff includes 7 custodians, 11 clerical personnel, and 2 cafeteria workers.

In June, the school said farewell to retiree Christopher Pope (Grants coordinator) and to Susan Rudy (Special Ed Instructor). Mary Ellen Rosemarn, Horticulture Instructor, retired in December.

New Hires included Vicky Etzweiler and Amy Skowrya both Business Technology Instructors, Adam Blais, HVAC Instructor, and Jacob Moriarty, Electronics Teaching Assistant. Denise Carrier, formerly Business Technology Instructor, was promoted to Grants Coordinator.

Dr. Paist continues to serve on the Board of Directors of the Massachusetts Association of Vocational Administrators and on the Board of Directors of the Quaboag Hills Chamber of Commerce. An active member of the Assn. for Career & Technical Education, he is one of two Region I Directors for that organization's National Council of Local Administrators (NCLA).

In November, Academic Director Timothy Moriarty was elected to the NCLA Board of Directors as an at-large member.

BUDGET AND FINANCE

In February of 2016, the school committee adopted a FY17 budget of \$13,883,384, representing a 3.92% Increase over the previous year. The 3.92% Increase in FY17 was comprised of a 2.84% increase in the General Fund and a 1.08% increase due to the first of five years' payments on the Total Roof Replacement Project. Subsequently, Pathfinder's nine member communities unanimously voted approval on their assessments during their 2016 town meetings, thereby approving the FY17 budget pursuant to the regional school budget statute. (Please note that Pathfinder's budget increased 1.59% in FY16, decreased 0.34% in FY15, and increased 2.97% in FY14).

Included in Pathfinder's FY17 approved budget assessment calculation, the Regional School Transportation Reimbursement Rate was estimated conservatively at 60 % based on historical

receipts over the last 5 years. While Regional School Districts welcomed the increase in the transportation reimbursement rate in FY15 and FY16 to approximately 70%-72%, this figure is well below the 100% reimbursement rate promised many years ago.

As stated in past years, Pathfinder had historically generated substantial annual revenue from the enrollment of non-resident tuition students once all eligible in-district applicants had been accepted. These revenues have been used to subsidize the annual operating budgets and reduce District assessments. Since FY11, non-resident student enrollments have declined, leading to decreased annual non-resident tuition revenues. In FY11, non-resident tuition accounted for nearly \$900,000.00 in annual revenue. In the current FY17 school year, actual non-resident tuition will account for approximately \$500,000 in revenue. Pathfinder is attempting to mitigate the reduction in non-resident tuition revenue through the implementation of cost saving measures. Currently, the District is reviewing its health insurance plan design and is also reviewing all vocational programs to ensure fiscal accountability.

Additionally, Chapter 70 Aid from the Commonwealth continues to be a concern. For FY17, Pathfinder's Chapter 70 Aid was increased a modest \$14,480 from the previous fiscal year. Pathfinder's total FY17 Student Enrollment of 617 students is nearly unchanged from the FY16 enrollment of 620 students. With the FY18 enrollment currently estimated at 620 students, we expect Chapter 70 School Aid to be relatively unchanged in FY18.

As Pathfinder is currently negotiating employment contracts with multiple units, preliminary FY18 budget increase estimates are difficult to ascertain. Line items such as Health Insurance, Utilities and Salaries (which make up approximately 75 % of the budget) historically drive budget increases which have averaged 2.12% over the last 4 years. Additionally, with low growth in state revenue sources and with decreases in Tuition-In Student Revenue and Medicaid Revenue, future budgeting will be challenging at best. Therefore, Pathfinder is committed to researching and implementing operational efficiencies and cost reduction measures while maintaining its commitment to provide a "state of the art" vocational education.

FACILITIES

The Pathfinder total Roof Replacement Project was completed in March of 2016. The project's final audited cost was \$1,765,680.00. The Massachusetts School Building Authority (MSBA) grant paid for \$1,093,742.00 of the total cost and the final outstanding balance (less Feasibility Study Funds previously paid) of \$641,000.00 was financed as the District entered into a five-year Serial Note with Eastern Bank.

CONCLUDING STATEMENT

As Pathfinder enters its forty-fifth year offering quality vocational education to our member communities, the school committee wishes to reaffirm its pride in the staff and students. They have made substantial contributions to the economic health of our District. The committee recognizes that, in this era of accountability and high expectations, many changes need to be made. The increased emphasis on academic skills needs to be maintained without diminishing the quality of students' technical studies.

Finally, the committee wishes to thank our legislators, town officials, and the several town meetings for their support over these years.

The committee is mindful of the prediction that FY18 fiscal picture will undoubtedly present another challenge. However—as always-- the goal will be to preserve the quality of education that the students deserve.

SOLID WASTE ADVISORY COMMITTEE

The Solid Waste Advisory Committee (SWAC) was established by the Selectboard in 2014 in response to concern among town residents over the closing of the landfill. At the time the committee was formed, the town had entered into an initial 3-year contract for curbside solid waste collection and single stream

recycling. In addition, the contract provides for curbside bulky waste disposal for a fee. This contract is funded by a property tax assessment of \$0.6619 per thousand dollars assessed value. Additional revenue is generated through bag fees, with each resident limited to one 35 gallon/40 pound trash container, and additional trash disposed of using garbage bags purchased by town residents. The purpose of this approach is to encourage waste reduction and recycling. Trash is picked up weekly, and recyclables collected every other week.

The Solid Waste Advisory Committee is charged with the following Mission: "to identify, investigate, and recommend solid waste disposal options including, but not limited to, contracting for a curbside waste collection program, building a transfer station, and creating a solid waste district with other municipalities. All options should address residential waste disposal, yard waste, recycling, waste prevention, and any costs to users, taxpayer, and the Town."

In the past year, the Solid Waste Advisory Committee has focused on the following:

1. January 2016 Survey, which captured feedback from town residents regarding the curbside pickup service program and town resident preferences going forward. Members of the committee collated the results and published a report of the findings. Town participation was strong, with 1 out of 3 households responding to the survey. Of the responses, 2 out of every 3 households said they are satisfied with the current curbside pickup program. For detailed results visit the town website to access The SWAC 2016 Survey Results Report.

2. Special Collection Days, providing additional services to Granby residents for the disposal of yard waste, bulky waste, and hazardous waste. Yard Waste and Bulky Waste Days are held in the morning at the Granby Highway Department on Crescent St. The Hazardous Waste Day is held at the South Hadley landfill once per year. In addition, Granby has reciprocal agreements with several communities in Western Mass. A schedule of Hazardous Waste Days in other communities is published at the website. In 2016, there were 5 yard waste collection days, 2 bulky waste days, and 1 hazardous waste day. The 2017 schedule is published at the Granby website.

3. Compliance with regulatory and community requirements which pertain to the collection and disposal of waste; and is important in maintaining our Green Community status, as well as meeting state DEP goals in waste reduction and recycling. In 2016 the state DEP began a program to encourage textile recycling. 95% of all textiles are recyclable, of which almost half are sold in local stores as second hand clothes. You can find the location of all Textile Recycling Bins in the Town of Granby at the website.

4. Grants which reward the Town of Granby for meeting state waste management and recycling goals. The Sustainable Materials Recovery Program (SMRP) rewards towns for their recycling efforts through a grant process. Each year the town administrator must complete the RDP Annual Report in order to qualify. SWAC reviews the process to make sure we maximize our grant funds and meet our filing deadlines. Grant funds can only be used for qualified expenditures and unspent funds are rolled over from year-to-year. We have been successful in maximizing our grant funding. This year the amount was \$4,200. In addition, Granby was awarded a technical assistance grant for improvement of the school systems waste disposal and recycling processes, resulting in cost savings for solid waste disposal. We were also awarded a technical assistance grant to support new curbside pickup contract negotiations. Technical assistance grants provide expertise to the town which is paid for by the Commonwealth.

5. Curbside Pickup Contract, which is up for renewal in May 2017. SWAC supports the Board of Selectmen in this process, providing recommendations regarding waste management choices. SWAC created an Options Plan, detailing 5 choices the town has available for waste management; including Curbside Pickup, Transfer Station, Curbside Pickup and a Recycling Center, Piggyback/Yoke with another Town, and Leaving the Responsibility for Contracting with a service provider to the Individual. Survey results were included to detail the level of town support for each option. The Options Plan is published at the town website.

A majority of the Solid Waste Advisory Committee members support a tax-funded service, and believe it gives the town the best leverage to secure a favorable contract. With low population density and 57 miles of road, having multiple companies service the town is a more expensive option. Leaving the decision to each town resident to secure their own service is the most expensive option for the average household, and will most likely increase the amount of refuse left on our roads and undeveloped properties; costs for collection and disposal of public way garbage are borne by the Granby Highway Department.

While the current approach is efficient and economical for most households, with 88% paying less than \$200 per year; we acknowledge that for town residents who own parcels of

unoccupied land, the current approach requires they pay for a service their property doesn't need. SWAC looked into the financial impact on owners by analyzing the tax rolls. Of the 532 unoccupied parcels, the median tax amount per parcel is \$43.45 per year; \$10.86 per tax bill. For 124 Parcels that are classified as forest, agricultural, or recreational land; the median tax amount is \$17.15 per year or \$4.29 per tax bill. SWAC does not believe the tax amounts paid on unoccupied parcels is onerous. Instead, SWAC believes the benefits of the current tax-funded approach outweigh the tax paid by 20% of the taxable parcels in Granby that are not occupied; these 656 parcels account for 4.29% of the total value of town property, and average \$9.62 per tax bill. Based upon the current tax rate, 2 out 3 properties pay \$132.38 per year or less, no more than 33.09 per tax bill ; averaging just \$2.75 per week or less for curbside pickup and bi-weekly single stream recycling.

SWAC believes the current tax funded approach benefits the community as a whole, while recognizing that no tax is always fair and equitable to all. Based upon a current tax assessment of 66.19 cents per \$1,000 of your assessed property value for solid waste disposal and curbside pickup; if your properties' assessed valued is between \$0-\$100,000, you can expect to pay between \$0 and \$66.19 in annual tax for waste management and curbside pickup. Between \$100,000-\$200,000, \$66.19 to \$132.38 annually for service. Between \$200,000-\$300,000, your annual tax for waste management and curbside pickup is between \$132.38 and \$198.57. Between \$300,000-\$400,000, your tax bill for curbside service is between \$198.57 and \$264.76. 96.5% of all tax parcels are valued at or below \$400,000. Just 3.5% of all tax parcels are valued above \$400,000.

SWAC publishes all minutes and documentation at the town website. To access, please visit the website.

The monies paid to the Town Treasurer were as Follows:

Dog Licenses fees & fines:	\$10,979.75
Miscellaneous fees & fines:	\$ 4,675.00
Marijuana Fines	<u>\$ 2,100.00</u>
Total	\$17,754.75

Town Clerk duties:

Town Meetings & Elections:

Numerous reports are filed with the County regarding local elections and town meetings. On the State level reports are submitted on elections, voter registrations, and vital statistics.

After every town meeting an Appropriation Statement is given to the Assessors, the Treasurer, and the Town Accountant showing monies voted. There are notes certified by the Clerk's office for the Treasurer and when applicable zoning and general by-law forms are filled out for any articles that need approval from the Attorney General.

In 2016 there were five elections and five town meetings.

Order of events were as follows:

- February 8th Special Town Meeting
- March 1st Presidential Primary
- March 1st Town Debt Exclusion Election
- May 9th Special Town Meeting
- May 9th Annual Town Meeting
- May 16th, Annual Town Election
- June 13th Cont'd Annual Town Meeting
- June 13th Special Town Meeting
- Sept. 8th State Primary
- Nov. 8th Presidential Election

**A new Voting Law in the Commonwealth started in October of 2016, this law is "Early Voting". All communities in the Commonwealth are required to hold Early Voting every biennial year, the next time it will be held will be October 2018. Early voting was held for 12 days from Oct. 24- Nov. 4. Early voting was held in the "Old Library" this was a good location for parking and for handicap accessibly. Early Voting proved to be very successful thru out the Commonwealth, and in Granby 1,447 voters voted early, this was 31% of those that voted in the Presidential Election. The final count of those that voted in the Presidential Election was 3,741 that was 80.5% of Granby's registered voters who came out to support their candidates and questions.*

Recorded for year ending December 31, 2016 in the Central Voter Registry:

Residents:

Residents 17 and under	840
Residents 18 and over	<u>5372</u>
TOTAL RESIDENTS	6,213

(Figures includes 213 Inactive Voters)

**If a voter is listed on the Inactive list and that voter does not answer the Annual Census, vote, sign any petition, or nomination papers, in four consecutive years, then that voter will be notified that they are now deleted from the voting rolls and must re-register to vote to be able to vote in any future town affairs.*

2016 Registered Voters for Precinct 1 & 2:

Conservative	1
Democrats	1073

TOTAL REGISTERED VOTERS (includes 213 Inactive Voters) **4625**

Other election information:

At the end of 2016 three Political Parties were established:

Democrat (D), Republican (R) & Libertarian (L)

(U) Unenrolled-This is the most popular enrollment among voters in Granby "**Unenrolled**" (U) A.K.A. Independent or No Party. Registered as Unenrolled means you do not declared yourself in any particular party or designation. Voters registered as Unenrolled may vote in all State or Federal Primaries without changing their party affiliation

Political Designations: As of December 31, 2016, there were twenty-five political designations in the Commonwealth of Massachusetts.

(A)- Conservative (B)- Natural Law Party (C)-New World Council (E)-Reform (F)-Rainbow Coalition (G)-Green Party USA (H)-We The People- (J) Green Rainbow- (K)-Constitution Party- (M)-Timesizing Not Down- (N) -New Alliance (O)- MA Independent Party (P)-Prohibition (Q)-American Independent (S)-Socialist (T)-Inter. 3rd Party (V)-America First Party (W)-Veteran Party America (X)-Pirate (Y)- World Citizens Party (Z)-Working Families- (AA) Pizza Party- (BB) American Term Limits- (CC) United Independent Party and (DD) Twelve Visions Party.

"Political designations" are any designation expressed in not more than three words, filed by fifty registered voters with the secretary of state on a form provided by him or her, requesting that such voters, and any others wishing to do so, may change their registration to such designation (Ch 50:1). For a political designation to become a political party they need to get at least 3% of the votes cast in a biennial state election. Voters that are registered in a political designation may vote in all State or

Federal Primaries like the Unenrolled voters they would pick a ballot of their choice.

PRECINCT INFORMATION-

THE POLLS ARE MOVING IN 2017

With the consensus of the following groups, the Board of Selectmen, School Superintendent, School Committee, Board of Registrars, Granby Police Chief, and the Town Clerk, it has been decided that the location for voting should be changed to better accommodate voters and students while the East Meadow School is being renovate. Until further notice All Elections for Precinct 1 & 2 will be held in the Granby Jr. Sr. High School Gymnasium. *To find out what your Precinct is go to www.granby-ma.gov under Town Department-Town Clerk- or call the Town Clerk office.*

Other Town Clerk duties:

Annual Census: A mailing is done each January required by the State which provides proof of residence to protect voting rights, veteran's bonuses, housing for the elderly, and related benefits. Answering this mailing helps maintain a status as true as possible on our community's population and the growth of our town. It's important that this is filed so we may get the proper grants and funding that our town deserves.

Dog Licenses: A Massachusetts requirement under the M.G.L., Sec., 137 Ch 140 and the Town of Granby General By-Laws Ch XIV, requires that all dogs six months or older shall be licensed with the town.

Rabies Clinic: This is a voluntary service that I provide for our community and it is held once a year in the spring. It is an excellent way to meet the state requirements on vaccinating your pets at a minimal cost.

Dr. Tim Galusha from the Mill Valley Veterinary Clinic has been helping us with this clinic over the past nine years. I would like to thank him and his staff for their time and efforts. Without his help this event would not be possible.

Miscellaneous Duties: business certificate filings, raffle permits issued, pole location filings, gasoline registration renewals and other duties as they arise.

Other services offered: Notary Public & Justice of the Peace

Credits: An honorable mention to all that have helped me over this past year. I can always count on these individuals to act in a professional manner and to follow procedures to the best of their ability. They all work very hard and their time and efforts are greatly appreciated.

Board of Registrars: Patricia Banas, Jeanne Crosby and Jeanne Merrill.

Election Workers and others for 2016:

Lisa Anderson, Maureen Bail, Laurie Conly, Maureen Costello, Frank Donovan, Kathy Donovan, Steve Dudrick, Richard Gaj, Sr., Rose Helman, Geraldine Hinz, Linda Honan, Kristen Kwisnek, Gordon Landry, Elaine LaFleur, Christine Maheu, Sophie Majchrzak, Gretchen Martin, Gabriella Mercier, Lynn Snopek Mercier, Oliver Mercier, Kevin O'Grady, Earl Owen, James Pietras, Debra Plath, Emily Reed, Harriet Reed, Jason Richard, Gail Roy, Anna Schmitt, Matthew Skipton, John Slater, Virginia Snopek, Dave Trompke, Carol Zebrowski, Donald Zebrowski, and the Town Hall, School, Police, Fire, and Highway Departments.

Town Clerk's office and three other departments, Town Collector, Board of Health, and the Assessors are located at 215 B West State Street

Town Clerks public hours are Monday – Thursday 9:00 am – 3:00 pm, Fridays 9:00 am -12 Noon, and by appointments.

I will continue to work to the best of my ability to serve our community with honor and respect. Thank you for all your support.

Respectfully submitted

Katherine A. Kelly-Regan, Town Clerk, CMMC

RECORD **TOWN OF GRANBY** **SPECIAL TOWN MEETING** **FEBRUARY 08, 2016**

In accordance with the foregoing warrant, the inhabitants of the Town of Granby qualified to vote in elections and town affairs, met at the Granby Jr. Sr. High School on East State Street on February 8, 2016 at 7:00 p.m. then and there to act on the following articles, to wit:

Due to the large amount of voters entering in the building the Moderator, Lynn Snopek Mercier opened the Special Town Meeting at 7:19 p.m. The STM was officially called to order at 7:20 pm a quorum was present (30 or more) 428 were in attendance at the time of opening.

The Pledge of Allegiance to the Flag was lead by the Board of Selectmen Chair, Mark L. Bail and the residents joined in.

The Moderator calls on the Town Clerk, Katherine A. Kelly-Regan, to certify that all the warrants were posted in accordance with the law.

The Clerk responds they have. The warrant for this Special Town Meeting was declared to be in order.

The Committees and Boards present at this STM:

Board of Selectmen: Chair, Mark L. Bail, Members, Mary A. McDowell, and Louis M. Barry, All Present sitting with the Board of Selectmen was the Assistant Town Counselor, Brain J. O'Toole and Town Administrator, Christopher Martin.

Finance Committee: Chair, John Libera, Jr., Members, Robert Cannon, Robert Glesmann III; and Scott Wilson Not Present, James Hartley.

School Committee: Chair, Emre Evren, Members, Jennifer Curran, P. Marie McCourt, Deanne Payne-Rokowski, and James Pietras All Present.

School Building Committee: Chair, Mark Bail, Vice Chair, Joseph Rokowski, Members, Jonathan Cavallo, Emre Evren, Judith Houle, Andrea Kennedy, John Libera, Jr., Christopher Martin, Lynn Snopek Mercier, James Morrissey, James Pietras, Not Present Kenneth Scully.

Vote Counters & Checkers: Maureen Bail, Patricia Banas, Jeanne Crosby, Maureen Costello, Richard Gaj, Sr., Elaine LaFleur, Jeanne Merrill, Debra Plath, and Virginia Snopek.

Microphone Runner- Gabriella Mercier & Oliver Mercier

Police Officer: Stephen Marion

Lynn Snopek Mercier, Moderator, now recognizes George Randall, III, 52 Taylor St, Mr. Randall tells the residents about the upcoming 250th Town Charter Parade. The parade will be held in June of 2018, and he is asking the residents to assist in research.

He expresses that if anyone has pictures, newspaper clippings, anything that can be used to help continue the history of the town. Mr. Randall is working on a continuation from the last book that was printed for the Bicentennial Celebration back in 1968. He expresses that if anyone has such items even if they think it's nothing, it may be something that he finds interesting to include in the book, and he stresses to the residents to please hand it in for him to view. Also, if anyone is interested to help or to be part of this committee to please notify him in this matter, he thanks the residents for their time.

Lynn Snopek Mercier, Moderator, now recognizes all the Town Officials that are involved with running this meeting tonight, the Board of Selectmen, Town Counsel, Finance Committee, Town Administrator, Town Clerk, School Committee, the School Superintendent, and the School Building Committee members.

She then mentions that everyone needs to be seated, and if you are not a registered voter you must be seated in the designated area for non-voters.

She reminds the voters that comments for this meeting must pertain to the warrant and what is being voted on. If comments are made not pertaining to the article she will call the Article out of order.

The Moderator Lynn Snopek Mercier calls for Article 1 of the STM at 7:25 P.M. Motion 2nd

She now calls on Board of Selectmen member Louis Barry to read Article one to the voters.

ARTICLE 1: move the Town vote to authorize the Selectboard, to convey, pursuant to MGL Chapter 40, Section 3 to the Commonwealth of Massachusetts, acting by and through its Department of Conservation and Recreation (DCR) the following parcels held by the Inhabitants of the Town of Granby for the consideration of \$2,590:

Assessor's Map 11B, Parcel 12(10±acres), Book 1090, Page 400
Assessor's Map 11B, Parcel 13(6±acres), Book 1262, Page 171
Assessor's Map 11B, Parcel 14(5±acres), Book 1077, Page 75
Assessor's Map 12A, Parcel 16 (18.24 acres), Book 10865, Page 65

Assessor's Map 12A, Parcel 24 (5.29 acres), Book 1467, Page 1.

And further to authorize the Selectboard, pursuant to Chapter 40, Section 3 of the MGL to convey to DCR the following described parcels at such time and upon such terms as the Selectboard shall determine:

Assessor's Map 10C, Parcel 18, (10± acres), deed reference to be determined

Assessor's Map 12A, Parcel 28, (12.24 acres) Book 10257, Page 327

Assessor's Map 12A, Parcel 35, (15± acres), deed reference to be determined.

Motion 2nd

This Vote only requires a Majority Vote Passed- By 2/3rd Vote - Show of Hands 2/3 Vote Declared By Moderator

There is a short discussion on why this is being sold so cheaply. Selectman, Barry tells the voters it's land lock and goes by what the taxes are and there is no access because of the conservation land lock by State Property.

There is a motion to vote, it's 2nd and the vote is Passed, Declared 2/3rd vote by Moderator, although a Majority vote was all that was required for this Article to pass.

The Moderator now calls on Board of Selectmen Chairman, Mark Bail:

Mr. Bail speaks about this project and how he is very excited for this meeting. He speaks on how hard everyone has been working over the pass 2 ½ years, at this time he introduces the School Building Committee members and mentions a special thank you to Lillian Camus for taking the minutes and Dr. Judith Houle, School Superintendent for her diligent work dealing with this project.

Mark Bail now reads Article 2:

ARTICLE 2: the Town vote to appropriate the sum of \$34,208,975 for the new construction of an approximate 31,730 gross square foot addition and thorough renovation of the existing 37,030 gross square foot East Meadow Elementary School, including the payment of costs incidental or related thereto, for a combined Pre-K through sixth grade school with an approximate total gross square footage of 68,760 with all new construction/renovation work to occur at the current East Meadow Elementary School site located at 393 East State Street, Granby MA, which school facility shall have an anticipated useful life as an educational facility for the instruction of school children for least 50 years, said sum to be expended under the direction of the School Building Committee, and to meet said appropriation the Treasurer, with the approval of the Select Board, is authorized to borrow said sum under M.G.L. Chapter 44, or any other enabling authority; that the Massachusetts School Building Authority's ("MSBA") grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any project costs the Town incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the Town; provided that any grant that the Town of Granby may receive from the MSBA for the Project shall not exceed the lesser of (1) 63.63 percent (%) of eligible, approved project costs, as determined by the MSBA, or (2) the total maximum grant amount determined by the MSBA; provided that any appropriation hereunder shall be subject to and contingent upon an affirmative vote of the town to exempt the amounts required for the payment of interest and principal on said borrowing from the limitations on taxes imposed by M.G.L. 59, Section 21C (Proposition 2½); and that the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount set forth in the Project Funding Agreement that may be executed between the Town of Granby and the MSBA.

Motion 2nd

This requires a 2/3rd Vote

There is a motion to Amend Article 2 by John Libera, Jr., 139 Taylor St, and Finance Committee Chairman:

ARTICLE 2 the Town vote to appropriate the sum of \$34,208,975 for the new construction of an approximate 31,730 gross square foot addition and thorough renovation of the existing 37,030 gross square foot East Meadow Elementary School, including the payment of costs incidental or related thereto, for a combined Pre-K through sixth grade school with an approximate total gross square footage of 68,760 with all new construction/renovation work to occur at the current East Meadow Elementary School site located at 393 East State Street, Granby MA, which school facility shall have an anticipated useful life as an educational facility for the instruction of school children for least 50 years, said sum to be expended under the direction of the School Building Committee, and to meet said appropriation, \$1,000,000 shall be transferred from the Municipal Building Stabilization Fund,

\$1,000,000 shall be transferred from the General Purpose Stabilization Fund, and the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$32,208,975 under M.G.L. Chapter 44, or any other enabling authority; that the Massachusetts School Building Authority's ("MSBA") grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any project costs the Town incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the Town; provided that any grant that the Town of Granby may receive from the MSBA for the Project shall not exceed the lesser of (1) 63.63 percent (%) of eligible, approved project costs, as determined by the MSBA, or (2) the total maximum grant amount determined by the MSBA; provided that any appropriation hereunder shall be subject to and contingent upon an affirmative vote of the town to exempt the amounts required for the payment of interest and principal on said borrowing from the limitations on taxes imposed by M.G.L. 59, Section 21C (Proposition 2 ½); and that the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount set forth in the Project Funding Agreement that may be executed between the Town of Granby and the MSBA.

The Moderator motions to see if the voters will vote on this amendment for Article 2

Motion 2nd

Passes to vote on Article 2 as amended

Before a vote is taken on Article 2, as amended there is a lengthy discussion. The voters wish to know how much will this effect their taxes and what will happen to the current West Street School. What will the term be for the bond if voted through as the Amended Article?

The answer was if the town takes a 30 year Bond it would be an increase rate of 7.6%, an example was given, if your home is worth \$229,000 and your paying \$4,304 it would increase to \$4,630 a year that would be \$326.00 more a year. After over one hour of discussion a motion to forward this Amendment was made by Joseph Rokowski, 124 Maximilian Dr, and a member to the School Building Committee.

The Moderator instructs the voters that in order to move to the previous question and discontinue any more discussion a 2/3 vote is required. Motion to move Question-

Motion 2nd

Motion to move question passes: Unanimous-Show of Hands

The Moderator instructs the voters that to request to Vote on an Article Amendment it requires a majority vote.

A Motion is taken to vote on Article 2 as Main Motion as Amended

Motion 2nd

Main Motion to vote on Article 2 as Amended Passes by Majority

Declared by Moderator--Show of Hands

She now informs the voters that we are ready to take a vote on Article 2 as Main Motion Amended, and that vote will require a 2/3rd vote to pass.

ARTICLE 2 AS AMENDED: the Town vote to appropriate the sum of \$34,208,975 for the new construction of an approximate 31,730 gross square foot addition and thorough renovation of the existing 37,030 gross square foot East Meadow Elementary School, including the payment of costs incidental or related thereto, for a combined Pre-K through sixth grade school with an approximate total gross square footage of 68,760 with all new construction/renovation work to occur at the current East Meadow Elementary School site located at 393 East State Street, Granby MA, which school facility shall have an anticipated useful life as an educational facility for the instruction of school

children for least 50 years, said sum to be expended under the direction of the School Building Committee, and to meet said appropriation, \$1,000,000 shall be transferred from the Municipal Building Stabilization Fund, \$1,000,000 shall be transferred from the General Purpose Stabilization Fund, and the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$32,208,975 under M.G.L. Chapter 44, or any other enabling authority; that the Massachusetts School Building Authority's ("MSBA") grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any project costs the Town incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the Town; provided that any grant that the Town of Granby may receive from the MSBA for the Project shall not exceed the lesser of (1) 63.63 percent (%) of eligible, approved project costs, as determined by the MSBA, or (2) the total maximum grant amount determined by the MSBA; provided that any appropriation hereunder shall be subject to and contingent upon an affirmative vote of the town to exempt the amounts required for the payment of interest and principal on said borrowing from the limitations on taxes imposed by M.G.L. 59, Section 21C (Proposition 2 ½); and that the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount set forth in the Project Funding Agreement that may be executed between the Town of Granby and the MSBA.

Motion 2nd

The Moderator calls on the Vote Counters they go to their stations to count, and the vote are tallied up:

This requires 2/3rd vote to Pass

Passes as Amended by 2/3rd vote-Hand Count **Declared by Moderator**
Yes-387 No-35 this Article required 282 or more votes to pass, the Moderator Declares this Amended Article Passed by 2/3 Votes

The Moderator motions to adjourn this STM

Motion 2nd All in favor to adjourned:

Passed: Unanimous- Show of Hands

The business for this STM held on February 08, 2016 has been completed, all Articles have been voted on and the Moderator officially dissolves this STM at 9:06 P.M.

This was a good turnout especially since there was a snowstorm that day, there were 436 voters and 15 non-voters who showed up to support and participate in this Special Town Meeting.

In order for Article 2 to move forward it is contingent on the vote at the ballot box that will be held along with the Presidential Primary on March 01, 2016.

Respectfully submitted,

Katherine A. Kelly-Regan, Town Clerk, CMMC

TOWN DEBT EXCLUSION VOTE EAST MEADOW SCHOOL BALLOT QUESTION

Shall the Town of Granby be allowed to exempt from the provisions of Proposition two-and-one-half, so called, the amounts required to pay for the bonds issued in order for the new construction of an approximate 31,730 gross square foot addition and thorough renovation of the existing 37,030 gross square foot East Meadow Elementary School, including the payment of costs incidental or related thereto, for a combined Pre-K through sixth grade school with an approximate total gross square footage of 68,760 with all new construction/renovation work to occur at the current East Meadow Elementary School site located at 393 East State Street, Granby MA?

<u>390</u>	<u>410</u>	<u>800</u>
BLANKS		
<u>3</u>	<u>3</u>	<u>6</u>
TOTAL		
<u>1295</u>	<u>1160</u>	<u>2455</u>

The polls opened at 7:00 A.M. and closed at 8:00 P.M. There were 1,358 Democrats, 1,119 Republicans, 2 Green-Rainbow, and 2 United Independent Party, making that a total of 2,481 voters that came out to support their candidates for this Presidential Primary.

The Town also held a Debt Exclusion Election at the same time as the Presidential Primary. This Debt Exclusion was to vote for a new West Street School. 2,455 voters cast ballots in the Towns Debt Exclusion

As of March 1, 2016, Granby had 4,521 registered voters including inactive voters. The turnout was respectable with a total of 2,481 or approximately 55% voter participation

Of the 2,481 voters, 93 were processed as Absentee Ballots for the Presidential Primary, and 97 were processed as Absentee Ballots for the Town Question. There were 7 provisional ballots filed for the Presidential Primary, and 4 Provisional Ballots were filed for the Town Question.

To note: Inactive voters are those individuals who have not answered their annual census or have not voted in past elections or meetings for the last four years. If they remain dormant for four years or two biennial election years they will be removed from the voting rolls.

Once a voter is removed from the voting rolls they must re-register to vote. If an individual tries to vote and they are not on the voting rolls they may file a provisional ballot. A provisional ballot will not count unless it is proven that the voter should not have been removed from the voting rolls, or should have been registered but somehow was not.

If it is proven that they still should have been on the voting rolls, or they should have been registered, then that provisional ballot will be counted.

I certify that all ballots cast for candidates in this Presidential Primary, and those ballots cast for the Town Debt Exclusion held on March 01, 2016, have been counted and recorded in accordance with the law.

Respectfully submitted,

Katherine A. Kelly-Regan, Town Clerk, CMMC

RECORD
TOWN OF GRANBY
ANNUAL/SPECIAL TOWN MEETING
MAY 09, 2016

In accordance with the foregoing warrant, the inhabitants of the Town of Granby qualified to vote in elections and town affairs, met at the Granby Jr. Sr. High School on East State Street on May 09, 2016 at 7:00 p.m. then and there to act on the following articles, to wit:

The Moderator, Lynn Snopek Mercier opened the Annual Town Meeting at 7:04p.m. with a quorum present (30 or more) 88 were in attendance at the time of opening. The Pledge of Allegiance to the Flag was lead by the Board of Selectmen Chairman, Mark L. Bail, and the Town Officials along with the residents joined in.

The Moderator calls on the Town Clerk, Katherine A. Kelly-Regan, to certify that all the warrants were posted in accordance with the law.

The Clerk responds they have. The warrant for this Annual Town Meeting was declared to be in order.

Committees and Boards present at this ATM:

Board of Selectmen: Chair, Mark L. Bail, Members, Mary A. McDowell, and Louis Barry All Present.

School Committee: Chair, Emre Evren, Members, Jennifer Curran, Marie McCourt, Deanne Payne-Rokowski; and James Pietras.

Planning Board Chair, Pamela Desjardins, Members Glen Sexton, James Trompke , Not Present Lisa Anderson, and Robert Sheehan.

Others in attendance: Town Counselor, Edward Ryan, Jr., Town Administrator, Christopher Martin, Personnel Board Chair, Albert Bail, and School Superintendent Judith Houle.

Vote Counters & Checkers: Maureen Bail, Maureen Costello, Richard Gaj, Sr., Elaine Lafleur, Jeanne Merrill and Debra Plath. Microphone runner, Oliver Mercier

Public Safety: Ryan Senecal, Police Officer on duty

The Moderator calls for Article 1 of the ATM at 7:06 P.M.
Motion 2nd

ARTICLE 1. move the Town vote to conduct the business of the meeting as follows; on May 9, 2016 consider articles two through sixteen and on June 13, 2016 consider articles sixteen through twenty-six.
Motion 2nd

Passed- Unanimous- Show of Hands

ARTICLE 2. move the Town vote to hear the reports of Town Officers and all standing and special committees and act thereon.

Motion 2nd

Passed- Unanimous- Show of Hands

All Annual Reports will be given at the second portion of this year's Annual Town Meeting that will be continued on Monday, June 13, 2016.

ARTICLE 3. move the Town vote to authorize the Board of Selectmen to conduct the listed activities, as printed in the warrant, for fiscal year 2017.
Motion 2nd

No Discussion

Passed: Unanimous-Show of Hands

The following are the articles that were listed in the ATM warrant:

**To sell, after first giving notice of time and place of sale by posting such notices of sale in some convenient and public place in the Town 14 days at least before the sale, property taken by the Town under tax title land of low value procedure, provided the Board of Selectmen or whomever they authorize to hold such public auction, may reject any bid they deem inadequate.*

**To apply for and accept Federal or State grants or monies as may be made available and to allow the Board of Selectmen to expend any funds received as set forth in the appropriate application.*

**To enter into a contract with the Massachusetts Highway Department for the construction and maintenance of public highways for the ensuing year.*

ARTICLE 4. move the Town vote to authorize the various departments to receive compensation for services rendered as printed in the warrant, for fiscal year 2017:
Motion 2nd

No Discussion

Passed: Unanimous-Show of Hands

The following are the articles that were listed in the ATM warrant:

A. The Cemetery Commissioners to dig graves and maintain the equipment and grounds in the cemeteries at a wage rate that is no less than the minimum wage.

B. The members of the Board of Assessors to be compensated \$15 per parcel for necessary fieldwork and data collection for services rendered in connection with the revaluation and recertification process involving one-sixth of the improved parcels in town.

C. The members of the Board of Health, or their consultants, to receive compensation at a wage rate of \$35 per inspection or specific required activity.

D. The members of the Planning Board, or their appointees, to receive compensation at a wage rate of \$65 per inspection.

ARTICLE 5. move the Town vote to authorize the Conservation Commission to charge a fee of \$65 for each site inspection deemed necessary by a quorum of the Commission. Fees shall be payable to the Town of Granby Conservation Commission and deposited in the Conservation Hatch Fund. **Motion 2nd**

No Discussion Passed-Unanimous-Show of Hands

ARTICLE 6. move the Town vote to accept the following gifts in calendar year 2016 for perpetual care of cemetery lots:

Robert A Glesmann III	\$1,155.
Richard J. Lussier	\$1,155.
Leo E. Fugler Jr.	\$1,155.
Diana Flaherty	\$1,555.
Samuel & Lisa Lariviere	\$ 765.
William Julian	\$ 1,555.

Motion 2nd

No Discussion Passed- Unanimous-Show of Hands

It is now 7:13 p.m. the Moderator calls for a recess from the ATM in order to do the STM that was scheduled for 7:10 p.m. as posted accordingly by our Town By-Laws as written in the Special Town Meeting Warrant.

The Moderator calls on the Town Clerk, Katherine A. Kelly-Regan, to certify that all the warrants were posted in accordance with the law.

The Clerk responds they have. The warrant for this Special Town Meeting was declared to be in order.

The Moderator calls for Article 1 of the STM at 7:13 P.M.

Motion 2nd

Emre Evren, School Committee Chairman is recognized, he respectfully asks the Town Meeting voters to consider to vote No on Articles 1-3 on this Special Town Meeting. He continues to explain how the schools need to access all possible available funds to help the schools financial problems. He is requesting that these articles be brought forth on June 13, 2016, when the second half of the Town's Annual Town Meeting will continue. At that time the School Committee will have a better idea on how much funding they will need. There is a long discussion about why we should or should not move these articles.

The Finance Committee Chairman, John Libera, Jr., the Town Administrator, Christopher Martin, and the Board of Selectmen members Mark Bail, and Mary McDowell all spoke on their reasons why they believe it's best to keep this money in stabilization over keeping it as Free Cash. Their consensus, stabilization secures the money for the town where as free cash, if not used by that FY those funds may go back to the state and it's very difficult to request that money back. As for being kept in a stabilization fund ,it's like keeping the money in a savings account. The money is secure within the town. The difference from stabilization funds to free cash is that with the stabilization funds to pass an article there must be 2/3majority vote, whereas in Free cash to pass an article it's just a majority vote. The Officials all agreed, place the money in a secure setting, and have the School Committee come back to the floor in June to request an Article for the Schools.

*Gary Phelps, 137 Batchelor St, makes a motion to move the discussion and to vote on Article 1, the moderator motions to end this discussion and move to vote, it passes by majority to move the discussion. The Moderator now calls on a vote for Article 1 of the STM, the **motion is 2nd***

The Moderator calls for the vote counters to take a count on Article 1 this will require a 2/3 vote to pass.

ARTICLE 1 move the Town vote to transfer from Free Cash the sum of \$100,000 for the purpose of funding the General Purpose Stabilization Fund. **Motion 2nd** *Requires a 2/3 Vote*

Long Discussion Passed by Majority 2/3 Vote-Hand Count
63-Yes- 28-No This Article required at least 61 votes in favor to pass Article 1 of the STM passes by 2/3Majority vote

ARTICLE 2 move the Town vote to transfer from Free Cash the sum of \$100,000 for the purpose of funding the Municipal Building Construction/Renovation Stabilization Fund.

Motion 2nd *Requires a 2/3 Vote*
Short Discussion Passed by Majority 2/3 Vote-Hand Count
66-Yes- 22-No This Article required at least 59 votes in favor to pass Article 2 of the STM passes by 2/3 Majority vote

ARTICLE 3 move the Town vote to transfer from Free Cash the sum of \$92,549 for the purpose of funding the Capital Needs Stabilization Fund. **Motion 2nd**

Requires a 2/3 Vote Short Discussion

Passed by Majority 2/3 Vote-Hand Count
77-Yes- 17-No This Article required at least 62votes in favor to pass Article 3 of the STM passes by 2/3 Majority vote.

ARTICLE 4 move the Town vote to approve a Power Purchase Agreement between the Town of Granby and KEARSARGE ATHOL LLC for a term of twenty years. **Motion 2nd**

Requires a Majority Vote Short Discussion

Passed by Majority- Declared by Moderator- Show of Hands

The voters vote to let Andrew Berstein from Kearsarge Athol LLC speak about the this solar plan. A question is asked does this include the whole town? This plan does not include the schools, but would include all other municipal departments. A vote is taken and it's declared passed by the Moderator by show of hands.

The Moderator Motions to dissolve this STM. **Motion 2nd**

Passed-Unanimous-Show of Hands

The business for this STM is completed and the Moderator officially dismisses this STM at 8:25P.M.

At this time the Moderator reopens the Annual Town Meeting.

The Annual

Town Meeting is officially resumed for business at 8:26 P.M.

The Moderator calls for Article 7 of the Annual Town Meeting **Motion 2nd**

ARTICLE 7. move the Town vote to authorize the following Revolving Funds in accordance with M.G.L. Ch. 44, Section 53E½, as printed in the warrant, and to authorize expenditures from these funds for fiscal year 2017 without further appropriation.

Inspections Revolving	\$92,709
Parks Oversight	\$40,000
Charter Day	\$50,000
Planning Board	\$50,000
After School Activities Program	\$20,000
Dog	\$12,116

Library

\$ 2,000
Motion 2nd

Passed: Majority-Declared by Moderator-Show of Hands
Short Discussion on Section B- Parks Oversight Revolving

The following are the articles that were listed in the ATM warrant:

A. An Inspections Revolving Fund that may be spent by the Inspector of Buildings to pay for the wages, expenses, and contracted services required for the operation of the preventive inspections department. The Inspections Revolving Fund is to be credited with all revenue received from building, electrical, and gas fees, licenses and permits in fiscal year 2017 and with the remaining balance of the fiscal year 2016 Inspections Revolving Fund. The Inspector of Buildings may spend \$92,709 in revolving fund monies in fiscal year 2017.

B. A Parks Oversight Revolving Fund that may be spent by the Parks Oversight Ad-Hoc Committee to pay for the wages, expenses, contracted services and capital improvement required for the operation of the Town parks. The Parks Oversight Revolving Fund is to be credited with all reservation and security deposit fees and contributions received in fiscal year 2017 and with the remaining balance of the fiscal year 2016 Parks Oversight Revolving Fund. The Parks Oversight Ad-Hoc Committee may spend \$40,000 in revolving fund monies in fiscal year 2017.

C. A Charter Day Revolving Fund that may be spent by the Charter Day Committee to pay for the wages, expenses and contracted services required to celebrate Charter Day. The Charter Day Revolving Fund is to be credited with revenue and contributions received in fiscal year 2017 from Charter Day activities and with the remaining balance of the fiscal year 2016 Charter Day Revolving Fund. The Charter Day Committee may spend \$50,000 in revolving fund monies in fiscal year 2017.

D. A Planning Board Fees Revolving Fund that may be spent by the Planning Board to pay for any or all expenses or contracted services of the Planning Board. The Planning Board Fees Revolving Fund is to be credited with all application fees and charges received in fiscal year 2017 and with the remaining balance of the fiscal year 2016 Planning Board Fees Revolving Fund. The Planning Board may spend \$50,000 in revolving fund monies in fiscal year 2017.

E. An After School Activities Program Revolving Fund that may be spent only upon authorization of the Superintendent of Schools to pay for maintenance, supply and operation, including wages of personnel of the After School Activities Program. The After School Activities Program Revolving Fund is to be credited with all revenues generated by the After School Activities Program in fiscal year 2017 and with the remaining balance of the fiscal year 2016 After School Activities Program Revolving Fund. The Superintendent of Schools may spend \$20,000 in revolving fund monies in fiscal year 2017.

F. A Dog Revolving Fund that may be spent by the Police Department to pay for any or all expenses or contracted services of the Canine Control Bylaw. The Dog Revolving Fund is to be credited with all dog licensing fees and any other charges received in fiscal year 2017 and with the remaining balance of the fiscal year 2016 Dog Revolving Fund. The Police

Department may spend \$12,116 in revolving fund monies in fiscal year 2017.

G. A Library Revolving Fund that may be spent by the Library Commissioners to pay for any or all expenses or contracted services for the repair and maintenance of the Library pavilion and to provide library services. The Library Revolving Fund is to be credited with all pavilion user fees and any other charges received in fiscal year 2017 and with the remaining balance of the fiscal year 2016 Library Revolving Fund. The Library Commissioners may spend \$2,000 in revolving fund monies in fiscal year 2017.

ARTICLE 8. move the Town vote to authorize Town departments to enter into agreements in accordance with M.G.L. Chapter 40 Section 4A for the fiscal year 2017. **Motion 2nd**

No Discussion **Passed- Unanimous-Show of Hands**

ARTICLE 9. move the Town vote to amend the Bylaw of the Town of Granby, Volume II, Chapter XIX Personnel Bylaw, APPENDIX C Classification Plan Grade Assignments by inserting Assistant Assessor Grade **Motion 2nd**

No Discussion **Passed- Unanimous-Show of Hands**

* Back page for Appendix C -Classification Plan Grade Assignments

ARTICLE 10. move the Town vote to amend the Bylaws of The Town of Granby, Volume II, Chapter XIX Personnel Bylaw, APPENDIX D Compensation Plan Pay Schedules, and substituting a new APPENDIX D, showing the twelve pay grades and ten steps to be effective July 1, 2016. **Motion 2nd**

No discussion **Passed- Unanimous-Show of Hands**

*Back page for Appendix D Compensation Plan Pay Schedule

ARTICLE 11. move the Town vote to accept General Laws Chapter 44, Section 53F^{3/4}, which establishes a special revenue fund known as the PEG Access and Cable related Fund, to reserve cable franchise fees and other cable-related revenues for appropriation to support PEG access services and oversight and renewal of the cable franchise agreement, the fund to begin operation for fiscal year 2017, which begins on July 1, 2016. **Motion 2nd**

Short Discussion **Passed-Unanimous-Show of Hands**

ARTICLE 12. move the Town vote to accept General Laws Chapter 32B, Section 20, as amended, to establish an Other Post-Employment Benefits (OPEB) Liability Trust Fund. **Motion 2nd**

Short Discussion *Only Majority required to pass*

Passed- Majority-Declared by Moderator-Show of Hands

ARTICLE 13. move the Town vote to raise and appropriate \$150,000 for the purpose of funding the Town's Other Post-Employment Benefits (OPEB) liability. **Motion 2nd**

Short Discussion *Only Majority required to pass*

Passed- Majority-Declared by Moderator-Show of Hands

The polls opened at 10:00 a.m. and closed at 8:00 p.m. 626 registered voters came out to support their town and candidates. Out of the 656 voters 50 of them were absentee ballots. There were no provisional ballots processed.

There were two contested races the Board of Selectmen and Planning Board. The percentage of voters that voted in this election was a low 14%, as of May 16, 2016 the town had 4,533 registered voters, 391 of these voters are considered inactive voters.

Any voters who are listed as an inactive voter and choose not to vote, answer their census, sign nomination or petition papers, or inform the town clerk's office on their current residency will be eliminated from the voter registration rolls after two Biennial elections or four years have gone by without any activity.

I certify that all ballots cast for candidates in this Annual Town Election held on Monday, May 16, 2016, have been counted and recorded in accordance with the law.

Respectfully submitted,
Katherine A. Kelly-Regan, Town Clerk, CMMC

RECORD OF RECOUNT MAY 26, 2016:

On May 20, 2016, Glen N. Sexton, of 53 Amherst Street, turned in two petition papers filing for a recount for the Board of Selectmen position. To file a recount there must be ten registered voters from each precinct to qualify for a recount. He filed fifteen signatures from each precinct with the following statement on each petition:

His reasoning: "We believe there may have been an error in the counting process. The total number of votes cast for Glen Sexton is incorrect, and may be more. Therefore, we are requesting a recount of the total number of votes due to the difference of 6 votes."

The Board of Registrars verified the signatures for each precinct, and the date and time determined for this recount was scheduled for Thursday, May 26, at 6:00 p.m. in the Senior Center where the Board of Selectmen meet.

Overseeing this process, the Board of Registrars, Patricia Banas, Jeanne Crosby, Jeanne Merrill, and Katherine Kelly-Regan, Clerk, the counters for Precinct One, Election Warden, Francis Donovan, and Election Clerk, Maureen Costello, and for Precinct two, Deputy Warden, Matthew Skipton, and Deputy Clerk, Debra Plath, the runner for Precinct One, James Pietras, and for Precinct Two, Earl Owen.

All candidates for Board of Selectmen were notified on this recount. Only two of the four candidates chose to participate, the petitioner Glen N. Sexton, and Stephen Anthony Chojnacki, participated, Wayne H. Tack, Sr., and Jennifer Silva chose not to participate.

Observing the recount the petitioner Glen Sexton, along with his observers, Daniel Boyea, Richard Rosazza, and George Sexton.

Stephen Chojnacki, along with his Attorney, Victor M. Anop, and his observers Josh Crochieriere, Richard Frisch, and Jeffrey Skelskie.

Also in attendance was Edward Ryan, Jr. Town Counselor.

The hand count took approximately 1 ¼ hrs, and the outcome was slightly different. The Board of Registrars made two decisions, on one ballot it was determined by the Board of Registrars that the mark clearly had the intent for Chojnacki, the other ballot had a mark for Sexton, and also a write in on it for Silva, it could not be determined what the true intent of this voter was, and therefore that vote did not count.

The final hand tally count for Board of Selectmen:

Stephen Chojnacki -	<u>216</u>
Glen N.Sexton -	<u>209</u>
Wayne H. Tack, Sr -	<u>173</u>
Jennifer Silva-	<u>43</u>
Others	<u>6</u>
Blanks	<u>8</u>
Total	655

I certify that all ballots counted in this Recount for the Board of Selectmen position that took place on May 26, 2016, have been counted and recorded in accordance with the law.

Respectfully submitted,
Katherine A. Kelly-Regan, Town Clerk, CMMC

RECORD TOWN OF GRANBY ANNUAL TOWN MEETING RECONVENED & SPECIAL TOWN MEETING JUNE 13, 2016

In accordance with the foregoing warrant, the inhabitants of the Town of Granby qualified to vote in elections and town affairs, met at the Granby Jr. Sr. High School on East State Street on June 13, 2016, at 7:00 p.m. then and there to act on the following articles, to wit:

The Moderator, Lynn Snopek Mercier opened the Reconvened Annual Town Meeting at 7:06 p.m. The ATM was called to order at 7:09 pm a quorum was present (30 or more) 209 were in attendance at the time of opening.

The Pledge of Allegiance to the Flag was lead by Board of Selectmen Chair, Mark Bail, and the residents joined in.

The Moderator calls on the Town Clerk, Katherine A. Kelly-Regan, to certify that all the warrants were posted in accordance with the law.

The Clerk responds they have. The warrant for this portion of the Annual Town Meeting was declared to be in order.

The Committees and Boards present at this ATM/STM:

Board of Selectmen: Chairman, Mark L. Bail, and Stephen A. Chojnacki, Not Present, Louis Barry. Sitting with the Board of Selectmen; Town Counselor, Edward Ryan, Jr. and Town Administrator, Christopher Martin,

Finance Committee: Chair, John Libera, Jr., Members, Robert Glesmann, III, and Scott Wilson, Not Present, Robert Cannon, and James Hartley.

School Committee: Chair, Emre Evren, Members, Jennifer Curran, P. Marie McCourt, Deanne Payne-Rokowski, James Pietras, All Present.

Sitting with the School Committee was the schools new Superintendent Sheryl Stanton.

Others presenting Articles: Acting Fire Chief, Bruce Carpenter, Highway Superintendent, David Desrosiers, and Police Chief, Alan Wishart.

Vote Counters & Checkers: Maureen Bail, Patricia Banas, Jeanne Crosby, Maureen Costello, Richard Gaj, Sr., Elaine Lafleur, Jeanne Merrill, and Earl Owen.

Filed by: Tricia Woods **Microphone runner:** Oliver Mercier

Police Officer on Duty: Stephen Marion

The Moderator Lynn Snopek Mercier, introduces all committees and boards that are sitting up front, the School Committee, the Finance Committee, the Board of Selectmen, the Town Administrator, the Town Counselor, and Town Clerk.

Madame Moderator: She now informs the voters that at 7:10 p.m. we are to take a short recess from the reconvened ATM in order to do the STM that is scheduled for 7:10 p.m., as posted accordingly by our Town By-laws as written in the Special Town Meeting Warrant. She calls for a Motion. **Motion 2nd**

The Moderator, Lynn Snopek Mercier, opened the Special Town Meeting at 7:09 p.m. with a quorum present, 209 were in attendance at the time of opening the STM.

The Moderator calls on the Town Clerk, Katherine A. Kelly-Regan, to certify that all the warrants were posted in accordance with the law. The Clerk responds they have.

The warrant for this Special Town Meeting was declared to be in order. *She mentions to the voters that the three articles for this Special Town Meeting Requires only a Majority Vote.*

The Moderator calls for Article 1 of the STM at 7:10 P.M.

Motion 2nd

ARTICLE 1. move the Town vote to transfer \$22,885 from account 01-192-5300-000 to account 01-192-5111-000 for the purpose of funding the Public Buildings Personal Services budget for FY2016. **Motion 2nd**

No Discussion **Passed by Majority-Show of Hands**
Declared by Moderator

ARTICLE 2. move the Town vote to transfer from Retained Earnings \$39,000 for the purpose of funding the Ambulance Department Personal Services budget for FY2016. **Motion 2nd**

Short Discussion **Passed Unanimous-Show of Hands**

The Moderator asks the voters for permission to have the Acting Fire Chief speak on Article 2 of the STM. The Acting Fire Chief, Bruce Carpenter is not a Granby resident therefore; the voters must agree to let him speak. **Motion 2nd**

Bruce Carpenter mentions that the wages were running in the red, and we needed this money to keep the ambulance Department functioning.

ARTICLE 3. move the Town vote to transfer the remaining balance in the Cable Receipts Reserved For Appropriation account as of June 30, 2016 to the PEG Access and Cable Related Fund. **Motion 2nd**

Short Discussion **Passed by Majority-Show of Hands**
Declared by Moderator

Madame Moderator moves to adjourn:

MOTION: move to adjourn this Special Town Meeting

Motion 2nd **Passed- Unanimous- Show of Hands**

The business for this STM is completed and the Moderator officially dissolves the STM at 7:17 P.M.

At this time the Moderator reopens the reconvened Annual Town Meeting. This portion of the Annual Town Meeting is officially resumed for business at 7:17 P.M.

She first calls on any committees or boards who have reports to give.

At this time the Moderator calls on Mark Bail, the Board of Selectmen's Chairman: Mr. Bails reminds the voters of our town's fiscal problems, and part of this is due to tax cuts and state funding "As a town we have no control over this situation, and we will have some very difficult decisions to make". He mentions that our local Senator and Reps are aware of these problems, and that they are trying to help in any way they possibly can.

The Moderator calls on John J. Libera, Jr., Finance Chairman:

Mr. Libera mentions Granby has a balance budget for FY 2017. He talks about State Aid and how it will decrease for this coming fiscal year by \$60,667. He speaks about Chapter 90 income that pays for road repairs and improvements, and that too is to decrease for this fiscal year. He mentions that a State Budget has not been finalized and some of these figures could change.

He speaks on things to consider for the future, that Granby has the largest financial commitment in its history, voting to build a 34.2 m school complex, which will cost close to 27million in cash and repayments of the borrowing. He mentions how important it is not to use up the Stabilization Funds that we must keep those funds for the town's savings to cushion hard times.

Conclusion:

The financial pressures on the Granby citizens of the near future have been known for quite some time. Nothing really has changed. Granby's approach to the future has always seemed to be: wait and see. Nothing really has changed. Difficult decisions have to be made.

****To read the full Finance report please refer to the Finance Committee and Capital Improvement Committee Reports 2016-2017 or by going on the Website www.granby-ma.gov**

The Moderator now calls on Police Chief Alan Wishart, Mr. Wishart is the Chairman for the By-Law Committee, and explains to the voters that this five member committee is working on updating the General By-Law, and hopes that they will get

through this process, and present the changes by next year. These changes have to be voted on by the Town voters, and then finalized and approved by the AG's office before the changes can take affect.

No other reports were given from any other Boards or Committees.

The first portion of this year's ATM was held on May 09, 2016, Articles voted on were Articles 1- 16. Article 17 will be the first Article to be called on for the second half of this ATM that is reconvened on June 13, 2016.

ARTICLE 17: move the Town vote to transfer from available funds the sum of \$281,047 authorized under Chapter 291 of the Acts of 2004 for highway construction and improvements defined under Chapter 90 of the General Laws. **Motion 2nd**

No Discussion **Passed-Majority-Show of Hands**
Declared by Moderator

ARTICLE 18: move the Town vote to raise and appropriate \$39,701 for the purpose of purchasing a marked cruiser for the Police Department. **Motion 2nd**

Short Discussion **Passed by Majority-Show of Hands**
Declared by Moderator

Chief Wishart explains the old cruiser would be reused as the dog officers vehicle.

ARTICLE 19: move the Town vote to raise and appropriate \$50,000 for the purpose of purchasing engineering services for engineering study of the West Street School building. **Motion 2nd**

Short Discussion **FAILED -Show of Hands**
Declared by Moderator

It was question why we need to do another study on the West Street School? Selectman, Mark Bail said that it's part of the requirement that a plan has to be set for the existing building once the new building is made.

The voters felt this was premature, and thought we should have a committee to determine what would be the next step. Whether we would refurbish the building for the use of another town building, to sell, or to demolish, but the consensus was to wait on the funding until a committee comes up with a plan.

A motion is taken, and **Article 19- FAILS by Majority-Declared by the Moderator**

ARTICLE 20: move the Town vote to raise and appropriate the sum of \$368,548 as its apportioned share of the fiscal year 2017 budget for the Pathfinder Regional Vocational Technical High School District. **Motion 2nd**

Short Discussion **Passed- Majority-Show of Hands**
Declared by Moderator

A question is asked" how many students attending Pathfinder"? Selectman, Mark Bail, "at this time I'm not sure between 20-30 students. He also mentions that this is a requirement by law to offer students a vocational school as an option for their education.

Another question asked;" are they looking into other vocational schools that may be more cost effective"? The answer was that the School Superintendent is looking at Dean Vocational as another option.

ARTICLE 21: move the Town vote to raise and appropriate and transfer from available funds \$379,919 to operate the municipal solid waste department.

Wages	\$ 5,000
Expenses	<u>374,919</u>
	\$379,919

and that \$16,878 be raised from municipal solid waste receipts and \$363,041 be raised from Tax Levy. **Motion 2nd**

Short Discussion **Passed- by Majority- Show of Hands**
Declared by Moderator

A question was asked" Is the third year contract over yet"? Mr. Bail, the third year is now started as of June 2016.

ARTICLE 22:move the Town vote to raise and appropriate and transfer from available funds \$216,677 to operate the sewer department.

Wages	\$11,560
Expenses	126,792
Capital	20,000
Debt	<u>58,325</u>
	\$216,677

and that \$196,677 be raised from sewer receipts and \$20,000 transferred from Retained Earnings . **Motion 2nd**

Short Discussion **Passed-by Majority- Show of Hands**
Declared by Moderator

There was a change to Article 22- it's noted that a change is between article and the motion, to add" Capital \$20,000 to be transferred from Retained Earnings", and it was mentioned that the Article also had a Typo in the handouts, and it should be refer to the" sewer department" not the ambulance.

ARTICLE 23: move the Town vote to raise and appropriate and transfer from available funds \$512,074 to operate the ambulance department.

Wages	\$388,964
Expenses	50,350
Capital	15,300
Debt	<u>57,460</u>
	\$512,074

and that \$276,844 be raised from ambulance receipts, \$52,000 be raised from Retained Earnings, and \$183,230 be raised from Tax Levy **Motion 2nd**

Short Discussion **Passed-Unanimous- Show of Hands**

Madame Moderator informs the voters on how Article 24 will be presented: Article 24 will be read and discussed in sections, there are 41 Items listed in Article 24. They are presented as follows: Item 1, Item 2, Items 3-6, Items 7-10, Items 11-14, Items 15-18, Items 19- 22, Items 23-26, Items 27-30, Items 31-34, and Items 35 -41. She will ask the voters after each section if there are any discussions on those items, once those discussions are completed the voters will vote on each Item separately.

ARTICLE 24: move the Town vote to raise, appropriate, or transfer from available funds such sums of money as may be necessary to defray the expense of the Town including debt and interest for the ensuring year and to carry out any vote passed under this article.

Item 1- At 8:12 p.m., Emre Evren School Committee Chairman, asks the voters to support funding the Public Schools in an amend to Article 1:

Amendment 1: "I would like to amend article 24, Item 1, related to the school budget, to change the total amount to \$7,940,600 through transfer of funds from the General Stabilization Fund in the amount of \$345,938."

He explains that State Funding has lack of funds and the school had major cut backs and needs financial help from the town to maintain a quality education for the children. Mr. Evren speaks about the schools problems.

Another amendment is proposed, Diana Peltier, of 8 Karen Drive, she respectfully requests to amend Mr. Evren's Amendment to read:

Amendment 2: I move the Town to amend Article 24 Item 1- the school budget (7,594,662) I respectively ask that we amend the article and add an additional \$546,537 to be transferred from the General Purpose Stabilization Fund so that the total amount for the Item article 24 Item 1- school budgets, equals 8,141,199

Lynn Mercier, Moderator, explains that this is now a second Amendment, and we must take a vote to add this to the previous amendment. She mentions to the voters that if this passes it will swollen the first amendment, and it would be attach to the motion, if it Fails then it would go back to Mr. Evren's amendment.

Mr. Evren thanks Diana for her efforts but request that it goes back to the original amendment he presented. The Moderator calls for a vote on Diana Peltiers Amendment 2, a vote is taken to accept the Amendment:

I move the Town to amend Article 24 Item 1- the school budget (7,594,662)

I respectively ask that we amend the article and add an additional \$546,537 to be transferred from the General Purpose Stabilization Fund so that the total amount for the Item article 24 Item, 1- school budget, equals 8,141,199 **Motion 2nd**

Amendment 2- on Article 24, Item 1- Presented by Diana Peltier, Fails to Amend- **FAILS-by Majority-Declared by Moderator**

It now goes back to Emre Evren's Amendment 1. It's now 9:12 pm one hour into this discussion.

Finance Chairman, John Libera, Jr. presents another Amendment 2, this Amendment reads:

I move the Town vote to amend the previous amendment (offered by Emre Evren) by striking out" to be transferred from the General Purpose Stabilization Fund" and inserting "to be contingent upon the successful passage of a Proposition 2-1/2 override vote."

Thus: **I move the Town vote to amend Article 24 Item 1- the school budget (\$7,594,662)**

I respectively ask that we amend the article and add an additional \$345,938 to be contingent upon the successful passage of a Proposition 2-1/2 override vote so that the total amount for item article 24 item 1- school budget, equals \$7,940,600.

After further discussion the Moderator calls for a vote to see if the voters will vote on Amendment 2 from Mr. Libera to take this funding contingent of a Prop 2 1/2 override.

The Moderator calls for a vote, Amendment 2- on Article 24, Item 1- Presented by John Liberia, Jr. Fails to Amend- **Fails by Majority vote-Show of Hands- Declared by Moderator**

It now is 9:40, and voters are asking to move this question. The Moderator now asks the voters if they are willing to Amend Article 24, Item 1- as Mr. Evren proposed. A vote is taken to see if the voters are willing to Amend Article 24, Item 1.

A hand count is taken and it passes by Majority- Yes 154- No-69 to Vote on Article 24, Item 1 as Emre Evren's proposed Amendment 1.

Lynn Mercier, Moderator now explains that being this Amendment will be taken out of stabilization it will require a 2/3 vote on the whole school budget.

Ed Ryan, Jr. Town Counselor makes a Motion to suggest to bifurcate the vote, and that way you will not jeopardize the whole budget. What this means is the voters will vote on the original school budget for a Majority to pass, and take a second vote with the additional money from the General Stabilization with a two -thirds vote.

There is still some discussion, and the Moderator now calls for a vote on Article 24, Item 1. The vote is taken in two steps first vote as originally presented (Majority needed), and second vote as Emre Evren's Amendment 1 (2/3rd Required).

Below are the final accounts on Article 24- Items 1-41:

ARTICLE 24: move the Town vote to raise, appropriate, or transfer from available funds such sums of money as may be necessary to defray the expense of the Town including debt and interest for the ensuring year and to carry out any vote passed under this article.

Item	Budget
1	School Department
	Personal Services \$ 5,885,543
	Expenses 1,709,119
	Transportation

Long Discussion

Motion 2nd

This Item is voted in two sections; First portion of Article 24, Item 1, as originally presented

Passes by Majority-Declared by Moderator-Show of Hands 2nd Portion-as Amendment 1 by Emre Evren

Amendment 1: "I would like to amend article 24, Item 1, related to the school budget, to change the total amount to \$7,940,600 through transfer of funds from the General Stabilization Fund in the amount of \$345,938." **2/3 Vote required Motion 2nd**

Passes by 2/3 vote – Hand Count- Yes- 167 to No- 65

In order for this Amendment1 to pass a required 2/3 would be 155 or more Both Sections of Article 24-Item 1 Pass by the required amount.

Article 24, Item 2-41 are now being presented to vote on at 9:58 pm nearly two hours of discussion was on Article 24, Item 1.

TOTAL BUDGET

\$15,274,411

**Item 1 of Article 24 (School Dept): adding Amendment 1, transferring funds from the General Stabilization Fund in the amount of \$345,938. would make the Total Budget \$15,620,349.*

ARTICLE 25: move the Town vote to transfer from the Capital Equipment Needs Stabilization Fund \$217,200 for the purpose of reducing the funding from tax levy for the fiscal year 2017 appropriations. **Motion 2nd 2/3 Votes Required**

Short Discussion Passed-2/3 Majority –Show of Hands
Declared by Moderator

ARTICLE 26: move the Town vote to assess the amounts raised and appropriated under these articles and warrants on the estates and personal property of the Town of Granby. **Motion 2nd No Discussion Passed-Unanimous-Show of Hands**

The Moderator motions to adjourn this portion of the ATM
Motion 2nd

All in favor to adjourned the second half of this ATM:

Passed- Unanimous-Voice!

The business for this portion of the Annual Town Meeting held on June 13, 2016, Articles 17 – 26, have been voted on, and completed (*first portion of the ATM was voted on May 09, 2016 Articles 1-16*).

The Moderator officially dissolves this year's ATM at 10:35 P.M.

There were 254 voters and 13 non-voters who showed up to support and contribute to the second half of this Annual Town Meeting.

Respectfully submitted,
Katherine A. Kelly-Regan, Town Clerk, CMMC

RECORD **TOWN OF GRANBY** **STATE PRIMARY** **SEPT. 08, 2016**

In accordance with the foregoing warrant the inhabitants of the Town of Granby qualified to vote in elections and primaries met in the East Meadow School on 393 East State Street, in the Town of Granby on Thursday, the Eighth day of September, 2016 and voted as follows:

The polls opened at 7:00 A.M. and closed at 8:00 P.M. There were 395 Democrats, 74 Republicans, 0 Green-Rainbow, and 0 United Independent making a total of 469 voters that came out to support their candidates for this State Primary.

As of September 8, 2016, there were 4,565 registered voters, which includes 313 inactive voters. 469 voters are approximately 10% of all the registered voters in Granby. Out of the 469 voters that participated 39 of these ballots were processed as absentee ballots, there were no provisional ballots filed.

I certify that all ballots cast for candidates in the State Primary held on Thursday, September 08, 2016, have been counted and recorded in accordance with the law.

Respectfully submitted,
Katherine A. Kelly-Regan, Town Clerk, CMMC

QUESTIONS

QUESTION 1: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2016?

SUMMARY

This proposed law would allow the state Gaming Commission to issue one additional category 2 license, which would permit operation of a gaming establishment with no table games and not more than 1,250 slot machines. The proposed law would authorize the Commission to request applications for the additional license to be granted to a gaming establishment located on property that is (i) at least four acres in size; (ii) adjacent to and within 1,500 feet of a race track, including the track's additional facilities, such as the track, grounds, paddocks, barns, auditorium, amphitheatre, and bleachers; (iii) where a horse racing meeting may physically be held; (iv) where a horse racing meeting shall have been hosted; and (v) not separated from the race track by a highway or railway.

A YES VOTE would permit the state Gaming Commission to license one additional slot-machine gaming establishment at a location that meets certain conditions specified in the law.

A NO VOTE would make no change in current laws regarding gaming.

-------------	-------------	-------------

QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or

before May 3, 2016?

SUMMARY: This proposed law would allow the state Board of Elementary and Secondary Education to approve up to 12 new charter schools or enrollment expansions in existing charter schools each year. Approvals under this law could expand statewide charter school enrollment by up to 1% of the total statewide public school enrollment each year. New charters and enrollment expansions approved under this law would be exempt from existing limits on the number of charter schools, the number of students enrolled in them, and the amount of local school districts' spending allocated to them.

If the Board received more than 12 applications in a single year from qualified applicants, then the proposed law would require it to give priority to proposed charter schools or enrollment expansions in districts where student performance on statewide assessments is in the bottom 25% of all districts in the previous two years and where demonstrated parent demand for additional public school options is greatest.

New charter schools and enrollment expansions approved under this proposed law would be subject to the same approval standards as other charter schools, and to recruitment, retention, and multilingual outreach requirements that currently apply to some charter schools. Schools authorized under this law would be subject to annual performance reviews according to standards established by the Board.

The proposed law would take effect on January 1, 2017.

A YES VOTE would allow for up to 12 approvals each year of either new charter schools or expanded enrollments in existing charter schools, but not to exceed 1% of the statewide public school enrollment.

A NO VOTE would make no change in current laws relative to charter schools.

-------------	-------------	-------------

QUESTION 3: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2016?

SUMMARY: This proposed law would prohibit any farm owner or operator from knowingly confining any breeding pig, calf raised for veal, or egg-laying hen in a way that prevents the animal from lying down, standing up, fully extending its limbs, or turning around freely. The proposed law would also prohibit any business owner or operator in Massachusetts from selling whole eggs intended for human consumption or any uncooked cut of veal or pork if the business owner or operator knows or should know that the hen, breeding pig, or veal calf that produced these products was confined in a manner prohibited by the proposed law. The proposed law would exempt sales of food products that

combine veal or pork with other products, including soups, sandwiches, pizzas, hotdogs, or similar processed or prepared food items.

The proposed law's confinement prohibitions would not apply during transportation; state and county fair exhibitions; 4-H programs; slaughter in compliance with applicable laws and regulations; medical research; veterinary exams, testing, treatment and operation if performed under the direct supervision of a licensed veterinarian; five days prior to a pregnant pig's expected date of giving birth; any day that pig is nursing piglets; and for temporary periods for animal husbandry purposes not to exceed six hours in any twenty-four hour period.

The proposed law would create a civil penalty of up to \$1,000 for each violation and would give the Attorney General the exclusive authority to enforce the law, and to issue regulations to implement it. As a defense to enforcement proceedings, the proposed law would allow a business owner or operator to rely in good faith upon a written certification or guarantee of compliance by a supplier.

The proposed law would be in addition to any other animal welfare laws and would not prohibit stricter local laws.

The proposed law would take effect on January 1, 2022. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would prohibit any confinement of pigs, calves, and hens that prevents them from lying down, standing up, fully extending their limbs, or turning around freely.

A NO VOTE would make no change in current laws relative to the keeping of farm animals.

<u>1971</u>	<u>1770</u>	<u>3741</u>

QUESTION 4: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2016?

SUMMARY: The proposed law would permit the possession, use, distribution, and cultivation of marijuana in limited amounts by persons age 21 and older and would remove criminal penalties for such activities. It would provide for the regulation of commerce in marijuana, marijuana accessories, and marijuana products and for the taxation of proceeds from sales of these items.

The proposed law would authorize persons at least 21 years old to possess up to one ounce of marijuana outside of their residences; possess up to ten ounces of marijuana inside their residences; grow up to six marijuana plants in their residences; give one ounce or less of marijuana to a person at least 21 years old without payment; possess, produce or , transfer hemp; or make or transfer items related to marijuana use, storage, cultivation, or processing.

The measure would create a Cannabis Control Commission of three members appointed by the state Treasurer which would generally administer the law governing marijuana use and distribution, promulgate regulations, and be responsible for the licensing of marijuana commercial establishments. The proposed law would also create a Cannabis Advisory Board of fifteen members appointed by the Governor. The Cannabis Control Commission would adopt regulations governing licensing qualifications; security; record keeping; health and safety standards; packaging and labeling; testing; *advertising* and displays; required inspections; and such other matters as the Commission considers appropriate. The records of the Commission would be public records.

The proposed law would authorize cities and towns to adopt reasonable restrictions on the time, place, and manner of operating marijuana businesses and to limit the number of marijuana establishments in their communities. A city or town could hold a local vote to determine whether to permit the selling of marijuana and marijuana products for consumption on the premises at commercial establishments.

The proceeds of retail sales of marijuana and marijuana products would be subject to the state sales tax and an additional excise tax of 3.75%. A city or town could impose a separate tax of up to 2%. Revenue received from the additional state excise tax or from license application fees and civil penalties for violations of this law would be deposited in a Marijuana Regulation Fund and would be used subject to appropriation for administration of the proposed law.

Marijuana-related activities authorized under this proposed law could not be a basis for adverse orders in child welfare cases absent clear and convincing evidence that such activities had created an unreasonable danger to the safety of a minor child.

The proposed law would not affect existing law regarding medical marijuana treatment centers or the operation of motor vehicles while under the influence. It would permit property owners to prohibit the use, sale, or production of marijuana on their premises (with an exception that landlords cannot prohibit consumption by tenants of marijuana by means other than by smoking); and would permit employers to prohibit the consumption of marijuana by employees in the workplace. State and local governments could continue to restrict uses in public buildings or at or near schools. Supplying marijuana to persons under age 21 would be unlawful.

The proposed law would take effect on December 15, 2016.

A YES VOTE would allow persons 21 and older to possess, use, and transfer marijuana and products containing marijuana concentrate (including edible products) and to cultivate marijuana, all in limited amounts, and would provide for the regulation and taxation of commercial sale of marijuana and marijuana products.

A NO VOTE would make no change in current laws relative to marijuana.

Question 5-TOTAL

1971

The polls opened at 7:00 a.m. and closed at 8:00 p.m. This was the first year in the Commonwealth that we held Early Voting. Early voting will take place every biennial election next time will be November of 2018. Early Voting was held from October 24- November 4, and 1,447 voters voted Early, that's 31 % of our registered voters. Those that voted Early were very positive on this new system, and many stated they liked the fact of not having to wait in line.

On Election Day the election workers worked very hard to run this election as smoothly as possible. Although 31 % had already voted Early the lines were steady throughout the day, the amount that showed up on Nov 8th was 2,294 voters, it was nice to see so many voters come out to support their candidates and the questions.

At the close of voter registration (October 19, 2016), the town had 4,662 registered voters (263 are Inactive voters). The percentage of voters who voted in this election was 80.5%. Out of those that voted 150 were processed as absentee ballots, and there were fourteen provisional ballots filed, two of the provisional ballots filed qualified to be counted in the final tally.

At a meeting of the Board of Registrars held on Friday, November 18, 2016 with members Patricia Banas, Jeanne Crosby, Jeanne Merrill, and Katherine A. Kelly-Regan, Clerk, the Board had one overseas Federal Write in Absentee Ballot (FWAB), that required to be reviewed to see if it would qualified to be counted in the final election tally.

After observing the ballot application, it was determined by the Board of Registrars that this overseas application did not qualify due to the fact there was no proof of a residency listed on the application.

The ballot was null and void and was not counted to the final tally. The Board of Registrars determined that the final count for this November 8, 2016, Presidential Election was 3,741 voters.

I certify that all ballots cast for candidates and the questions in this Presidential Election held on November 08, 2016 have been counted and recorded in accordance with the law.

Respectfully submitted,

Katherine A. Kelly-Regan, Town Clerk, CMMC

TOWN COLLECTOR
