Crafters/Vendors Needed

This year's 'Dino Fest 2016' (aka "The Dinosaur Arts, Crafts, and Music Festival") is once again being held at The Common, 235 State Street Granby, Massachusetts 01033 on September 17th, 2016.

We are looking for Artisans, Crafters and Vendors to sell their wares at this year's festival.

The festival is estimated to bring in 1200 plus people during the one day celebration of the town's heritage and talent. Numerous contests & games, a sound stage with local artists, a fun run to benefit food banks, antique & classic cars and tractors on display along with all the town's local organizations will be featured.

Unique crafts of high quality and affordable prices are being sought. There are limited spaces available at this year's festival, so please submit your entry early. Crafters/Vendors agreements must be submitted by August 31st 2016.

If you have any questions, please contact Dennis (The Deke) Doucette and he'd be more than happy to help you.

Look forward to seeing you there.
