

Dear Town of Granby Residents:

Waste Management looks forward to serving the residents of the Town of Granby and helping your community be as clean - and green - as possible in 2017 and beyond. Beginning June 1, 2017, a new and improved collection program will begin with **trash and recycling collected weekly on the same day**. Please see the important information below as your collection day may have changed.

We look forward to helping the Town of Granby be as clean - and green - as possible throughout 2018 and beyond.

Sincerely,

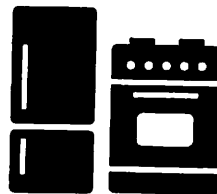

The Town of Granby and Waste Management

COLLECTION

- Trash and Recycling services will now be provided Monday – Friday each week – and Recycling will be collected EVERY WEEK. Please see the Service Day Collection Schedule on the back to determine your trash and recycling collection day.
- All trash and recyclables must be placed at the curb in owner-provided bags or barrels by 7:00 a.m. on your designated collection day each week. Please remove all containers no later than the evening of your collection day.

BULK ITEMS

- All bulky items, white goods and electronics will require an appointment for collection and a fee depending on the item. To schedule a pickup and to pay via credit card, please call Waste Management Customer Service at (800) 972-4545.

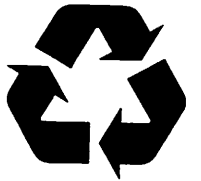

TRASH

- Trash will continue to be one 36-gallon bag or barrel of trash per week per household, placed at the curb on your collection day. Please see the Service Day Collection Schedule on the back to determine your collection day. Town of Granby trash bags are required for additional trash, which is trash in excess of the first 36-gallon bag or barrel.

RECYCLING

- Recycling will now be collected EVERY WEEK on the same day as your trash collection. Recycling is single stream, which means you can mix all bottles, cans, paper and cardboard in any barrel that is clearly marked Recycling. See the Service Day Collection Schedule on the back to determine your collection day.
- It's very important that the right materials end up in your recycling containers. Please see the list of acceptable recyclables on the back page to learn how Granby residents can use Recycle Often. Recycle Right.sm to improve your recycling.

OBSERVED HOLIDAYS

Waste Management observes the following holidays. When your collection falls on or after one of these holidays, your service will be delayed one day during that week only:

The following holidays will result in delayed collections:

New Year's Day	Memorial Day	Fourth of July
Labor Day	Thanksgiving Day	Christmas Day
