*** 558 Votes X 3 Positions= 1674**

The polls opened at 7:00 a.m. and closed at 8:00 p.m. There was one contested race and no ballot questions. Five Hundred and fifty-eight voters came out to cast their votes. Out of the 558 voters, thirty-three were absentee ballots.

This was the first election that the town used the Pollpads for checking in the voters, along with the traditional check in and checkout books. The Pollpads can look up the voter by manually entering their name, or if the voter wishes it can scan their MA Drivers license or MA ID,this is strictly a look up tool no personal information is being scanned. The Pollpads have also been used at the last three town meetings and the voters seem very receptive to this new piece of equipment. It's a quick and accurate system that helps keep the lines moving quickly.

As of May 21, 2018, there were 4,551 registered voters (532 of these voters are considered inactive voters, and will be eliminated if not heard from by two State elections or four years). The percentage of voters who showed up to support these candidates was 12.5%.

I certify that all ballots cast for candidates in this Annual Town Election held on Monday, May 21, 2018, have been counted and recorded in accordance with the law.

Respectfully submitted,

Katherine A. Kelly-Regan
Town Clerk, CMMC
