****List is located at the end of the minutes.**

Discuss Economic Development Letter: The Board discussed a memo from the Granby Economic Development & Growth Committee dated May 28, 2019 with recommendations from the Committee for the Selectboard's consideration on how to proceed. The Board made the following recommendations:

1. Extend Industrial #1 Park Zoning, i.e. across from old dump

- * Extend Industrial Park 1 to South Hadley line along New Ludlow Road since Westover Airport is now open 24/7 = possible revenue source for Town

RECOMMENDATION: Send recommendations to Planning Board, Mr. Martin will draft a letter to the Planning Board from the Selectboard.

2. Update the Granby Community Compact to current requirements

- * Planning and predevelopment study leading to an Economic Development Project (grant available)
- * Information Technology (IT) infrastructure study for the entire Town (grant available) (Looking to replace this recommendation)

RECOMMENDATION: Send back to Granby Economic Development & Growth Committee.

3. Update the Granby Master Plan as required

- * Results of Municipal Vulnerability Preparedness (MVP) Study
- * Other areas have not been updated

RECOMMENDATION: Send recommendations to Planning Board to update Granby's Master Plan, Mr. Martin will draft a letter to the Planning Board from the Selectboard.

4. Rezone the Westover Noise Abatement Area to meet new requirements

- * The shrinkage of the Noise Abatement Area by the Federal Government/Westover Metropolitan District Commission (WMDC). The new rules will be leasing the land for future use except residences.
- * John Libera (WMDC Chairman) is obtaining a memo from WMDC defining the new Noise Abatement Area.

RECOMMENDATION: WMDC will lease the properties but not for any residential purpose. Committee will wait for more information from Michael Bolton, WMDC and John Libera, town's representative to WMDC

5. Sidewalk Snow Removal Bylaw due to the upgrading of Rt. 202 by the State

- * If no new Bylaw created the Town will be responsible for the snow removal on the sidewalks
- * This will be new to Granby but is already in place in other Municipalities.

RECOMMENDATION: Send recommendations to General By-law Committee, Mr. Martin will draft a letter to the General By-law Committee from the Selectboard.

6. Rt. 202 Upgrade

- * Move existing utilities underground
- * Historic District incorporate Historic Looking Street Lights

RECOMMENDATION: Send back to Granby Economic Development & Growth Committee for more research.

Discussion of FY21 Budget: Mr. Joyce told the Board that he had a discussion with Finance Committee Chair after a lot of residents complained to him about the FY-19 budget when the School didn't turn in their surplus money from their budget. They feel they should have turned it back in and let the residents decide on where the surplus should have been spent. Mr. Libera told Mr. Joyce that we couldn't do anything concerning FY-19 budget, so to look towards the FY-20 budget. He thought that having a joint meeting with the School would be the best way to start the

discussion. Mr. Joyce also told the Board they he and Mr. Martin just found out that the School is not following the Town's bylaws for purchasing items that are over \$25,000 by going through the Capital Improvement Committee. Mr. Martin will talk with Adam to see if this is really happening and will keep the Board informed on where the \$139,000 was spent before June 30, 2019. Mr. Sexton and Ms. Silva did not think the school did anything wrong as the School Committee did not try to hide the surplus and mentioned it at several public meetings. Their budget is overseen by an Elected Board. Mr. Joyce said that Mr. Libera said that the School's budget is voted as a whole while the town's is voted article by article. The Board did agree that meeting with the Finance Committee, School Committee and Selectboard is always a good idea.

Assign Liaisons to Department Heads: The Board discussed and assigned themselves as department head liaisons for FY-20 as follows:

Correspondence:

MASSDEP: Mr. Martin told the Board that he had received a letter from the Massachusetts Department of Environmental Protection stating that they have given conditional approval for the ion exchange (softener) treatment systems previously installed at the Granby Public Safety Complex. The conditions are as follows:

"Based on the information submitted, MassDEP, acting under the authority of Chapter 111, Section 17 of the Massachusetts General Laws and 310 CMR 22.00 Massachusetts Drinking Water Regulations, hereby grants conditional approval of the ion exchange treatment system installed at Granby Public Safety Complex. Pursuant to MassDEP's authority under 310 CMR 22.04(7) to require that each supplier of water operate and maintain its system in a manner that ensures the delivery of safe drinking water to consumers, this permit is made subject to the following conditions:

1. Brine salt, used for regeneration of the softener, must be approved for use in drinking water and must meet National Sanitation Foundation (NSF) Standard 60.

Records regarding the operation and maintenance of all treatment equipment (including salt addition and routine cleaning of the brine tank and changing of the portable units) must be kept on site and be made available to MassDEP upon request.

3. Granby Public Safety Complex's Operation and Maintenance Manual and Emergency Response Plan must be updated to include the new water softeners. A copy of both documents must be submitted to MassDEP by **August 29, 2019**.

4. Each month that Granby Public Safety Complex is in operation, a raw water Total Coliform sample must be collected. This is in addition to the routine monthly distribution system sample. MassDEP approved the revised Coliform Monitoring Location form on March 16, 2018 that reflects the need to collect a monthly raw water Total Coliform sample.

5. MassDEP regulations require that the treatment system be overseen by a state licensed drinking water operator with a license of a grade equal to, or higher than, the treatment system. The treatment system at Granby Public Safety Complex is considered to be a T1 rated facility which therefore requires oversight by an individual possessing a valid T1, T1 OIT, or higher, license. The current licensed operator of Granby Public Safety Complex, Ms. Linda Tims, holds a valid T1 OIT license (#12511). Therefore the treatment system has the proper operator oversight."

Department of Agricultural Resources (MDAR): Mr. Martin informed the Board that he received a letter from the MDAR informing him that an Industrial Hemp Grower License was issued in the Town of Granby. The Town only gets informed that it has been approved not the address, though the approved licensee does need to put up signage. Mr. Martin said more and more are coming in to town.

He also mentioned that he has been contacted by 3 different individuals, 1 about a retail store and 2 concerning growing of marijuana. The Board needs to start looking at templates for a Host Community agreement and what we are going to require from them.

Bylaw Review Committee: The Committee had met and discussed the feedback the Chair had received from the Atty. General's office when he sent preview of the proposed changes. One of the biggest feedback concerning the proposed bylaw changes was concerning the bylaw to have a recall provision. It was stated that we don't have the authority to do that locally. It would require a special act of the Legislature. The Committee decided to just put a placard holder in the bylaws for it, pending passage from our Legislature. We would need to bring an article in front of Town Meeting with the bylaw and once passed it would be sent to the Legislature as a home rule petition and have be passed by a majority of the Legislature. Mr. Martin said the Committee is not taking on any new bylaw recommendations at this time. They want to get the ones that they are working on voted on first. The Committee is looking to hold a meeting late August or early September.

Mr. Joyce if it was okay for the Energy Committee to draft up bylaw suggestions to the Planning Board for the Solar Bylaws. Mr. Sexton said the Planning Board was looking for input. The Energy Committee will forward them to the Selectboard and the Selectboard will forward to the Planning Board.

American Installations-One Day Liquor License: Mr. Martin and the Board waited for a representative to show, as no one came forward the Board will have Cathy A. Leonard contact them to see if they can come to the Board's next meeting on July 15.

APPOINTMENTS

Jen Williams-One Day Alcohol License: A representative from Community Involved in Sustaining Agriculture (CISA), Alexis Breiteneicher came in front of the Board to discuss the application to serve alcohol at the CISA event being held at Red Fire Farm on August 1 from 6:00 PM to 7:30 PM. After some discussion with the Selectboard the following motion was made: On a motion by Ms. Silva, and seconded by Mr. Sexton, the Board unanimously voted to approve a One-Day Alcohol permit as amended with a date change from August 31 to August 1. (3-0-0)

Fire Services-One Day Alcohol License: Daniel Belanger, General Manager of Fire Services Group, LLC, came in front of the Board to discuss the application to serve alcohol at a private company event being held at Dufresne Park on August 17. After some discussion with the Selectboard the following was voted: On a motion by Ms. Silva, and seconded by Mr. Sexton, the Board unanimously voted to approve a One-Day Alcohol permit for Fire Services Group , LLC., on August 17 from 12-noon until 9:30 PM with Beer/Wine (only) being allowed in the large Pavilion area only. (3-0-0)

Siobhan Ransford-One Day Alcohol License: Siobhan Ransford, came in front of the Board to discuss her application to serve alcohol at a private wedding reception being held at Dufresne Park on August 31. After some discussion with the Selectboard the following was voted: On a motion by Ms. Silva, and seconded by Mr. Sexton, the Board unanimously voted to approve a One-Day Alcohol permit for Siobhan Ransford, on August 31 from 4:00 PM until 9:30 PM with Beer/Wine (only) being allowed in the large Pavilion area only. (3-0-0)

Charter Days Committee: Crystal Dufresne, Chair of the Charter Days Committee met with the Board to present updated regulations 2020 for the Committee. The Committee was asking to add/update:

Under Article 7 A. Chair -2. During the weekend of Granby Charter Days, the Chair, shall oversee the duties including, but not limited to, the other committee members, the volunteer's, the vendor's, as well as any unforeseen issues that arise during that weekend.

The Selectboard asked the following be added, Vice-Chair, or their designee.

Under Article 7 E. Correspondence Secretary

1. The Correspondence Secretary shall be responsible for all correspondence and mailings; including maintaining online presence on the Facebook Page and maintaining the Granby Charter Days website.

Article 8. All work done by any Committee member, throughout their term, becomes the property of the Town Committee. At no point can this work be deleted or discarded before or after the resignation of a Committee member. Any Committee member who discards or deletes any work done throughout his/her term will be subject to charges for malicious damages for destruction of Town property.

The Board *also* talked about having it written in the contracts that Vendors have to be offsite by Monday after the event.

On a motion by Jennifer Silva and seconded by Glen Sexton, the Board voted to unanimously approve the 2020 regulations for the Granby Charter Days as presented by Crystal Dufresne with the amendment to Article 7 A. Chair -2. During the weekend of Granby Charter Days, the Chair, Vice-Chair, or their designee shall oversee the duties including, but not limited to, the other committee members, the volunteer's, the vendor's, as well as any unforeseen issues that arise during that weekend. (3-0-0) The Board will sign the regulations at their next meeting with the changes being made.

Bittersweet Lane: Highway Superintendent Dave Desrosiers when over the history of Bittersweet Lane and West Street concerning the new stone island that is located between the two. The stone island is in the right away of West Street (it's a recovery lane because of the curve). Mr. Desrosiers believes there might be steps that can be made to make it less of a hazard. He also is concerned with the Fire Trucks being able to get through. The Selectboard asked Mr. Desrosiers to meet with the Fire Chief and work together to see if there is a solution to this situation for the Selectboard's meeting on July 15.

MINUTES

On a motion by Jennifer Silva and seconded by Glen Sexton, the Board voted to unanimously approve the minutes of June 10, 2019 as read by Ms. Silva. (3-0-0)

On a motion by Jennifer Silva and seconded by Jay Joyce the Board voted to approve the minutes of June 20, 2019, meeting as read by Ms. Silva. (2-0-0). *Mr. Sexton abstained from voting as he was unable to attend the meeting at 5:00PM. Mr. Sexton did question on whether Mr. Joyce had the right to have Mr. Martin write up the letters, he thought it should have been a Board decision.*

EXECUTIVE SESSION

Board moved executive session to next meeting.

ADJOURNMENT

On a motion by Glen Sexton, and seconded by Jennifer Silva, it was unanimously voted to adjourn the regular session meeting at 9:30 PM. (3-0-0)

Respectfully submitted,
Cathy Leonard
Town Administrator's Assistant

Three handwritten signatures are present at the bottom of the page. The first two are in black ink, and the third is in purple ink. They appear to be the signatures of the individuals mentioned in the text, likely Glen Sexton and Jennifer Silva, and the Town Administrator's Assistant, Cathy Leonard.
