All officers, boards, and committees, including the Selectmen and the School Committee, shall, by January 1st of each year, give to the Committee, on forms provided by it, information concerning all anticipated projects requiring Town Meeting action during the ensuing six years. The Committee shall consider the relative need, impact, timing, and cost of these expenditures and the effect each will have on the financial position of the Town. No appropriation shall be voted at an annual town meeting for a capital project or equipment purchase unless the proposed capital project or equipment purchase is considered in the Committee's report or unless the Committee has failed to produce a report and this failure is explained on the Town meeting floor by a member of the Committee or the Board of Selectmen. An appropriation maybe voted by annual Town meeting for an emergency capital project or equipment purchase that is not in the Committee's report or at a special Town meeting for an emergency capital project or equipment purchase that is not in the Committee's report approved at the most recent annual Town meeting if the Committee has been informed of the emergency capital project or equipment purchase at least one month prior to the Town meeting vote to appropriate money for the emergency capital or equipment purchased and if the Board or Committee governing the Town department in which the capital project or equipment purchase will take place has declared by a vote at a public meeting that the capital project or equipment purchase is an emergency. Section 5. Denial, Revocation or Suspension of Licenses and Permits for Failure to Pay Municipal Taxes or Charges

- A. The Tax Collector or other municipal officer responsible for records of all municipal taxes, assessments, betterments and other municipal charges, hereinafter referred to as the Tax Collector, shall annually furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges for not less than a twelve month period, and that such party has not filed in good faith a pending application for an abatement for such taxes or a pending petition before the appellate tax board.
- B. The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing authority from the tax collector or with respect to any activity, event or other matter which is the subject of such license or permit and which activity, event or matter is carried out or exercised or is to be carried out or exercised on or about real estate owned by any party whose name appears on said list furnished to the licensing authority from the tax collector; provided, however, that written notice is given to the party and the tax collector, as required by applicable provisions of law, and the party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The Tax Collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any findings made by the licensing authority with respect to such license denial, revocation or suspension shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the license authority receives a certificate issued by the Tax Collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges, payable to the municipality as the date of issuance of said certificate.

- C. Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the holder be given notice and a hearing as required by applicable provisions of law.
- D. The Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or stockholders, if any, or members of his immediate family, as defined in Section one of Chapter two hundred and sixty-eight in the business or activity conducted in or on said property.

Section 6. Receipts Paid To Treasury

Pursuant to Massachusetts General Law Chapter 40 Section 21 Clause 13, every official shall pay into the treasury of the Town all amounts received by them by virtue of their office on behalf of the Town and all fees received by them in accordance with the provisions of any general or special law and shall make a full and true return thereof to the Town Accountant.

There shall be a Finance Committee consisting of five (5) registered voters of the Town, who shall be nominated to this office by the Moderator and confirmed in this office by a majority of the Selectmen. They shall be appointed for three (3) year terms and shall serve without pay. No appointive or elected Town Officer or Town employee shall be qualified to serve on the Finance Committee. The Committee shall elect from its membership a Chairman and Secretary. Vacancies on the Committee may be filled at any time by the same procedure as followed in original appointments.

Section 2. It shall be the duty of the Finance Committee, from time to time during the fiscal year, to inquire into the expenditures and commitments of each Town Department, and to report to the Selectmen, which, if any, Department's expenditures and commitments are likely to exceed its appropriations. The Finance Committee shall have access to all financial records of each Town Department, Officer, Board or Committee. The Finance Committee shall meet with representatives of the various Town Departments, Officers, Boards and Committees at least two (2) months prior to the Annual Town Meeting to discuss the budgetary requirements for the ensuing fiscal year of such Departments, Officer, Boards and Committees. Each such Department, Officer, Board and Committee shall, prior to the 20th day of February preceding the next Annual Town Meeting, furnish to the Finance Committee an itemized estimate of the amounts necessary for the administration of its or his Department during the ensuing fiscal year.

Section 3. All articles in the Town Meeting warrant requiring or purporting to require appropriations shall be referred to the Finance Committee for consideration. The Committee shall report its recommendations thereon, and its reasons for such recommendations, to the Town Meeting.

Section 4. Budget Process

The Town Administrator shall prepare and present a Budget Schedule to all the affected departments and committees.

The Town Administrator shall initiate the budget process by providing revenue projections to a joint meeting of the Board of Selectmen, Finance and School committees. These estimates will guide the budget setting process and shall be updated as new information becomes available.

The Town Administrator shall develop a balanced budget proposal. Upon receipt of appropriation requests from town departments, the accountant shall enter requests into budget software. The Town Administrator shall then meet with department heads in order to discuss their needs. After updating the revenue estimates and making any changes to department requests, the Town Administrator will prepare a balanced budget proposal for Board of Selectmen approval, which would then be forwarded to the Finance Committee.

The Finance Committee now controls the budget and can amend the Town Administrator's proposal in any way. They should review revenue estimates and meet with department heads, while considering the town finances objectively and without external pressure.

The overall budget calendar shall allow finalization of the budget in time to include appropriation detail in the town meeting warrant.

The Town shall formalize its budget calendar to reflect changes in the process. Beginning with the annual town meeting date in mid-May and tracking backwards, the Town will establish a budget schedule similar to the example below:

November 15	Town administrator (TA) presents revenue projections.
December 1	TA distributes budget guidelines and requests to departments.
January 1	Department deadline to submit appropriation request.

March 1	Selectmen approve budget and submit to Finance Committee.
April 15	Finance Committee completes hearings and creates final budget; at this point, revenue projections are locked; warrant goes to print and is distributed.
May/June	Town meeting votes on Finance Committee budget recommendations

Independent of any particular time schedule, financial material shall be published and available for distribution no later than two weeks before the Town meeting at which it is discussed.

CHAPTER VII. COMMITTEES APPOINTED BY THE SELECTMEN

Section 2. Committee members shall serve without compensation.

Section 3. A Committee Member absent from one-third (1/3) of duly called meetings in any twelve (12) month period may be re-moved from the Committee by a two-thirds (2/3) vote of the other members.

Section 4. In the event of a vacancy in its membership, a Committee shall notify the appointing agency in writing, and said agency shall fill such vacancy.

Section 5. Any member of a Committee who shall be elected or appointed to Town office shall forthwith, upon certification to such office, resign as a member of said Committee. Nothing in this section shall preclude the appointment or reappointment of elected or appointed officials to Committees.

Section 6. Appointed Committees charged with the expenditure of Town money shall prepare detailed estimates, including statements of probable income and expense, of the amounts deemed by them necessary for the administration of their respective offices or Departments for the ensuing year. Such estimates and statements shall be filed with the Finance Committee not later than the 20th day of February preceding the next Annual Town Meeting.

Section 7. A vote to accept a report of a Committee (except a report of progress) shall, unless otherwise provided, discharge the Committee, but it shall not operate as an adoption of the recommendations of such Committee without an express vote duly passed to that effect.

Section 2.

- A. The keeping of more than one unregistered vehicle, assembled or disassembled, except by a person licensed under General Law, Chapter 140, Section 59, on any premises shall not be permitted unless said motor vehicle is stored in an enclosed building or otherwise out of sight of all abutters and public ways.

The final determination of whether or not said work creates a potential traffic hazard shall lie with the Chief of Police. The Chief of Police, or his designee, may order any work to be stopped and any roadway cleared until such time as adequate police personnel are hired.

Violation of the provisions of this Section shall be punishable by a fine of Two Hundred Dollars (\$200.00). The enforcement of this Section shall be pursuant to Massachusetts General Law Chapter 40, Section 21D by the Police Department.

Section 6. Handicapped Parking Bylaw

- 6.1 It shall be unlawful for any person to leave any vehicle within parking spaces on public or private property which are required, under any provision of federal, state or local laws or regulations, to be designated and are clearly marked as reserved for vehicles owned and operated by disabled veterans or handicapped persons, except a vehicle transporting a handicapped person and displaying the special identification plate issued by any state or any Canadian province, or to leave a vehicle in such a manner as to obstruct a curb ramp designed for use by handicapped persons as a means of egress to a street or public way.
- 6.2 The penalty for violation of this bylaw shall be two hundred dollars (\$200.00); provided, however, that nothing herein shall be construed as prohibiting the removal, in accordance with the provisions of Section 120D of Chapter 266 of the General Laws of the Commonwealth of Massachusetts, of any vehicle which is in violation of this bylaw.

CHAPTER XXIII. RIGHT TO FARM BYLAW

Section 1. Legislative Purpose and Intent

The purpose and intent of this bylaw is to state, with emphasis, the Right to Farm accorded to all citizens of the Commonwealth under Article 97 of the Constitution and all State statues and regulations thereunder, including but not limited to, Massachusetts General Laws Chapter 40A Section 3 Paragraph 1; Chapter 90 Section 9; Chapter 111 Section 125A and Chapter 128 Section 1A. We the citizens of Granby restate and republish these rights pursuant to the Town's authority conferred by the Article 89 of the Articles of Amendments of the Massachusetts Constitution "Home Rule Amendment". This General Bylaw encourages the pursuit of agriculture, promotes agriculture-based economic opportunities and protects farmlands within the Town of Granby by allowing agricultural uses and related activities to function with minimal conflict with abutters and local agencies. This bylaw shall apply to all jurisdictional areas within Granby.

Section 2. A farm shall be defined as having at least five (5) acres and generate at least five hundred (\$500) per year in gross sales. Certain small-scale specialty operations, which do not meet the five (5) acre requirement, can be arbitrated on a case-by-case basis through the Agricultural Commission. The word "farm" shall include any parcel or contiguous parcels of land, or water bodies used for the primary purpose of commercial agriculture, or accessory thereto.

The words "farming" or "agriculture" or their derivatives shall include, but not be limited to the following:

- Farming and all its branches and the cultivation and tillage of soil,
- Dairying,

- On-farm relocation of earth and the clearing of ground for farming operations.

Section 3. Right-to-farm Declaration

The right-to-farm is hereby recognized to exist within the Town of Granby. The above-described agricultural activities may occur on holidays, weekdays and weekends, by night or day, and shall include the attendant incidental odors and dust associated with normally accepted agricultural practices. It is hereby determined that whatever impact may be caused to others through the normal practice of agriculture is more than offset by the benefits of farming to the neighborhood, community and the society, in general. The benefits of protections of this bylaw are intended to apply exclusively to those commercial agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this right-to-farm bylaw shall be deemed as acquiring any interest in land or as imposing any land use regulation, which is properly the subject of State statute or regulation or local zoning law.

Section 4. Disclosure Notification

Not later than twenty-one (21) days after the purchase and sale contract is entered into or prior to the sale or exchange of real property, if no purchase and sale agreement exists, for the purchase or exchange of real property or prior to the acquisition of a leasehold interest or other possessory interest in real property, located in the Town of Granby, the landowner shall present the buyer or occupant with a disclosure notification, which states the following:

“It is the policy of this community to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food and other agricultural products and also for its natural and ecological value. This disclosure notification is to inform buyers or occupants that the property they are about to acquire or occupy lays within a community where farming activities occur. Such farming activities may include, but are not limited, to activities that cause noise, dust and odors. Buyers or occupants are also informed that the location of property within the Town of Granby may be impacted by commercial agricultural operations.”

A copy of the disclosure notification shall be given on a form prepared by the Town of Granby and shall be signed by the buyer prior to the sale, purchase, exchange or occupancy of such real property. A copy of the disclosure notification must be filed with the Town Agricultural Commission, or its designee, prior to the sale, purchase, exchange or occupancy of such real property. In the case of the buyers’ refusal to sign the disclosure notification, an affidavit signed by the seller or their designee that the buyer was presented with a copy of the disclosure notification will be sufficient. The affidavit shall be on a form provided by the Town of Granby. In addition to the above, a copy of this disclosure notification shall be provided by the Town of Granby to landowners each fiscal year at the annual town meeting and shall be posted in the town hall.

Section 5. Resolution of Disputes

Any person who seeks to complain about the operation of a farm may, notwithstanding pursuing any other available remedy, file a written grievance with the Office of the Selectmen, the Zoning Enforcement Officer or the Board of Health, depending on the nature of the grievance. The filing of the grievance does not suspend the time within which to pursue any other available remedies that the aggrieved may have. The Office of the Selectmen or the Zoning Enforcement Officer may forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance and report its recommendations to the referring Town of Granby authority within an agreed upon time frame. The Board of Health, except in case of imminent danger or public risk, may forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance and report its recommendations to the Board of Health within an agreed upon time frame.

Section 6. Severability Clause

If any part of this bylaw is for any reason held to be unconstitutional or invalid, such decision shall not affect the remainder of this bylaw. The Town of Granby hereby declares the provisions of this bylaw to be severable.
