The Granby Open Space Committee is sponsoring a public meeting for the Open Space and Recreation Plan Update at 9:00 AM on Saturday, October 27, 2018 at Granby Free Public Library. The goals of the public meeting are to present the plan's progress to date, to map unique scenic resources in the Town of Granby and to discuss the plan's proposed goals and action steps.

Granby residents are strongly encouraged to attend and share their thoughts. Light refreshments will be provided.

This is an important opportunity for residents to actively participate in defining and directing the future of open space and recreation in Granby.
