

Recycling Dividends Program reciprocal HHW event criteria:

Reciprocal HHW – In order to be eligible for RDP dollars in FY 2017

- Residents in a municipality must have access to a minimum of six comprehensive HHW events per year.
- The schedule of events must be posted to their website before the grant deadline.
- **Advertising for the local event must include a link to the town website where residents can find the reciprocal HHW collection event schedule.**
- There must be no limit to the number of out-of-town residents allowed to attend an event.
- The host community may charge residents directly or may charge back to the resident's town.
- The host community may require pre-registration.
- On the RDP application, each town claiming these points must list a minimum of six event locations their residents can attend.
