

Dear Town of Granby Residents:

Waste Management looks forward to serving the residents of the Town of Granby and helping your community be as clean - and green - as possible a new and improved collection program will begin with **trash and recycling (dual stream) collected weekly on the same day..**

We look forward to helping the Town of Granby be as clean - and green -as possible throughout 2020 and beyond. **More information is on the Town's Website: www.granby-ma.gov (trash and recycling)**

Sincerely,

The Town of Granby and Waste Management

COLLECTION

- Trash and Recycling services will now be provided Monday - Friday each week - and Recycling will be collected EVERY WEEK. Please see the Service Day Collection Schedule on the back to determine your trash and recycling collection day.
- All trash and recyclables must be placed at the curb in owner-provided bags or barrels by 7:00 a.m. on your designated collection day each week. Please remove all containers no later than the evening of your collection day.

BULK ITEMS

- All bulky items, white goods and electronics will require an appointment for collection and a fee depending on the item. To schedule a pickup and to pay via credit card, please call Waste Management Customer Service at (800) 972-4545.

TRASH

- Trash will continue to be one 36-gallon bag or barrel of trash per week per household, placed at the curb on your collection day. Please see the Service Day Collection Schedule on the back to determine your collection day. Town of Granby trash bags are required for additional trash, which is trash in excess of the first 36-gallon bag or barrel.

OBSERVED HOLIDAYS

Waste Management observes the following holidays. When your collection falls on or after one of these holidays, your service will be delayed one day during that week only:

The following holidays will result in delayed collections:

New Year's Day Memorial Day Fourth of July
Labor Day Thanksgiving Day Christmas Day

Great things happen when Granby residents use **Recycle Often. Recycle Right**

When Granby residents recycle everyday items like those shown below, tons of raw materials, time, energy and money are saved. In addition, the recycled materials become new products, and the cycle continues.

- Continue to use your bags or barrels for recycling.
- Don't bag your recyclables - please empty them loose and directly into your containers.
- Containers that held food should be rinsed and free of any food or liquids.

Always recycle:

Plastic Bottles & Containers

Food & Beverage Cans

Paper

Flattened Cardboard & Paperboard

Food & Beverage Cartons

Glass Bottles & Containers

Do NOT include in your mixed recycling cart:

NO Needles

(Keep medical waste out of recycling. Place in safe disposal containers like Waste Management's MedWasto Tracker- box.)

NO Foam Cups & Containers

(Check Earth911.org for options.)

To Learn More Visit:
RecycleOftenRecycleRight.com

& 2017 WM Intellectual Property Holdings, LLC. The Recycle Often. Recycle Right® recycling education program was developed Based upon national best practice! Please consult your local municipality For their acceptable material? and additional details of local programs, which may differ slightly.
