Once a voter is removed from the voting rolls, they must re-registered to vote. If an individual, try to vote and they are not on the voting rolls they may file a provisional ballot. A provisional ballot will not count unless it is proven that the voter should not have been removed from the voting rolls or should have been registered but somehow was not recorded.

If it is proven that they still should have been on the voting rolls, or they should have been registered than that provisional ballot will be counted.

I certify that all ballots cast for candidates in this Presidential Primary held on March 03, 2020, have been counted and recorded in accordance with the law.
