RE: Requisition Request - Granby Schools Recycling Initiative

Chris, Arlene Miller has met with John Sullivan and all three principals and their custodians to review the **new and improved single stream recycling program for the schools, requiring only 1 bin per classroom.**

Below is a **list of equipment needs.**

1. **Toters** - Multiple toters for use by school custodians for centralizing in-building collections have been **provided by Waste Management at NO CHARGE** to the town.
2. **35 Gallon Wheeled Carts** - 3 carts per school for a total of **9 will be obtained from the DEP Green Team program at NO CHARGE** to the town. Each of the schools have registered for the program. The 9 toters will be picked-up at UMASS.
3. **10 Gallon Green Desk-sized Recycling Bins for Class Rooms** - 70 bins @ \$10.90 per bin plus shipping.
4. **7 Gallon Green Desk-sized Recycling Bins** - 10 bins @ \$5.00 per bin plus shipping.

Total cost:

1. **70 10-Gallon Green Bins @ \$10.90 each = \$763.00**
2. **10 7-Gallon Green Bins @ \$5.00 each = \$50.00**
3. **Shipping - To Be Determined**

Total cost is \$813.00 plus shipping.

We are **requesting \$900.00** be approved and allocated for the requisition of 80 bins.
